A Young Lady returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twentythree she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIR-CASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. DUPLEX ELLIPTIC (OR DOUBLE SPRING)

SKIRT.

The Wonderful Flexibility and great comfort and pleasure to any lady wearing the Du plex Elliptic Skirt wilt be experienced partic-ularly in all crowded assemblies, operas, car-riages, railroad cars, church 1 ews, arm chairs, riages, railroad cars, church 1 ews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered:

double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stair, &c.
The Duplex Elliptic is a great favorite with

all ladies and is universally recommended by the Fashion Magazin s as the standard skirt of the fashionable world.
