

CONVERSION OF 73-108.

In reply to numerous inquiries in regard to the manner of converting the August 7-3-108 into the new 5-20 Gold Coupon Bond we make the following statement for the benefit of the holders of 73-108, to whom it may be of interest.

The Government computes the interest on both bonds in currency from the date of the maturity of the last coupon, allowing seven and three tenths on the 73-108, and charging six per cent on the 5-20s. For example: you send to Washington \$1000 73-108 Bond which reaches there on May 1st.....\$1,000.00 73 days interest, (From Feb. 15th)..... 14.50

5-20s.....\$1,000.00 119 days interest, (From Jan. 1st)..... 19.56 (This is counted at 365 days per annum.) 1,019.56 Allowed for 73-108..... 1,014.80

You pay Government..... 4.74 It will be seen by this that the Gold interest is given as currency, which is of itself a profit to the party converting the 73-108 of nearly eight dollars per \$1,000, aside from the fact that at the present rate of Gold, say 40, the 4-20s pay over 2 per cent more than the 73-108. At present we are converting the 73-108 on much better terms than the Government as the present buying and selling rates enables us to allow the holder of the 73-108 a better figure than has yet been offered by any one as a commission.

Parties exchanging through us in addition to getting much better terms than they can from the Government, will have their 5-20s delivered to them within the same saving delay. We also register any bonds sent to us without charge. On all Bonds sent by Express, we pay charges both ways and remit promptly as directed. Jas. T. BRADLEY & CO., Dealers in Government Securities, 507-509 Fifth and Wood Streets, Pittsburgh, Pa. 51-31.

REPARATOR CAPILLI.

Throw away your false frizzes, your switches, your wig.

Destructive of comfort, and not worth a fig. Come aged, come youthful, come ugly and fair. And rejoice in your own luxuriant hair.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forming a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks.

Months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of men and women (from their own experience) can bear witness. But many will say, how are you to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless; and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli, it will cost you nothing unless it fully comes up to our representations. If you do not, we will forward it, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. Address, W. L. FELLOWS' WORM LOZENGES!

ARE, WITHOUT EXCEPTION, THE most extraordinary Remedies of the age. Comprising, as they do, Remarkable Power in expelling worms, with pleasant taste and perfect safety. They contain no Mercury, no Mineral, no Turpentine, no Oil of Wormseed, no Poison, nothing injurious. They are entirely Vegetable.

Symptoms of Worms.—Itching of the nose, feverishness, twitching or starting suddenly during sleep, pain in the stomach, loss of flesh, quickness of temper, fretfulness, irritability, diarrhoea, at the end of the bowels, a dullness of the eyes, drowsiness, a swelled upper lip, tongue whitely furred and studded with red spots, fetid or garlic breath, grinding of teeth during sleep, a sensation of lodgment in the throat, an unnatural craving for dirt, chalk or clay, fretfulness and irritability of temper, cholic fits and palsy. Intestinal Worms are among the first to undermine the constitution in the list of diseases. They often occasion severe diseases, ending sometimes fatally, particularly when they ascend to the stomach. Their presence in their most ordinary situation is attended with unfavorable effects upon the general health. Eminent men assert that all more or less troubled with worms, and that many die annually from this cause, who, by the timely administration of a proper remedy would be saved. As FELLOWS' WORM LOZENGES may be taken without any unpleasant results, and as they are found of them, their use is recommended to those apparently healthy, and thus dispel the cause of what would produce suffering.

Be careful what you use. Various remedies have from time to time been recommended, such as Calomel, Oil of Wormseed, Turpentine, &c., so that dangerous and even fatal consequences are produced. The necessity of a safe and sure remedy has caused much research and study by the proprietors of FELLOWS' WORM LOZENGES, and they are positively safe, pleasant and effectual. They do not kill worms, but act by making their dwelling place disagreeable to them. In order, however, to guard consumers against deception by a base compound, the analysis of Dr. A. A. HAYES, State Assayer, proving the above statement, is annexed.

