WAYNESBURG: WEDNESDAY, AUGUST 8, 1866.

THE FESTIVAL -On Tuesday evening, 31st. ult. the eagerly anticipated, and much talked of Fair and Festival of the Presbyterian "Chalmers Mite Society," came off. All the day our town labored under a feverish restlessness which told of some important event about to transpire. The bustle of preparation kept all moving. Everything and every body that could render assistance was rying to and fro of maid and matron, and it was evident from the amount of Court House, that some body was to be fed. Evening came and ere the tones merry twinkling of eyes skilled in the to be sold at the lowest figures. rogush glauce, told of nought but en joyment.

Ring-cake, handsome pictures, &c., were similarly made way with. An umbrella was voted to the ugliest man in the house, (no speeches,) and a pair of canaries to the handsomest lady. Many mirth provokmuch to the gayety of the hour.

We understand the Society realized the sum of \$122. Quite a complement their appreciation of real earnestness and a horrible detestation of subscription

It was feared at first, that the injured party could not survive, one of the wounds being in fearful proximity to the heart, At last accounts he is expected to recover. No arrests have been made of the princi pal parties.

The indignation of our citizens has been aroused heretofore concerning this matter of regular kneck down and drag out, street fights, they being of frequent occurrence of late. Considerable ex citement was manifested over this. Those of our "b'hoys" who fight for the "fun of the thing" will be apt to have it demonstrated to them that Waynesburg is a WHERE TO SEE THE CABINET ORGANS of the past month are re enacted.
