IMPORTANT TO TRAVELERS.—Special inducements are offered you by the BURLINGTON ROUTE. It will pay you to read their advertisement to be found elsewhere in this paper.

A large assortment of neat Stationery, just received Jewel Boxes, Work Boxes, Toilet and Nail sets in plush and leather Goods at Whitcomb's Book Store. No trouble to show goods.

Any industrious, practical farmer, with a small capital, can hear of an opportunity to buy a farm on terms which will enable him to pay for it out of the profits. For particulars enquire at this office.

In subscribing for a weekly newspaper—outside of your home paper which you must have,—it is well to consider the advantage of taking a paper like *The Philadelphia Press*, which not only furnishes the choice of the general news and reading, but also the fullest Harrisburgh and general Pennsylvania news.

HOW TO GET A MAP OF THE STATE.—*The Philadelphia Press* publishes in connection with its weekly edition, a new county, township and railroad map of Pennsylvania, which is one of the best and most accurate ever gotten up, and is corrected to the latest surveys. It is 38 1-2 by 23 1-2 inches, is handsomely mounted, and can be had, together with *THE WEEKLY PRESS*, for one year, for \$1.50, the price of the map alone. These maps can be found in any post-office in Pennsylvania. Ask your postmaster to show you a copy of the paper and map.

MUCH USEFUL INFORMATION, of a practical character, and many pleasing and instructive engravings are given in the January number of the *American Agriculturist*, which begins the 41st annual Volume. We notice seasonable suggestions on "Work of the Month"; "Keeping Warm," with many practical lessons drawn from science made plain; comparative value of different Woods as fuel; X. A. Willard on the "Butter Globe"; Prof. E. C. Ferguson describes a "Texas Road Scraper"; J. M. Hubbard explains how he improved a field; Col. M. C. Weld on "Artificial Hatching"; Hon. Geo. Geddes on "Farming as an Occupation"; Prof. S. A. Forbes on the "Canker Worm and Birds"; Dr. D. D. Slade on the "Horse Shoe and Its Application"; Prof. Cyrus Thomas on the "Army Worm"; Dr. M. Miles on "Rotation of Crops and Manures"; Prof. W. O. Atwater on "Nitrogen" etc. Among the many illustrated editorial articles are the "Cattle of Holland"; "Canada Thistle"; "Cheap Ice Houses," etc. "Bee Notes"; exposure of "Sundry Humbugs"; "Notes from the Pines"; "My First Peach Orchard"; Chapters for the House-keeper, and for Children and Youth, with many other useful articles make up this valuable number of a Journal which should be in every home. Price \$1.50 a year; 4 copies for \$5.—Single numbers, 15 cents; one specimen, 10c.—Orange, Judd & Co., New York, Publishers.