"I have analyzed the WORM LOZENGES prepared by Messrs. Fellows & Co., and find that they are free from Mercury and other metallic or mineral matter. These Lozenges are skillfully compounded, pleasant to taste, safe, yet sure and effectual in their action." Respectfully, A. A. HAYES, M. D.

Please remember that Fellows' Worm Lozenges are prepared with great care from the concentrated extracts of two plants. They do not act as a purgative or emetic, will not debilitate the patient, are so simple an infant may devour a whole box without harm, and will at the same expel the worms in an extraordinary manner.

Fellows' Worm Lozenges is the only Worm Remedy existing in the market, which is palatable with delicious taste and amazing power. Price Twenty-five cents per Box. Five boxes for a dollar. The signature of Fellows & Co. is attached to each genuine box. Sold by Medicine Dealers generally. Prepared at the New England Dispensary, for the Proprietor, J. C. GRAY AND BLUE.

"The only difference in your war," I heard a Briton say, "Is that one side is dressed in blue, The other clad in gray."

I went into a federal camp; I heard the soldiers cry, "Hurrah! here comes the newspapers," And saw them rush to buy.

I went along the Valley road, And met upon my way, Ten of Lee's straggling infantry, All clad in rebel gray.

One held a proclamation out, And, as I stopped my steed, Said: "Tell us what this paper says, For none of us can read."

And I replied: "If you could read, And find out what is true, Instead of wearing Davis gray, You'd bear the Lincoln blue."

Gray is the color of the dust, In which the serpent crawls; And blue the hue of Heaven, which looks Down on earth's rebel walls.

READ TO THE END.—The Seranton Daily Register is responsible for the following anecdote, if not for the fact itself: A pair of those interesting, entertaining ladies, who seem to carry on so large a business in the way of procuring subscriptions for new works, and who are so fascinating in manner, so delightfully importunate, so sweetly un-get-riddable, called a few mornings since at a young lawyer's office, for the purpose of getting him to subscribe. Indeed, ladies, said he the partnership of which I am but a humble member, has lately been so imprudent as to issue a new work of their own, which in consequence of the enormous expense attending its illustrations, embellishments, &c., has completely crippled us. "Then, perhaps," replied the angelic canvassers, "we could procure you some subscribers. What do you call your work?" "Well we have not fully determined on that yet, but I guess I'll let my wife have her own way, and call it after me—Charles Henry."

TO PREVENT CATTLE FROM JUMPING FENCES.—The following singular statement was made at a late meeting of the American Institute Farmers' Club at New York:

"To prevent steers from jumping fences, clip off the eyelashes of the under lids with a pair of scissors, and the ability or disposition to jump is as effectually destroyed as Sampson's power was by the loss of his locks. The animals will not attempt a fence until the eyelashes are grown again. Of this we are informed by Samuel Thore, the great breeder of Dutch County, who assured us that he had tested it upon a pair of very breachy oxen. And it was of great value to him, he hopes it will be tried by others."

THE CONTRAST.—When Joseph Stoddard was near his last hour he said, "I have been thinking of the difference between the death of Paul and of Bryon. Paul said, 'The time of my departure is at hand; but there is laid up for me a crown.' Bryon said:

"My days are in the yellow leaf, The flower, the fruit of life is gone; The worm, the canker, and the grief, Are mine alone."

In the beginning of the Luxemburg troubles, a lady of high standing at the Prussian Court, asked the Count Bismark on a special occasion, "What do you think will happen this summer?" "We shall play sixty-six," (a German game at cards), answered Bismark. "What will be the stake?" inquired the lady. "One Napoleon," returned the minister.

The suspension and decrease of several journals in the South, of the extreme southern type, indicates the growth of healthy sentiment among the people of that section. The Richmond Times is among the "late lamented." The incendiarianism of this sheet thus meets with an early rebuke.

The Chicago grain market continues to decline daily, with no prospect of anything in the future to produce recovery. From all parts of the country crop reports continue favorable—and the weather perfectly splendid.

1868 CENTS.—The editor of the Cleveland Herald is offering five dollars in cash for 1868 cents. We are willing to purchase on similar terms. Those having cents to dispose of on these terms may apply.

