

CONVERSION OF 73-105.

IN reply to numerous inquiries in regard to the conversion of the 73-105 into the new 73-105 Gold Coupon Bond we make the following statement for the benefit of the holders of 73-105, who may not be informed: The Government computes the interest on both bonds in currency from the date of the maturity of the last coupon, allowing seven and three-tenths on the 73-105, and charging six percent on the 73-105. For example: you send to Washington \$1000 73-105 Bond which reaches there on May 1st.

74 days interest, (From Feb. 15th).....	\$1,000
5.20%.....	\$1,000
119 days interest, (From Jan. 1st).....	19 56
(This is counted at 365 days per annum.)	
Allowed for 73-105.....	1,019 56

You pay Government..... 4 78
It will be seen by this that the Gold interest is given as currency, which is of itself a profit to the party converting the 73-105 of nearly eight dollars per \$1,000, aside from the fact that at the present rate of Gold, say 40, the 4-20s pay over 3 percent per annum.

At present we are converting the 73-105 on much better terms than the Government as the present buying and selling rates enables us to allow the holder of the 73-105 a better figure than has yet been offered by any one as a commission.

Parties exchanging through us, in addition to getting much better terms than they can from the Government, will have their 5-20s delivered to them immediately, thus saving time. We also register any bonds sent to us without charge. On all Bonds sent by Express, we pay charges both ways and remit promptly as directed. JAS. T. DUPLIX ELLIPTIC
(OR DOUBLE SPRING)
SKIRT.

The Wonderful Flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, opera, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded, when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinolines, not found in any other Skirt. A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape with three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but are of the double covered, preventing them from wearing out when dragging down stoves, stairs, etc.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazine as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in Crinolines, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, procure for J. W. BRADLEY'S Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to NOTICE that skirts offered as "DUPLIX" have the word "Patent" on the waistband—none others are genuine. Also Notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

REPARATOR CAPILLI.
Throw away your false frizzes, your switches, your wig.

Destructive of emolument, and not worth a fig: Come aged, come youthful, come ugly and fair And rejoice in your own luxurious hair.

For restoring bald spots upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the hair to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless; and you may have already thrown away large amounts in their purchase. To such we would say, try the Repurator Capilli, it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, postage together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. A QUEER COURTSHIP.

The period of courtship is not always a time of romance and affection, as may be supposed. If the wooer is a romantic sort of a chap, and the wooed, a sentimental dame, then, in such a case, there are many hours of ecstasy and bliss enjoyed by two loving hearts. But it takes all kinds of people to make up the world, and it is not to be supposed that every body who indulges in the bliss of courting, is disposed to look upon love-making, as a period of sentimental enjoyment. No, not much. An illustration, of this fact, occurred, says the Hartford Post, which we cannot forbear relating.

In a small country town, in Hartford county, a widower who had acted the part of a brute and tyrant to his wife, went shortly after the demise of his spouse to a bazaar widow, who, like her sister, had not the best reputation for suavity of manners and meekness of temper. The following colloquy ensued:

"Well, mam, I am come to see you."

"Well, you may just clear out again, for I'll have nothing to do with you."

"You need not think to do me. You abused and whipped your first wife—and I know what kind of a fellow you are. You can bet high on that."

"Yes, I did, and if I had you I'd make you toe the mark. I'd give you a d—d good thrashing every time you deserved it, and I would not let you vote, if every woman in town ran to the polls with ballot in hand."

Strange as it may appear, this very loving and romantic couple, were united in the 'holy band of padlock' three days afterwards.

"Was ever woman in this humor wood?"

"We think not."

THE FAMILY THAT DON'T TAKE THE NEWSPAPERS.

The man don't take the newspapers in his town the other day. He brought his family on an ox sled, and 'baited' before a store. He still believed that Millard Fillmore was President, and wanted to know if the 'Kamschatskins' had taken Cuba, and if so, where they had taken it. He had sold his pork for six cents, when he might have had twelve. One of his boys went to a blacksmith's shop, to be measured for a pair of shoes and another mistook the Court house for a church. He hung his hat on a hook and waited patiently one hour for meeting to begin. One of the girls took a lot of seed onions to the postoffice to trade off for letters. She had a baby which she carried in a 'sugar trough,' stopping occasionally to rock it on the sidewalk. When it cried she filled its mouth with a cotton handkerchief and sang 'Barbara Allen.' The oldest boy had sold two oxen skins and was on a bust. When last seen, he had called for 'sody and water,' and stood sousing gingerbread in it, and making wry faces. The shopkeeper mistaking his meaning had given him a mixture of salt and soda, and he had 'hearn' tell of sody water. But he had 'hearn' tell of sody water, and was bound to give it a fair trial, 'puka or no puka.' The old man had a teakettle he wanted 'fixed up,' and he carried it to the milliner shop. The lady thought he was crazy, but noticing the hole in the kettle politely told him to take it to a tinner's shop. He then took an old plover to the jeweller's shop to have it 'pointed and sharpened.' 'We told the old fellow he ought to tread the papers, but he would not listen to it. He was opposed to internal improvement' and he thought 'larnin' was a wicked invention.

BARBARIC JUSTICE IN DELAWARE.

