\$100 REWARD for a medicine that

Coughs, Influenza, Tickling in the Throat, Whooping Cough, or继ive Consumptive Cough, as quick as

COE'S COUGH BALSAM.

Over Five Thousand Bottles have been sold in its native town, and not a single instance of its failure is known.

We have, in our possession, any quantity of certificates, some of them from EMINENT PHYSICIANS, who have used it in their practice, and given it the preminence over any other compound.

It does not Dry up a Cough, but loosens it, so as to enable the patient to expectorate freely. Two or three doses will invariably cure Tickling in the Throat. A half bottle has often completely cured the most stubborn cough, and yet, though it is so sure and speedy in its operation, it is perfectly harmless, being purely vegetable. It is very agreeable to the taste, and may be administered to children of any age. In cases of COUGH we will guarantee a cure, if taken in season.

No family should be without It.

It is within the reach of all, the price being only 25 Cents. And if an investment and thorough trial does not "back up" the above statement, the money will be refunded. We say this knowing its merits, and feel confident that one trial will secure it a home in every household.

Do not waste away with Coughing when so small an investment will cure you. It may be had of any respectable Druggist in town, who will furnish you with a circular of genuine certificates of cures it has made.

THE GREAT AMERICAN TEA COMPANY,

51 Vesey Street, New York;

Since its organization, has created a new era in the history of Tea.

Wholesaling Teas in this Country.

They have introduced their selections of Teas, and are selling them at not over Two Cents (.02 Cents) per pound above Cost, never deviating from the ONE PRICE asked.

Another peculiarity of the company is that their TEA TASTER not only devotes his time to the selection of their Teas as to quality, value, and particular styles for particular localities of country, but he helps the Tea buyer to choose out of their enormous stock such TEAS as are best adapted to his peculiar wants, and not only this, but points out to him the best bargain. It is easy to see the inestimable advantage a TEA BUYER has in this establishment over all others. If he is no judge of Tea, or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business of an immense capital, of the judgment of a professional Tea Taster, and the knowledge of superior salesmen.

This enables all Tea buyers--no matter if they are thousands of miles from this market--to purchase on as good terms here as the New York merchants.

Parties can order Teas and will be served by us as well as though they came themselves, being sure to get original packages, true weights and tares; and the Teas are warranted as represented.

We issue a Price List of the Company's Teas, which will be sent to all who order it: comprising Hyson, Young Hyson, Imperial, Gunpowder, Twankay and Skin.

Oolong, Souchong, Orange and Hyson Pekoe, Japan Tea of every description, colored and uncolored.

This list has each kind of Tea divided into Four Classes, namely: CARGO, high CARGO, FINE, FINEST, that every one may understand from description and the price annexed that the Company are determined to undersell the whole Tea trade.

We guarantee to sell all our Teas at not over TWO CENTS (.02 Cents) per pound above cost, leaving this to be attractive to the many who have heretofore been paying Enormous Profits.

Physiological View of Marriage.

250 PAGES and 130 ENGRAVINGS

Price only twenty-five cents. Sent free of postage to all parts of the Union. On the infirmities of youth and maturity, disclosing the secret follies of both sexes of all ages, causing debility, nervousness, depression of spirits, palpitation of the heart, suicidal imaginings, involuntary emissions, blushings, defective memory, indigestion and lassitude, with confessions of ill-disguised interest of a Bon-dancing School Miss, a College Student, and a Young Married Lady, &c. &c. It is a truthful adviser to the married and those contemplating marriage, who entertain secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness and privacies to which every human being is entitled.

YOUNG MEN who are troubled with weakness generally caused by a bad habit in youth the effects of which are dizziness, pains, forgetfulness, sometimes a ringing in the ears, weak eyes, weakness of the back and lower extremities, confusion of ideas, loss of memory, with malancholy, may be cured by the author's NEW PARIS AND LONDON TREATISE.

We have, recently devoted much of our time in

VISITING THE EUROPEAN HOSPITALS, avail-

ourselves of the knowledge and researches of the most skilled physicians and surgeons in Europe and the continent. Those who place themselves under our care will have the full benefit of the many NEW AND EFFICACIOUS REMEDIES which we are enabled to introduce into our practice, and the Secrecy and attention being paid to their cases, which has so successfully distinguished us heretofore, as a Physician in our Peculiar department of Professional Practice: for the past twenty-five years.

French Female Pills.—Ladies who wish for Medi-

cines, the efficacy of which has been tested in thou-

sands of cases, and never failed to effect speedy

cures without any bad results, will use none but Dr.

McLane's Female Periodical Pills. The only pre-

caution necessary to be observed is, ladies should

not take them if they have reason to believe they

are in certain situations (the particulars of which will

be found in the wrapper accompanying each box),

though always safe and healthy, so gentle, yet so effi-

cacious as they are.
