No patent Medicines are used or recommended: the remedies administered are those which will not brake down the constitution, but renovate the system from all injuries it has sustained from mineral medicines, and leave the system in a healthy and perfectly cured condition.

DYSPEPSIA, that distressing disease and fell destroyer of health and happiness, undermining the constitution and yearly carrying thousands to untimely graves, can most emphatically be cured.

Melancholy, Abberration, that state of Alienation and weakness of mind which renders persons incapable of enjoying the pleasbres or performing the duties of life.

FEMALE DISEASES

CANCER CURED WITHOUT THE KNIFE OR DRAWING OF BLOOD.

Tape Worm, that dread to the Human Family for years, can be removed with two or three doses of my newly discovered remedy, warranted in all cases. FOUTZ'S

CELEBRATED

Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, FOUNDER LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

Price 25 Cents per Paper, or 5 Papers for $1.

'Since waterfalls from ladies' heads do flow,
And threaten with a deluge all below,
We may as well prepare to meet the worst,
And dyke, or dam them up, in case they burst,
But then, Van-dyke? "Van" means the front!
'tis clear,
And in the front no waterfalls appear!
Well, since the fashion is exceeding queer,
It may as well be dam'd both front and rear.

"The idler is a waste that wants both hands;
As useless when he goes as when he stands."

'God cures, while the physician takes the pay.'

BEAUTIFUL.—The lady Theodosia blushed 'neath the impassioned gaze of her knightly love, who swore by his sword, and by haven's bright orb, to constant prove. Their lips met in a delirious kiss, and their senses were swimming in a sea of ecstacy, when the peerless fair one suddenly extracted herself from Alphonze's embrace, and imploringly whispered—Excuse my breath; I've been eating onions!"

A STORY is told of an Old Virginia planter who was missing corn from his crib. One night he told a colored boy to set a trap in the crib. The next morning the boy came running to the house, exclaiming, 'Bress God, massa, if dar isn't a white fellah out dar at the corn crib, shaking hands like h—ll wid dat steel trap!'

AN Irishman, in describing America, said:

'You might roll England thru it, an it would not make a dint in the ground; there's fresh water oceans inside that ye might droun Ould Ireland in; and as for Scotland, ye might stick it in a corner, and ye'd never be able to find it out, except it be by the smell of whisky.'

'Why,' said Bob Pitts to Bill Swipes, when he caught him drinking, 'I thought you had signed the pledge.'

'So I have,' said Swipes, 'but signs fail in dry weather.'

LATEST FASHIONS DEMAND

W. J Bradley's Celebrated Patent

DUPLEX ELLIPTIC

(OR DOUBLE SPRING)

SKIRT.

The Wonderful Flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stair, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazine's as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort, and economy, enquire for J. W. BRADLEY'S Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz.: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also Notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the Sole Owners of the Patent, WESTS, BRADLEY & CARY, 97 Chambers & 79 & 81 Reade Sts, N. Y.

PATENTED MAY 29TH, 1866.

This is an article for washing without rubbing, except in very dirty places, which will require a very slight rub, and unlike other preparations offered for a like purpose, WILL NOT ROT THE CLOTHES, but will leave them WHITER than ordinary methods, without the usual wear and tear.

It removes grease spots as if by magic, and softens the dirt by soaking, so that rinsing will in ordinary cases entirely remove it.

This powder is prepaied in accordance with chemical science, and upon a process peculiar to itself, which is secured by Letters Patent. It has been in use for more than a year, and has proved itself a universal favorite wherever it has been used. Among the advantages claimed are the following, viz:

It saves all the expense of soap usually used on cotton and linen goods.

It saves most of the labor of rubbing, and wear and tear.

Also, for cleaning windows it is unsurpassed. With one quarter the time and labor usually required it imparts a beautiful gloss and lustre much superior to any other mode. No water required except to moisten the powder.

Directions with each package.

And can be readily appreciated by a single trial. The cost of washing for a family of five or six persons will not exceed THREE CENTS.

The manufacturers of this powder are aware that many useless compounds have been introduced to the public which have rotted the cloth, or failed in removing the dirt, but knowing the intrinsic excellence of this article, they confidently proclaim it as being adapted to meet a demand which has long existed, and which has heretofore remained unsupplied,
