LADIES BENEVOLENT ASSOCIATION.—The Ladies Benevolent Association will meet on Wednesday afternoon, November 30th, at the usual place.

The commencement of our winter's work has been delayed this year by an empty treasury and lack of material for clothing. So it has been necessary to defer our meeting until after the Thanksgiving collections, in order to ascertain whether the people of Towanda wish to continue this work of charity or not.

During the ten years of its existence this society has been generously sustained and has done an amount of good that we cannot measure; but last spring our appeal for funds was only responded to by one donation than did not come from working members of the Association; and it is feared that a misapprehension exists in regard to the need of this organization since the opening of the County House.

The greatest care is always used in giving aid and rarely have our visitors been imposed upon, and with such delicacy and tact have our ladies worked, that sometimes even the recipients have never known from what source the much needed help came.

Surely the people of Towanda will never allow this good work to die for the lack of funds!

"He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will he pay him again." We can ask no better security; let us make the investment. By order of PRESIDENT OF ASSOCIATION.
