Local Matters.

WAYNESBURG:

WEDNESDAY, NOVEMBER 14, 1866.

TO OUR FRIENDS.—SEND US ALL LOCAL ITEMS OF INTEREST. STATE THE FACTS BRIEFLY AND WE WILL PREPARE THEM FOR PUBLICATION. GIVE YOUR NAME AS A GUARANTEE.

MARRIAGES and Deaths are inserted free of charge. We are frequently asked, why such and such notices are not published? Simply because they are not handed in

You will find the best article of Paint, ground in oil and dry, Paint Brushes, Oil of all kinds and Dye Stuffs at Odenbaugh's Drug Store

"There's many a slip 'twixt the cup and the lip," but you can't make a mistake "nohow" if you go to Guiher's.

Hall's Vegetable Sicilian Hair Renewer, sold at Hoffman & Robert' Drug Store.

TEMPERANCE REFORM.—In the haste of last week we neglected to notice the reform movement in this most worthy cause.

A constitution has been formed pledge given and quite a formidable organization perfected. Earnest effort characterizes the proceeding thus far, and it is to be hoped their will be no lagging now that the scheme is well under way—Good citizens will give it timely succor. Politics, religion, all else, may merge into this one great question of reform, and then those who wrap themselves in the cloak of self-righteousness and popular favor may realize the truth of the Avon bard where he says, "There is a tide in men's affairs, &c." Let those that behold the march of events loose no time in joining the ranks of Progress and Right.

The next meeting will be held in the "church on the hill," next Sabbath eve.

Twenty different preparations for the Hair, sold at Hoffman & Roberts' Drug Store.

PAINFUL.—We are sorry to record the death of another esteemed and worthy young man from our place SERG'T GEO. KENT, formerly of Co. A, 18th Pa. Cavalry, we are informed by telegraph, met with a violent end, in falling from a house in the city of Pittsburg on the 12th inst. We have no further particulars at present. His body will arrive to day, (14th,) and be buried with the honors of war.

If you want a good article of Hair Dye and Hair Oil go to Odenbaugh's Drug Store.

ELOCUTION.—Mrs. M. C. Parkinson began a series of lessons, fifteen in all, in the College Chapel, Tuesday, (yesterday) at three o'clock, to embrace a full course of instruction in Phonetics and the principles of Reading. The class will be open to persons not attending the College, and at the moderate charge of $1.00 for the course.

Kneeland's Rat Paste, sold at Hoffman & Roberts' Drug Store.

GOOD!—The Supervisors of Franklin township have been "pulled" for the bad condition they have allowed the roads to remain in. Wishing the gentlemen no harm, we hope they may have to "shell out" enough, had it been used for that purpose, to have piked every road in the township.

Cholera and Diarrhea Medicine, to be had in any quantity, at Odenbaugh's Drug Store.

"SHINNY."—THE base ball season past, the boys have betaken themselves to "shinny." This game played on the town common is well enough for those of them who want peeled shins and scarred figure heads: but we protest against it when played on the street, where every passer-by is subject to injury from flying balls, tin cans, stones or whatever chances to come in contact with their clubs, to say nothing of broken windows, runaway horses and many other species of mischief resulting from it.

Tobacco, Snuff and Cigars, sold at Hoffman & Roberts' Drug Store.

Young men and young women who expect to engage in teaching, should spend at least one term at the State Normal School, Edinboro.

You will save a large per cent. by calling at Odenbaugh's Drug Store.

THE question of a State Convention to revise the Constitution of New York, was submitted to the people of that State on Tuesday last and carried. Among the most important questions to be determined is the proper method of governing New York city. The Legislature at the ensuing session will take the preliminary steps for holding the Convention.

Christadoro's Excelsior Hair Dye, sold at Hoffman and Roberts' Drug Store.

UNIONTOWN will have a Skating Park this winter. Waynesburg "don't indulge."

If you want a good article of Pure Medical Liquors, you will get them by going to Odenbaugh's Drug Store.

THE reduction of the public debt for September was over $22 000 000.

HOW SAD—I pressed her gentle form to me, and whispered in her ear: it, when I was far away, for me she'd drop a tear; I paused for some cheering words, my throbbing heart to cool, and with her rosy lips she said, "Oh, go to Guiher's you fool," and buy your Dry Goods and Groceries.

Upham's Liquid Hair Dye, sold at Hoffman & Roberts' Drug Store.

THE FENIANS.—The Chicago *Journal* says: The Fenians, and many other Irishmen in this city voted the straight Republican ticket yesterday. This is progress in the right direction. We congratulate our Irish fellow citizens on this evidence of their having at last opened their eyes to their political duty.

Odenbaugh's Drug Store is on the opposite side of the street and east of the Farmers' and Drovers' Bank.

