A black walnut grove that was planted by a Wisconsin farmer some twenty years ago on some waste land was recently sold for \$27,000. The trees are now from sixteen to twenty inches through.

The Post's Washington special says the Senate Committee on Elections asked to be discharged from further consideration of Warner Miller's case, as the objections raised against him had no weight.

The surgeons in charge of the President's case have refused to send their bills to Mrs. Garfield's agent at her request, but if the government is willing to pay them \$25,000 apiece, they will not reject the fee.

There is great excitement in Snyder county, over the arrest of Joseph Mayer, on a charge of murdering a peddler fifteen years ago. The crime was revealed by one of the actors in the murder of Kentzer and wife.

The Pensacola (Fla.) Advance does not regard Postmaster General James as an out-of-the-way candidate for President, and believes that he would receive as large a vote in the South as any Republican now in office.

President Arthur does justice to his own intentions and appreciates the special circumstances of the case by treating the Star Route cases as State trials, adopting them as his own and urging their vigorous prosecution.

A company has been organized in New York for supplying the cities of the Eastern, Middle, Southern and a few of the Western States, with gas, manufactured at the coal mines of Western Pennsylvania, and conducted to the places of consumption through pipes.

A large number of nominations of presidential postmasters were sent to the Senate yesterday for consideration. It is understood that the Interior Department will present a number of nominations in a few days, mostly to fill offices in the Indian department.

Judge David Davis has made an interesting discovery. He says President Arthur's message is the first document of the sort in forty years that has not referred to the South as a distinctive section of the country. Perhaps this circumstance is a happy omen of a time not far distant when the South will be a mere geographical term and will have no more political significance than the East or the West has now.

Charles Nordhoff in New York Herald says: There is a lively curiosity about the contents of this, Mr. Arthur's first Message. Representatives and Senators have been engaged ever since their arrival in Washington, and some of them ever since his accession in "taking his measure," and the universal verdict so far as men speak their minds is that Mr. Arthur is an uncommonly, and to most Congressmen who did not know him, an unexpectedly able man.

It takes about \$30 for every man, woman and child in the United States to make up the currency required to meet all the needs of the nation. Controller Knox reports that the aggregate of coin and paper money in the United States at the beginning of last month was \$1,455,631,092. Of this amount \$562,568,971 was gold, \$186,037,365 silver, \$346,671,016 legal-tender notes and \$360,344,250 national bank notes. The perfection of the banking system enables our people to transact their business with a less amount of money in actual circulation per capita than any other people on earth.

## The New York Tribune

"The Leading American Newspaper."

During the year 1882 THE TRIBUNE hopes to employ with increasing success the work and the methods which have won for it so large a measure of popular approval. It has attained, and means never to lose the high standard of success which was aimed at by its founder the largest circulation among the best people. So large a circulation and one so widely distributed over the entire territory of the Nation has never been attained by any other newspaper in the United States. We accept this fact as the verdict of the American people upon the conduct and character of the TRIBUNE. The position it occupies could never have been gained nor retained but by pre-eminent merits as a newspaper as an organ of sound opinion and an advocate of just public measures.

In short the TRIBUNE will as heretofore continue to be the medium of the best thought and the voice of the best conscience of the time; will keep abreast of the highest progress, favor the freest discussion, hear all sides, appeal always to the most enlightened intelligence and the purest morality, and refuse peremptorily to cater to the tastes of the vile or the prejudices of the ignorant.

The well-known special features of the TRIBUNE will be carefully maintained. Its Agricultural Department will remain as it is, the fullest and best. The Household and Young Folks' Departments, the literary, scientific and religious features, the standard market reports will all be kept up and extended as opportunity may serve.

VALUABLE PREMIUMS.—The TRIBUNE has never been equaled by any other paper in the permanent and substantial value of its premiums and the extraordinary liberality of the terms upon which it has offered them to the public. We take pleasure in calling attention of all intelligent readers to the following offers.