New Castle, June 3.—Only one man was publicly pillorred and whipped on Saturday. Till, a whitish black man, who in a fit of drunken rage killed his brother, after the latter had struck and kicked him, was convicted of his crime. This was his sentence: 'That you pay a fine of \$5,000; stand in the pillory one hour; be whipped with sixty lashes, and be imprisoned for life.' He stood, a public spectacle, the mark for the meanest man's taunts, with his head thrust forward, his arms fixed, in the pillory, under this broiling June sun, one hour. He was then taken down, stripped to the waist, and his wrists pinioned to the whipping post. He underwent the sixty blows of the cat. His nine thong-increased his punishment to five hundred and forty strokes.

The Buffalo Express is responsible for the following: 'One of our printers who used to set type in the Tribune office, smiled audibly yesterday when somebody wondered that Horace Greely could be willing to let his name go down to posterity affixed to Jeff. Davis's ballot. 'Horace knows,' he says, 'posterity can't read the signature.''

The following Irish conversation was heard in a street in St. Louis. 'Pat, what do you think of President Johnson?' 'Faith, an' he's a good merchant.'

'How so, Pat?' 'Be jabbers! he sold arms to the Fenians and then took the arms back and sold the Fenians.'

BREAK HIS LEGS.—In answer to a note from one who signs herself 'A distressed Mother,' we reply: The only way to cure your son of staying out 'late on nights' is to break his legs or else get the 'calico,' he runs with to do your house work.

AN INVALUABLE MEDICINE FOR THE PURIFYING OF THE BLOOD.

DR. W. POLAND'S HUMOR DOCTOR.

A Positive Remedy for all kinds of Humors, particularly Erysipelas, Nettle Rash, Salt Rheum, Scrofula, Carbuncles, Boils and Fles. It is a gratifyingly to say of this, or of any other medicine, 'It is the very best remedy known.' It is not always so easy to prove it. It is, however, exceedingly gratifying to the proprietor of this medicine, that, while he declares to the public that this is a most wonderful and effective specific for Humors, as stated above, he has abundant proof at hand to sustain his statement.

For sixteen years the Humor Doctor has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. In the Hospital, where it originated, no remedy for humors is so highly prized. An eminent physician (now an army surgeon) when practicing in New Hampshire, purchased between fifty or sixty gallons of it during some seven or eight years, and used it in the practice of his art. He has since then ordered it for the Hospital where he was stationed. Other physicians have purchased it, and have used it in practice with great success. When the proprietor lived in New Hampshire, at Grafton Center, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and wonderful cures which it effected. Through many years, large quantities of the supply were frequently exhausted, and purchasers had to wait for more to be made. In that region some very severe cases of Erysipelas were treated with—and they were cured. Erysipelas, sores, or carbuncles, those ugly, painful diseases, were entirely removed, wherever this medicine was faithfully used. So it was with Scrofula and Salt Rheum. The Humor Doctor cured them.

For the sake of showing what is thought of it, a few testimonials are here inserted:

MILTON GALE, Esq., Boston.

I hereby certify that I was severely afflicted with Boils for two years, and during that time I have used your Humor Doctor, and I have been cured. The sufferings which I endured from them are indescribable. Suffice it to say that I faithfully tried several of the most popular remedies, but without success. I was relieved of an intimate friend, I was induced to try Dr. J. W. Poland's Humor Doctor, and am very happy to attest that all my Boils were removed, and my health restored by using Dr. Poland's Humor Doctor.

DR. J. W. POLAND, Dear Sir: I very cheerfully give my testimony in favor of your Humor Doctor as an excellent remedy for humors. My numerous acquaintances in Manchester know how severely I was afflicted with Boils, and they know how perfectly good my health is at present. Your Humor Doctor cured me. Please refer to me for particulars in my case. June 11, 1895. **A. C. WALLACE, Esq., Manchester, N. H.**

MRS. PORTER, Dover, N. H.

July 22, 1895.

DR. POLAND: I received your letter inquiring as to the effects of your medicine on skin-diseases. I am happy to say that I think it "the medicine" for that dreadful skin-disease. I tried various prescriptions, but found none that suited the stomach and cleared the head like the Humor Doctor. I felt as though I could hardly wait to get ashore, to entreat you to introduce it to ship chandlers stores, that they may find its way to those who suffer upon the high seas. I have a number of patients who like their families with me, or carry passengers, I should try it for once, they would never be willing to voyage without it.

I have used it for my family since its introduction to the public for ill-effects. I have had aches and humors about my children, and have always found it a sure cure.

I am not fond of having my name appear in public, and would not consent to it on any other account, but the relief and suffering, but if the foregoing will be of any service to you or the public, you can make use of it.

Yours, **HARRIET M. PORTER.**

Much more might be stated in relation to this medicine, as contained in testimonials, but it is needless. Ask Manchester druggists about it, especially Dr. Blake, at Barr's. Inquire of Mr. Henry Plummer, of Bedford, whose wife was cured by it of Salt Rheum. Ask almost any person in Grafton, and they will declare its value as a remedy, as used in their own cases or by their friends.

The Humor Doctor was formerly sold at fifty cents per bottle; but the cost of every ingredient composing it has gone up so enormously, that the price has been raised to seventy-five cents only, and that, by compulsion. The Humor Doctor is prepared at the New England Botanic Depot, for the Proprietor, J. C. French.
