For Governor in 1882, Hon. G. A. Grow—and don't you forget it?—*Canton Sentinel*

A report from the Superintendent of Erie City Schools shows that out of 3,772 pupils, the number of 3,052 are studying German.

The *Commercial's* Washington special says the pressure upon the Speaker for leading places on the House Committees is simply frightful.

The New York delegation is urging the appointment of C. E. Coon of the Elmira district to succeed Assistant Secretary of the Treasury Upton.

A cypress tree felled by N. B. Jordan of High Hill Creek, S. C., measured twenty-five feet in circumference at the butt. It took two axmen five hours to cut it down.

The State Branch of the Emerald Beneficial Association will hold its biennial session at Altoona, on January 10. The society numbers about 2,500 members in Pennsylvania.

Criminal proceedings for conspiracy have been instituted by the deputy Attorney General, against the officers of the State Capitol Mutual Insurance company of Harrisburg. They entered bail in the sum of \$1,000.

The *Bradford New Era* says the conflict between the bull and bear element in oil promises to be of unseen interest between this and the 1st of January.

The *Lebanon Courier* says the "political manipulator who would again try to secure another term for General Grant would be met with a smile of derision or frown of indignation."

The *Bradford Star* says the boom in oil may be the legitimate result of the condition of the field, but "it is more probable that it is the result of dexterous manipulation."

The Clerk of the House has appointed William H. Smith as House Librarian. Smith is a colored man, who for many years has been a messenger in the library and earned his position by intelligence and devotion to duty.

The *Chambersburg Valley Spirit* believes that the publication of pensioners' names and the amount they received from the Government would prevent a good deal of fraud, in calling public attention to persons undeserving of the Government's bounty.

The *Williamsport Gazette and Bulletin* remarks: "The revelation of a dishonest clerk is unearthing a series of peculations in Philadelphia second only to those that were brought to light in New York when Tweed & Co. were arrested, convicted and punished."

The soft metal men are fighting the logic of events in insisting that silver coinage shall go on when the United States is risking its own credit in the future, and in the present depreciating its coin supply in the markets of the world, by coining silver dollars with less metal in them than the mint mark calls for.

For the first time since the close of the war we have a soldier Speaker of the House of Representatives. Gen. Keifer served as a volunteer for four years and two months, and was wounded four times. During the period we have spoken of the patriots who have presided over the House of Representatives have been hard fighters, but their hard fighting was done at home.

The New York Tribune! "The Leading American Newspaper."

During the year 1882 THE TRIBUNE hopes to employ with increasing success the work and the methods which have won for it so large a measure of popular approval. It has attained, and means never to lose the high standard of success which was aimed at by its founder the largest circulation among the best people. So large a circulation and one so widely distributed over the entire territory of the Nation has never been attained by any other newspaper in the United States. We accept this fact as the verdict of the American people upon the conduct and character of THE TRIBUNE. The position it occupies could never have been gained nor retained but by pre-eminent merits as a newspaper as an organ of sound opinion and an advocate of just public measures.

In short THE TRIBUNE will as heretofore continue to be the medium of the best thought and the voice of the best conscience of the time; will keep abreast of the highest progress, favor the freest discussion, hear all sides, appeal always to the most enlightened intelligence and the purest morality, and refuse promiscuously to cater to the tastes of the vile or the prejudices of the ignorant.

The well-known special features of THE TRIBUNE will be carefully maintained. Its Agricultural Department will remain as it is, the fullest and best. The Household and Young Folks' Departments, the literary, scientific and religious features, the standard market reports will all be kept up and extended as opportunity may serve.

VALUABLE PREMIUMS.—THE TRIBUNE has never been equaled by any other paper in the permanent and substantial value of its premiums and the extraordinary liberality of the terms upon which it has offered them to the public. We take pleasure in calling attention of all intelligent readers to the following offers.

The Library of Universal Knowledge, embracing Chambers' Encyclopaedia complete, omitting only some of the cuts, with extensive additions by an able corps of American editors, treating about 15,000 additional topics, thoroughly Americanizing the entire work, adding to it over 25 per cent of the latest, freshest and most valuable matter, the whole making 15 handsome octavo volumes of 5 by 9 1/2 inches in size averaging nearly 900 pages to the volume, printed in large type on good strong calendar paper and neatly and substantially bound in cloth.

