Secretary Folger has issued the 106th call for bonds, the amount to be taken up being \$20,000,000.

The New Orleans Times, Dem., sees that the heavy blow that has been struck at sectional politics by the result of the recent elections in Virginia cannot be too highly estimated, and says it is the first of movements to break up the Solid South.

The report of the Naval Advisory Board recommends the construction of thirty-eight unarmored cruising vessels, and a number of rams, torpedo gunboats and torpedo boats. After eight years, if the programme of the Board is adopted, there will be available for the service twenty-one ironclads, seventy unarmored cruiser, five rams, five torpedo gunboats and twenty torpedo boats.

North Carolina, South Carolina and Georgia are all ripe for revolt from the Solid South. A fair vote and an honest count would show heavy anti-Bourbon majorities in all three States to day. Whether they have the leaders capable of bringing about a successful revolt by next election day is a doubtful question, but sooner or later the change will come, and he is a very sanguine Democrat who thinks it can be delayed till after the next Presidential election.

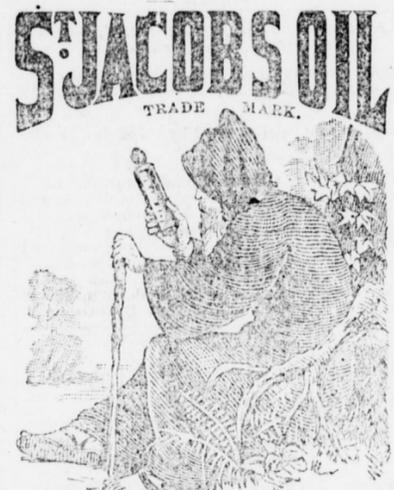

Guiteau has established a precedent in Judge Cox's remarkable court which permits every murderer on trial for his life not only to conduct his own trial but to blackguard every witness who is to appear against him, and every man, witness or otherwise, who presumes to speak unfavorably of him. The Judge did not even threaten when it was established on Saturday. "Mr. Prisoner" seems to have both the court and the counsel for the prosecution in willing subjection. The country is in a very different frame of mind.

Congressman elect Brumm, of the Thirteenth Pennsylvania District, who was a Greenbacker, has written a letter to a person named Williams, connected with the National Greenback Committee, that he will not under any circumstances enter the Republican caucus for Speaker. He does not say that he will not vote for a Republican candidate after the nomination is made. Should he withhold his vote, the result will be the same. The Missouri Greenbackers and J. Hyatt Smith will vote with the 147 Republicans for the nominee of the caucus.

Secretary Folger has not yet matured any plan for disposing of the surplus revenues by the purchase of bonds. He is aware of the necessity for putting out as much of the surplus revenues in the reduction of the debt as possible, and is also convinced that there will be no bonds offered under the Windom circular. He will before the week is ended, however, issue a circular by the terms of which a reduction of the debt can be accomplished. What proposition he will make to the holders of bonds or what class of bonds he proposes to buy is as yet undecided by the Secretary.

The wedding of Miss Lillie D. Tyler, of Damascus, Wayne County, Pa., to Mr. John G. Mitchell, of the same town, took place a day or two ago, precisely one year from the mysterious cure of the young lady, which she described to the Press correspondent. Miss Tyler had been an invalid for upward of six years with a peculiar disease which kept her confined to her room most of the time. She was treated by eminent physicians

from New York and Philadelphia, but in vain. In October, 1880 she heard of a female in Connecticut who cured people by prayer, and to this person Miss Tyler wrote, receiving a reply appointing the 26th of November as the day when Lillie should, with her friends, pray for her restoration to health. The day came, and Miss Tyler was so weak she could scarcely raise her head from the pillow. The company included her family and pastor Rev. Thomas Wescot. At noon they commenced their prayers, and before night the young lady was able to go about the house, and as her cure has been entirely effected, she has just redeemed the pledge made long ago to Mr. Mitchell, and they were married last Saturday by the same clergyman who prayed so fervently only a year before for her recovery. The case has attracted widespread attention and the story as told by the bride is true in every particular.