AN INVALUABLE MEDICINE FOR THE PURIFYING OF THE BLOOD.

DR. W. POLAND'S HUMOR DOCTOR.

A Positive Remedy for all kinds of Humors, particularly Erysipelas, Nettle Rash, Salt Rheum, Scrofula, Carbuncles, Boils and Piles. It is very gratifying to say of this, or of any other medicine, "It is the very best remedy known." It is not always so easy to prove it. It is, however, exceedingly gratifying to the proprietor of this medicine, that, while he declares to the public that this is a most wonderful and effective specific for Humors, as stated above, he has abundant proof at hand to sustain his statement.

For sixteen years the Humor Doctor has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. In New Hampshire, where it originated, no remedy for humors is so highly prized. An eminent physician (now a general surgeon) when practicing in New Hampshire, purchased with him, or sixty gallons of it, during some seven or eight years, and used it in his practice. He has since then ordered it for the hospital where he was stationed. Other physicians have purchased it, and have used it in practice with great success. When the proprietor lived in New Hampshire, at Goldstown Center, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and wonderful cures which it effected. Though manufactured in large quantities the supply was frequently exhausted, and purchasers had to wait for more to be made. In that region some very severe cases of Erysipelas were treated with it, and were cured! Erysipelas sores, or carbuncles, those ugly, painful ulcers, were entirely removed wherever this medicine was faithfully used. So it was with Scrofula and Salt Rheum. The Humor Doctor cured them all, and it was removed, and my health was restored by using Dr. Poland's aforesaid medicine.

I hereby certify that I was sorely afflicted with Boils for two years, developing themselves upon my limbs and other parts of my body. The sufferings which I endured from them are indescribable. Some of my friends had I faithfully tried several of the most popular humors remedies, but without removing the affliction. At length, by the earnest request of an intimate friend, I was induced to try Dr. W. Poland's Humor Doctor, and an very happy matter that all my Boils were removed, and my health was restored by using Dr. Poland's aforesaid medicine. Boston, Jan. 14, 1855. MILTON GALE, Esq.

A. C. WALLACE, Esq., MANCHESTER, N. H. Dr. J. W. Poland.—Dear Sir: I very cheerfully give my testimony in favor of your Humor Doctor as an excellent remedy for humors, my numerous acquaintances in this State know how severely I was afflicted with Boils and they know how perfectly good my health is at present. Your Humor Doctor cured me. Please refer to me for particulars in my case. June 11, 1855. A. C. WALLACE.

Mrs. PORTER, DOVER, N. H. July 22, 1855. Dr. Poland: I received your letter inquiring as to the effects of your medicine on sea-sickness. I am happy to say that I think it "the medicine" for that dreadful sickness. I tried various prescriptions, but found none that settled the stomach and cleared the head like the Humor Doctor. I felt as though I could hardly wait to get ashore, to entrust you to introduce it into ship-chandlery stores, that it may find its way to those who suffer upon the night deep from sea sickness. If captains who take their families with them, or carry passengers, should try it for once, they would never be willing to voyage without it.

I have used it for my family since its introduction to the public for bilious habits, headache and humors of children, and have always found it a sure cure. I am not fond of having my name appear in public, and would not consent to it on any other account but to relieve the suffering; but if the foregoing will be of any service to you or the public, you can make use of it. Yours, HARRIET M. PORTER.

Much more might be stated in relation to this medicine, as contained in testimonials, but it is needless. Ask Manchester druggists about it, especially E. W. Blake, at Barr's. Inquire of Mr. Henry Plummer, of Bedford, N. H., who was cured by it. Ask of Mr. J. S. R. Ask almost any person in Goldstown, and they will declare its value as a remedy, as used in their own cases or by their friends.

The Humor Doctor was formerly sold by five cents per bottle; but the cost of every ingredient composing it has gone up so enormously, that the price has been raised to seventy-five cents only, and that by compulsion. The Humor Doctor is prepared at the New England Botanic Depot, to the Proprietor, J. C. FRENCH.

Sold by Medicine Dealers everywhere. DEMAS BARNES & CO., General Agents, New York. 4-24-6m