Charles Dickens' Complete Works. An entirely new edition of the complete works of Charles Dickens printed from new electrotype plates, large clear type, on fine calendered paper in 15 volumes, 5 1/2 by 7 1/2 inches in size, containing over 800 pages each, beautifully bound in cloth, gilt. This is one of the handsomest editions of Dickens' works ever issued. The price of the set of 15 volumes is \$22.50. We can send either Dickens' works or the Library of Universal Knowledge as above described, on the following terms:

- For \$15.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, OR DICKENS' COMPLETE WORKS, as above described, and THE WEEKLY TRIBUNE 5 years to one subscriber.
- For \$20.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, OR DICKENS' COMPLETE WORKS, as above described, and THE SEMI-WEEKLY TRIBUNE 5 years to one subscriber.
- For \$19.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, OR DICKENS' COMPLETE WORKS as above described, and ten copies of THE WEEKLY TRIBUNE one year.
- For \$28.—THE LIBRARY OF UNIVERSAL KNOWLEDGE, OR DICKENS' COMPLETE WORKS as above described, and twenty copies of THE WEEKLY TRIBUNE one year.

The postage on the Library of Universal Knowledge if sent by mail will be 21 cents per volume; on Dickens' Works 15 cents per volume, which the subscriber will remit if wishing them thus sent. In packages by express they can be had much cheaper.

The Great Bible Concordance.

Analytical Concordance to the Bible on an entirely new plan, containing every word in alphabetical order arranged under its Hebrew or Greek original with the literal meaning of each and its pronunciation; exhibiting 311,000 references, 118,000 beyond Cruden; marking 30,000 various readings in the New Testament; with the latest information on Biblical Geography and Antiquities etc. By Robert Young, LL.D., author of a new Literal translation of the Hebrew and Greek Scriptures; Concise critical comments on the same; a Grammatical Analysis of the Minor Prophets in Hebrew; Biblical Notes and Queries; Hebrew Grammar, etc. This great work is comprised in one handsome quarto volume, containing 1,100 three-column pages neatly and substantially bound in cloth. It is at once a Concordance, a Greek, Hebrew and English Lexicon of Bible words and a Scriptural Gazetteer and will be as valuable to students of the Holy Word as an Unabridged Dictionary is to the general reader. In fact every home that has a Bible in it ought also to have this great help to Bible reading and study. It is well adapted to the use of the common reader as to that of the scholarly clergyman.

We offer it in connection with THE TRIBUNE at the following remarkably low rates:

For \$6 the Concordance and one copy of THE WEEKLY TRIBUNE, five years or five copies one year to different addresses.

For \$11 the Concordance and one copy of THE SEMI-WEEKLY TRIBUNE five years or five copies one year or ten copies of THE WEEKLY TRIBUNE one year to different addresses.

For \$20 the Concordance and twenty copies of THE WEEKLY TRIBUNE one year to different addresses.

The postage on the Concordance is 40 cents, which the subscriber will remit if wishing it sent by mail. Except for short distances the mail will be cheaper than the express.

UNABRIDGED DICTIONARIES.—We can furnish the new revised and enlarged edition of either Webster's or Worcester's Quarto Unabridged Dictionary and THE WEEKLY TRIBUNE five years for \$12, or THE SEMI-WEEKLY for \$17. Remember that these are the new and enlarged editions of these great works.

A Beautiful Gift.

There ought to be in every home and every office the best good portraits of James A. Garfield and his heroic wife. To enable every one to possess them, every subscriber to the Tribune who with his subscription will send 10 cents additional to pay for packing and postage will receive as a present from the Tribune an elegant life-like portrait of the late President Garfield or his wife, whichever may be preferred, or for 20 cents additional we will send them both. These portraits the Tribune has had engraved in the best style and the finest fac-similes of the best crayon likenesses of the martyr President and his noble wife.