LETTER FROM ITALY.—Perhaps one of the greatest triumps of the Chickering Piano is recorded in the following letter from our Consul General at Florence.—We fully agree with Mr. Lawrence that these pianos have only to be known in Italy to be in demand:

U. S. CONSULATE GEN. FOR ITALY,
FLORENCE.

Gentlemen—It has been my intention for several weeks past to write you respecting the pianoforte purchased of you last year, but my official duties during the present season have been so constant and unremitting as to leave me but little time for other correspondence.

Owing to several delays both in America, before leaving New York, and in Italy, after reaching Geneva, the instrument did not reach me until October, although it left Boston in April, being, consequently, six months in transit.—Notwithstanding the frequent handling to which it was subjected through these numerous changes, it arrived in excellent order; the only damage being the breaking off of a few inches of moulding from the lid, which was easily repaired.

The interior was in perfect order—During the winter it was used by several of the best professional and amateur artists here, (scarcely one of whom had ever seen an American pino-forte) and met with most unqualified praise both for clearness, fullness, and richness of its tone. The greatest surprise has been manifested that such an instrument could be made in America, scarcely a dissenting voice being raised against its superiority over the instruments of Erard, Broadwood and the most celebrated European makers.

One of the last performers upon it was Signor Scambati, the favorite pupil of Listz, now quite a young man, but who, in the opinion of the best judges, bids fair to rival if not excel, his famous master. He played at my house upon several occasions, and could not conceal his pleasure, telling me several times that he had never played upon a piano which in all respects he considered its equal, and assured me that he felt confident that Listz would fully agree in all that he said if he could but try it.

So far as I am aware, mine is the only "Chickering" piano-forte in Italy, and it gives me unfeigned gratification to send you this most satisfactory report, and to announce to you how highly it is esteemed by the best judges of this kingdom. With the increasing communication between the United States and Italy, I trust before long to see, or rather to hear many of your admirable pianos in this musical land, and I feel confident that they only require to be known, to have a large demand created for them here.

With my compliments and kind regards, I remain your friend and obedient servant,

(Signed.)
T. BIGLOW LAWRENCE.

Gov Curtin has appointed Thursday, the 29th of November, as a day of Thanksgiving. We give his proclamation in to-day's paper.

A WORD unfitly or inopportunely spoken, has, time and again, exercised an immense influence upon the current of the stream of man's prosperity or adversity. Tristram Shandy's whole life was 'twisted right and twisted left,' because of a single question unfitly asked, 'out of time.' But, reader, there is no unfitness in any word, thought or act which prompts you to purchase your clothing of JACK SOWERS; The fact is he makes the "eternal *fitness* of things" his special study, and all who apply to him get "particular *fits*." He has on hand a stock of Clothing, which for excellent quality, cheapness, and variety, excels anything ever before offered in Waynesburg. His piece goods are also superb and cheap. Remember the place: Allison's Building.

ST. LOUIS MARKET.—ST. LOUIS, Nov. 10—Flour very dull and unchanged.—Wheat easier: $2,70a2,75 for choice: $1,80a85 for fancy; no demand for low grades. Corn drooping; 75a80c For new: 80a$1,03 for old. Oats drooping at 50a51½ Provisions dull and unsettled: Lard dull; 15½c for choice leak. Whisky strong; $2,33 free; $2,35 bond.

CHICAGO CATTLE MARKET.—CHICAGO, November 9.—The fresh receipts of Beef Cattle to-day at the Union Stock Yards are 304 head. Entered sales. 552 head, at prices ranging from $3.95a4,25 for common cows, $4,50a5,50 for good butchers cows and steers, and from $6 25a7,05 for good to choice shipping beeves. The market is dull and weak at yesterday's prices, and several lots were shipped east on owners' account. Packers are the principal purchasers, and are taking a number of fair lots.

CONSUMPTION CURABLE BY DR. SCHENCK'S MEDICINES.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and aroused to expel all corrupted, which, by their medicines will be divested properly, and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomach of all bilious or mucous accumulations, and by using the SEA WEED TONIC in connection the appetite is increased.

SCHENCK'S PULMONIC SYRUP is nature's own remedy, and by using these three remedies, all impurities are expelled from the system, and such wholesome blood made, which will repel all disease. Full directions for preparing for and taking these medicines accompany each medicine. Dr. Schenck will be professionally at the principal hotels in Philadelphia, Pa., on the following days:

J. W. Bradley's Celebrated Patent

DUPLEX ELLIPTIC

(OR DOUBLE SPRING)

SKIRT.

The Wonderful Flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stair, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. BRADLEY'S Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz.: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also Notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the Sole Owners of the Patent, WESTS, BRADLEY & CARY, 97 Chambers & 79 & 81 Reade Sts, N. Y.
