BURLINGTON ITEMS-Miss Ida Morgan of Towarda, is visiting friends here.

Mrs. Graney of Binghamton, is spending a few weeks with her sister, Mrs. J. H. Warner.

Miss Addie McKeeby of Binghamton, is going to spend the winter with Miss W. H.

D. Green. Mr. George Morris of Colorado, will spend the winter with his parents.

Our worthy minister and wife, received a donation visit from the good people of Burlington on the 7th inst.

As Mr. Charles Scouten and Mr. Alexander (of Burlington twp.) were hunting deer in Sullivan county, Mr. Alexander accidentally shot Mr. S., mistaking him for a deer. If last accounts are reliable he is improving slowly.

Mrs. Charles Beardsley of Smithfield met with quite a serious accident a few days ago. As she was going home from Burlington, a pair of horses behind her became unmanageable, and ran against her wagon, throwing her out. She received some very severe injuries, but under the skilful treatment of Dr. Murdoch, she is recovering.

Mr. Justin Morley, an old resident of Burlington, was buried on the 13th, after a short illness.

One more death at the County house this week.

Our last socjable was at Dr. Marshall's on the 13th inst.

Any one who has had the pleasure of spending an evening with the Dr. and his estimable wife, cannot fait to know we had a "good time." Our next will be at W. H. D. Green's Don't fail to go, as Mr. and Mrs. G. have a faculty of making every one feel at home with them, and their generons hospitality is known both far and near.

The Vanness Brothers. who with their families, have lately moved in town, seem to be doing a lively business in the way of renovating feather beds. We wish them success.

Our minister, Mr. Troxell was quite sick last Sabbath. He was unable to fill his appointments.

We notice by the Towarda Journal of a recent date, that there was another Thomas "arove in Burlington." Now we know there are a great many people by the same name: but why two correspondents from a little town like this has to both be one name is a question. It is our impression there is a little dishonesty about it. · Now Brother Thomas (of the Journal) we would be glad to do you any kindness that we could; but we would ask you the next time you feel lik speaking a little sarsastic of your neighbors through the newspaper, not to steal our name for that paper; as we think any one who would, steal our name; well, guess you know what we think without telling you here, if you are good at reading thoughts, it seems to me you must have read ours the last time
