This paper has the greatest amount of Original Matter that can be found in any country weekly. Religious, Scientific, Literary subjects and the current topics of the day are fully discussed in the Editorial Department. A faithful record of local matters is given ever week.

This department is conducted by one who spares no pains to collect news in regard to the events transpiring immediately around us. Upwards of two columns of Locals may be expected every week. We have been promised some valuable assistance by gentlemen of talent. Our list of contributors is rapidly increasing. We have frequent correspondence from the Federal army. Letters are published almost weekly from other parts of the country.

We have always stood up for the town and for old Antrim, and all we ask in return is a fair encouragement. No effort shall be spared to make our paper useful, instructive and entertaining.

Those of our friends who are competing for the premium inducements offered by us, would do well to hand in their list of names as early as possible. Even if a single name, we would prefer having it at once. Some are of the opinion that it is necessary to withhold their list until the end of the term. This is not so. Every subscriber sent to us is placed to the account of the procurer thereof, and the person who has procured for us the largest number of subscribers by the 4th of July, 1862, will be awarded the highest premium, etc.—Address, J.
