A Young Lady returning to her country home, after a sojourn of a few mouths in the city, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twentythree she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIR-CASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature hersolf is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful.
