AN INVARIABLE MEDICINE FOR THE PURYFYING OF THE BLOOD,

DR J W. POLAND'S HUMOR DOCTOR,

A Positive Remody for all kinds of Ha-mors, par icularly Erysipelas, Nettle Rush, Salt Rheum, Serofula, Carbuncles, Boils and Piles. It is very gratifying to say of this or of any other medicine, "It is the very best remedy known." It is not always so easy to prove it. It is, however, exceedingly gratifying to the proprietor of this medi-cine, that, while he declares to the public that this is a most wonderful and effective specific for Humbers, as stated above, he has abundant troof at leand to sustain his statement.

For sixteen years the Humor Doctor has been manufactured and sold, and every year

has increased the value of its reputation, and the amount of its sales. In New Hampshire, where it originated, no remedy for humors is so highly prized. An eminent physician (now an army surgeon) when practicing in New Hampsbire, purchased between fifty or sixty galous of it, during some seven or eight years, and used it in his practice. He has since then ordered it for the hospital where he was then ordered it for the hospital water at the ordered it for the hospital water at the stationed. Other physicirus have purchased it, and have used it in practice with great Clothing, Trimmings, Notions, &c., in the New Store Room in Mr. George E. Minor's Company opposite the Farmers' & success. When the proprietor lived in New Store Room in Mr. George E. Minor's itampsoire, at Goff-town Center, for the space of thirty or lotte unless around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the nunerous and wonderful cures which it effected. Though manufactured in large quantities the WAYNESBURG, PENN'A. Clothing Store supply was frequently exhausted, and purchasets had to wait for more to be made. In that region some very severe cases of Ery-sipelas were treated with—and they were cured! Erysipelas sores, or carbuncles, those ugly, painful ulcers, were entirely removed wherever this medicine was faithfully used.

Suffice it to say that I faithfully tried several of the most humor remedies, but without removing the affliction. At length, by the earnest request of an intimate triend, I was induced to try Dr. J. W. Poland's Humor Doctor, and am very happy to attest that all my Bolls were removed, and my health was restored by using Dr. Poland's aforesaid medicine.
