WILLIAM LENT, Esq., for a long time Justice of the Peace and one of the most intelligent farmers of Sheshequin township, made us a pleasant call on Saturday.

Capt JOS. TALL, a former resident of this place, is the deputy marshal who has special charge of the assassin GUTTEAU. The villain will be safely guarded while JOE keeps an eye on him.

Court having adjourned, Dr. HARRIS has betaken himself to Pottsville to spend the holidays with his daughter. The REVIEW joins with his many friends in wishing him a "merry Christmas."

Dr. WILLIAM PEPPER, Dean of the University of Pennsylvania, arrived in town Sunday morning, having been summoned here by Doctor NEWTON for consultation in a critical case.

Titus will have Christmas Trees for sale from Wednesday until Saturday.

The cheapest and the best place in Towanda to buy Christmas candies is at Titus' confectionery store.

It is no exaggeration in FELCH & Co. to claim the largest assortment of silk handkerchiefs of any establishment in the country.—It will certainly pay you to call and examine them. You cannot fail to be pleased.

A Literary Society has been organized by the High School students of the Graded School, and the following officers elected:—Pres.—BENJ. KUYKENDALL. Vice Pres.—MARTIN BENNIS, Sec.—WILLIE WOODRUFF. Treas.—HIRAM WILLSON, Ex. Com.—EVAN MUIR, GEORGE LITTLE and JESSE JUNE.

BAKED BANANAS FOR BREAKFAST—Peel the fruit and cut in halves lengthwise. Lay these strips in close order in a baking pan, strew sugar over and some bits of fresh butter and bake in a moderate oven about half an hour. The fruit should be basted while baking with a few spoonful of butter and sugar syrup and should come out glazed. Serve warm.—*Chicago Hotel Reporter.*

HORSE STOLEN.—The LeRaysville Advertiser says RIAL BRISTOL of Pike, had a horse taken from his stable on Friday night last, and on Saturday morning a warrant was placed in the hands of Constable MILAN BEECHER, who soon brought the horse to its owner and the young man, SHERMAN BRADLEY, before Esquire GEO. W. BRINK, who sent him to Towanda to board at the hospitable mansion of Sheriff Deane. The stealing was done so reckless, it is generally believed that the young man had an eye to winter quarters more especially than the profits he could have realized from a stolen horse.

The Toledo manager of the Standard Oil Co. No. 5 Merchants' Bank, Toledo, Ohio,

sprained the muscles of his right leg very severely. St. Jacob's Oil was used and quickly cured him, greatly to his pleasure.

MONROE ITEMS.—Dr. Stewart's lecture before the literary association of Monroe, was more than a common success. He had to encounter the most stormy, unpleasant, and Egyptian darkness evening of the fall and winter. Thus with the weather and darkness and storm all against him, he was master of the situation, completely so—a good house notwithstanding, and the cream of society for listeners. Everybody was well pleased and satisfied with the high character of the entertainment.

The Doctor was eminently at home, and so was every one else. The satisfaction was entire on the part of his hearers. I shall not attempt a description of his beautiful train of thought—as soon describe a beautiful shower after a protracted dirth. N. D. P.
