ASTROLOGY.

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, cata tropics, trosses in love, loss of relations and friends, loss of money, &c., have become despendent. She trings together those long separated, gives in ornation concerning absent friends or lovers, retion concerning absent filen is or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, cause speedy marriages and tells you the very day you will marry, gives you the name. likeness and characteristics of the person. She reads your very throughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmatical—the malific tars that overcome or predominate in the configuration. see in the dimanent—the mailife stars that eyercome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of bitth, she deduces the future destiny of man. Fail not be consult the greatest Astrologist on earth. It costs you but a tribe, and you may never again have so favorable an opportunity. Consultation fee, with Illianess and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal solety and satisfaction to mail with equal ratety and satisfaction to themselves, as if in person. A full and ex-plicit chart, written out, with all inquires answered and likenesses enclosed, sent by mail on receipt of price above metationed -The strictest's cresy will be maintained, and all correspondence returned or destroyed References of the highest order turnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of bair.
