HORACE B. PHELPS, a well known citizen of Scranton, while in Philadelphia last week, was suddenly stricken with paralysis. He was carried into the Continental Hotel, where he sank into a comatose state, from which he never rallied.

The Deputy Marshal of Wyandotte, Kansas Mr. C. Patterson, says he has had the rheumatism off and on all his life and never found anything to benefit him until he tried St. Jacob's Oil, which always relieves him at once.

Prof. DANIELLE will proceed with his classes in the Means Hall. Lessons every Thursday at 4 1-2 and 7 1-2 o'clock, for beginners, and from 8 1-2 till 11, an assembly for all. Those not pupils, 50c per couple to the assemblies. I am prepared to give the same unprecedented satisfaction in my teaching that I did last year. Towanda abounds in evidences of my superior skill as a teacher.

The Legislative Record still finds its way into printing offices and is promptly consigned to the waste basket. There is no telling when it will come to an end, as there is an elaborate index to print yet. The legislature adjourned nearly six months ago, but this wretched fraud is still carried on at the expense of the tax-payers. It is time that this swindle should be stopped, and it can be, if candidates for legislative honors are compelled to promise that they will vote to stop the publication of the Record. It costs nearly \$50,000 a year to print this ridiculous journal and it is never read by anybody.—*Columbian*.

LADIES BENEVOLENT ASSOCIATION.—The Ladies Benevolent Association will meet on Wednesday afternoon, November 30th, at the usual place.

The commencement of our winter's work has been delayed this year by an empty treasury and lack of material for clothing. So it has been necessary to defer our meeting until after the Thanksgiving collections, in order to ascertain whether the people of Towanda wish to continue this work of charity or not.

During the ten years of its existence this society has been generously sustained and has done an amount of good that we cannot measure; but last spring our appeal for funds was only responded to by one donation that did not come from working members of the Association; and it is feared that a misapprehension exists in regard to the need of this organization since the opening of the County House. Indeed it has been frequently remarked: "We will not need the Benevolent Society when we have the Poor House." But our object and work have been to support paupers, only to render temporary assistance to those who are able and willing to support themselves—but who by sickness or other misfortune are placed in circumstances where a little timely aid from those more fortunate will alleviate their suffering, and give courage to some in a dark hour.

The greatest care is always used in giving aid and rarely have our visitors been imposed upon, and with such delicacy and tact have our ladies worked, that sometimes even the recipients have never known from what source the much needed help came.

Surely the people of Towanda will never allow this good work to die for the lack of funds!

"He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will he pay him again." We can ask no better security; let us make the investment. By order of PRESIDENT OF ASSOCIATION.
