-IN-

WAYNESBURG, PENN'A.

Mr.A. Wallace

Has fitted up a new and splendid Photograph Gallery in the third story of

ALLISON'S BUILDING,

Where he is prepared to execute PHOTOGRAPHS, AMBROTYPES, MALEIANOTYPES.

CARTES DE VISITE. And all other kinds and sizes of pictures, in a style equal to the best artists. Especial attention will be given to copying pictures and enlarging them. All applications will be promptly attended to. Their rooms are commodious and attractive, and every desirable accommodation will be rendered to customers. This is decidedly the best opportunity to secure accurate likenesses ever offered to the people of Greene County. Call any time it suits you.—
Pictures taken any time in the day, and in all kinds of weather. Nov. 15, 1865. tf. kinds of weather.

W. H. WITMOR HAS been in successful practice for a number of years, with the experience of the different hospitals in Europe, also a member of the Analytical Medical Institute of New York, continues to attend to all professional cases at 1 is office. No. 928 Filbert Street, Phila.

No patent Medicines are used or recommended; the remedies administered are those which will not brake down the constitution, but renovate the system from all injuries it has sustained from mineral medicines, and leave the system in a healthy and perfectly cured

DYSPEPSIA, that distressing disease and fell destroyer of health and happiness, undermining the constitution and yearly carrying thousands to untimely graves, can most em-

phaticily be cured.

Melancholy, Abberration, that state of Alienation and weakness of mind which renders

persons incapable of enjoying the pleasbres or performing the duties of life. RHEUMATISM, in any form or condition, chronic or accute, warranted curable. Epi-lepsy, or falling sickness, all chronic or stub-

orn cases of FEMALE DISEASES radically removed; Salt Rheum and every description of ulcerations; Piles and scroful-ous diseases which have baffled all previous medical skill, can be cured by my treatment; and I do say all diseaes, (yes Consumption) can be cured by wearing my Medical Jacet, which is a protection to the lungs against all changes of weather in all climates having investigated for years the cause and character of intermittents (fever and ague) in all parts of the United States—will cure permanently all chronic or acute cases of Ague and nervous diseases in a

few days.
CANCER CURED WITHOUT THE KNIFE OR DRAWING OF BLOOD.

Tape Worm, that dread to the Human Family for years, can be removed with two or three doses of my newly discovered remedy, warranted in all cases. Consultation in the English and German Languages free of charge. Will make visits any distance, if desired. May be addressed by letter (confidentially,) and Medicine sent with proper directions to any

part of the country, OFFICE-No. 928 Filbert Street, Phila. mar24:'66-1y

MORE WORKING CAPITAL

We think that a majority of Ameriscan farmers will be ready to concede it. The evaporation of the water cools with a husband, the soil to such a degree, that when he hased some in the nearest town, and dust, ashes, lime, plaster, pondrette, or The answer has already been given. some other fertilizer. As his sowing has been delayed, it has trenched upon Tun Winsted (Conn.) H. rald is responthe planting season, and his planting is sittle for the following: quently not well done. The results are similar to those or his own cropa. Again, for want of capital he uses m-

advantage, and suffers loss from that The same want is felt in caltivaring his planted crops, and the yield is dim nished for want of proper cultiprolonged, the grain becomes over-ripe and shells in gathering, or is injured by rain, and there is loss again The hay ouring, and is consequently interior in quality, and tells upon the stock in winter. To pursue this subject further : the corn ripens before the farmer is ready to cut it up, and the statks are injured for fodder; the potatoes are not dug nearest the surface is frosted, and winter overtakes the farmer before his work is done, and finds him unprepared for the The most attractive and most popular resort these causes, the annual meomes of their attempts to move a wagon load of many farmers are undoubtedly diminish- silver bricks. The load was so heavy ed at least one-half, and their lives harrassed until they are heartily sick of

farming. avoided by increasing their working of the bystanders, the team started the capital. 'Oh, yes,' exclaims the indignant reader, increase our working capital !-- and how is that to be done, pray? of with the best of the season. Also, a fine of season also and attached to the are just able to bring the year of season fitted up and attached to the around, row, and how are we to obtain any surplus to lay up for another year's Well, let us consider the question Most farmers are too ambitious of owning a large farm. If they purchase one, they expend nearly all their money in the purchase, reserving altogether too little to stock and work it properly It would be better policy to take up with less land, and then have the means to work it in such a manner as to ersure larger profits than a larger farm would afford, worked as they would be obliged to work it with their limited means or, TAVING RECENTLY FITTED UP THIS if they must have a large farm, it would AVING RECENTLY FITTED UP THIS well known establishment, Mrs. Bunch and the best to the travelling public. The TABLE always supplied with the choicest delicacies, the BAR with the finest Wines and Laquors, good sleeping apartments, and an abundance of stable room attached to the premises. Public patronage solicited May 23, '66 -1y. be better to give a mortage for one

Those who have farms, and are compelled to cultivate under the disadvantages above described, would do well to sell part, and apply the receipts in workunder present management. Or, if determined to keep their farm intact, they had better mortage, and borrow the money necessary to work it as it should be worked. Many farmers have their money in such a shape that they could destroying the symmetry of the remain- 'nigger' to standing.

der; let such raise the money by mortgage; but in other cases, unless the farm s very small, we should prefer to sell a

portion. Will not those toil-worn, care-harrassed farmers, who have been all their year or two ago I had my attention lives behind their work, laboring under difficulties, suffering losses, deprived of called to an ice house built by a farmer the comforts and retining luxuries of the near me, which was simply a bin made well-to-do farmer, simply because they with rough boards. 16 feet square, and | do not employ sufficient working capita roofed over, leaving a large opening at to carry on their farming operations in the front and siles. He said his ice a thorough and economical way, give kept perfectly until the next winter. He and resolve, now, in the beginning of put on a layer of sawdust about a foot new year, upon a change in their manthick on the ground, and then stacked agement, and thereby attain to that in ice saugly in the centre 18 or 20 high and enviable position which justly inches from the walls, and then filled in American farmer !- Cor. American