**The Library of Universal Knowledge,** embracing Chamber's Encyclopaedia complete, omitting only some of the cuts, with extensive additions by an able corps of American editors, treating about 15,000 additional topics, thoroughly Americanizing the entire work, adding to it over 25 per cent of the latest, freshest and most valuable matter, the whole making 15 handsome octavo volumes of 5 by 9 1/2 inches in size averaging nearly 900 pages to the volume, printed in large type on good strong calendar paper and neatly and substantially bound in cloth.

**Charles Dickens' Complete Works.** An entirely new edition of the complete works of Charles Dickens printed from new electrotype plates, large clear type, on fine calendered paper in 15 volumes, 5 1/2 by 7 1/2 inches in size, containing over 800 pages each, beautifully bound in cloth, gilt. This is one of the handsomest editions of Dickens' works ever issued. The price of the set of 15 volumes is \$22.50. We can send either Dickens' works or the Library of Universal Knowledge as above described, on the following terms:

- For \$15.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, or DICKENS' COMPLETE WORKS, as above described, and THE WEEKLY TRIBUNE 5 years to one subscriber.
- For \$20.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, or DICKENS' COMPLETE WORKS, as above described, and THE SEMI-WEEKLY TRIBUNE 5 years to one subscriber.
- For \$19.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, or DICKENS' COMPLETE WORKS as above described, and ten copies of THE WEEKLY TRIBUNE one year.
- For \$28.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, or DICKENS' COMPLETE WORKS as above described and twenty copies of THE WEEKLY TRIBUNE one year.

## The Great Bible Concordance.

Analytical Concordance to the Bible on an entirely new plan, containing every word in alphabetical order arranged under its Hebrew or Greek original with the literal meaning of each and its pronunciation; exhibiting 311,000 references, 118,000 beyond Crucien; marking 30,000 various readings in the New Testament; with the latest information on Biblical Geography and Antiquities etc. By Robert Young, LL.D., author of a new Literal Translation of the Hebrew and Greek Scriptures; Concise critical comments on the same; a Grammatical Analysis of the Minor Prophets in Hebrew; Biblical Notes and Queries; Hebrew Grammar, etc.

This great work is comprised in one handsome quarto volume, containing 1,100 three-column pages neatly and substantially bound in cloth. It is at once a Concordance, a Greek, Hebrew and English Lexicon of Bible words and a Scriptural Gazetteer and will be as valuable to students of the Holy Word as an Unabridged Dictionary is to the general reader. In fact every home that has a Bible in it ought also to have this great help to Bible reading and study. It is well adapted to the use of the common reader as to that of the scholarly clergyman.

We offer it in connection with THE TRIBUNE at the following remarkably low rates:

For \$6 the Concordance and one copy of THE WEEKLY TRIBUNE, five years or five copies one year to different addresses.

For \$11 the Concordance and one copy of THE SEMI-WEEKLY TRIBUNE, five years or five copies one year or ten copies of the WEEKLY TRIBUNE one year to different addresses.

For \$30 the Concordance and twenty copies of THE WEEKLY TRIBUNE one year to different addresses. The postage on the Concordance is 40 cents, which the subscriber will remit if wishing it sent by mail. Except for short distances the mail will be cheaper than the express.

UNABRIDGED DICTIONARIES.—We can furnish the new revised and enlarged edition of either Webster's or Worcester's Quarto Unabridged Dictionary and THE WEEKLY TRIBUNE five years for \$12, or THE SEMI-WEEKLY for \$17. Remember that these are the new and enlarged editions of these great works.

## A Beautiful Gift.

There ought to be in every home and every office in the land good portraits of James A. Garfield and his heroic wife. To enable every one to possess them, every subscriber to the Tribune who with his subscription will send 10 cents additional to pay for packing and postage will receive as a present from the Tribune an elegant life-like portrait of the late President Garfield or his wife, whichever may be preferred, or for 20 cents additional we will send them both. These portraits the Tribune has had engraved in the best style and they are perfect fac-similes of the best crayon likenesses ever taken of the martyr President and his noble wife. They are beautifully printed on fine plate paper, 22 by 24 inches in size and will ornament any parlor, library or office.
