The West lateness France and disserves—Less may American who is a friend to his coencry and speaks in appreciation on a significant who is a friend to his coencry and speaks in appreciation significant who is a friend to his coencry and what hat nation in 1830. It was then that a gold model was voted by the Sante and that a gold model was voted by the Sante and that a gold model was voted by the Sante and that a gold model was voted by the Sante and that a gold model was voted by the Sante and that a gold model was voted by the Sante and that the loss of that promising officer is a subject of national regret.

Appeared by John Adams. President of the Usites States, Jely 18th, 1800 the Latestand of the U.S. a chooser. Papeared to the sante of the Sante, and the same hight fell in with the French Schooner Dears Ante's of Sante, and the same hight fell in with the Erenth Schooner Dears Ante's of Sante, and the same hight fell in with the Erenth Schooner Dears Ante's of Sante, and the same high the Layermont discovered two vessels, one a Drig of war, the other attree-mixed Schooner, both standing for her under a press of sail, and simplying English colors, the Experiment love so, and the British colors, the Experiment loves by, and the British colors, the Experiment how solling to be postable by the Experiment they as a standing for her about two hours, when finding to be postable by the Experiment they allowed the product of the bank of the list was moved that the

gun shot, that signal was healed down, and the Experiment stood away with all sail set. A chase was commenced by the energy, and continued for about two hours, when finding to be putsailed by the Experiment, they religioushed the pursuit, and hors away under easy stil, firing a gun to windward, and hoisted French colors.

Lieuteniat Stewart now missouvered his schooner so as to bring her for the enemy's wake to windward, when a chase was made on his part, which continued the whole day, before the wind, each was defended to wind a chooner at hight, the Experiment closed with the three-massed schooner, with the sternmont of o'clock at pight, the Experiment closed with the three-masted scholorer, with the sternmost of the hostile vessels, and having taken a position on her largosyd quarter, opened a fire upon her trom the treat "guns and stall arms, which is five minutes compelled her to strike; this was infined tales taken possession of, and proved to be the French schooner of was Dieses of 14 grass and 65 men, commanded by Al. Peraudean, Lientannal of the vessel. The detention occasioned by resporting the prisoners, consided this brig of

anal so uses, communes of mine testucation of the vessel. The detention occasioned by removing the prisoners combied the brigg of war to occase. She mounted, as it was afterwards learned, sixteen gunt, and had a crew of 120 uses. The Experiment proceeded to St. Cristopher with her prize.

Soon afterwards he put uses, and on the 16th Nov. during the night tell in with an armed schoolers also closed, attached, and captured her, the provide to be the Louise Bridger of Bermuda, having 8 sine pounders and a stout grow of Bermudans, principally negres; whe was much cut up and in a sinking condition, the Experiment having given every sequilite sid, to her British opponents whom she had mistaken for an enemy, dismissed her and returned to her station to windward of Marggiant and Giandeloupe, for the purpose of intercepting the french Privatoers and

pose of intercepting the French Privators and their prizes.

On the 14th Dec. she fell in with the privateer On the 14th Dec. she fell in with the privateer Elawhelu, of 16gguna and 90 men with a prize bring steering for Marggalante, the breeze being light, and the enemy to windward, it was late in the afternoon before these was any prospect of closing with her, notwithstanding all the exertions of the Experiment. The Flawheau escaped on short, but her prize was retaken, the versel proved to be the Zebra of Bultimore, laden with float. During the remainder of this cruize, the Experiment recaptured saverell American wessels. mour, morang me remainded of this croze, the Experiment recaptured a coral American vessels sometimes as many as two or three in a day, and thus rescued American property to a considera Exper

15 the enumeration of the above facts, I do not wish it to be understood; that it be my wish that a war between facts, and our country should break out, but that, in give of such an event, we are appeared to sheet in action; we cought is admit that the English pays is far autorist to that of France, boldin will and in numbers, and yet we have just their with success; we have heard of their estragators not only in event betalise in inferior except, as well in single country of Com Bainbridge, on the Stillent victory of Com Bainbr ven their enemies to acknowledge their superi-

Canal Commissioners. The bill to change the time of appointing these offi-cers this day passed the Senate, on a se-

cond and third reading.

The Convention bill is also before the

States for the names of all members of Cougress and public officers who had spalied to the identification for logics, or who stand indebted on its books. This motion, said Mr. Adams, I resisted with all my power, on the ground that we were not sent to the back in, investigate the private affairs of private gentlemen. But, sir, my efforts were vain; the consultee outvoted me, and the list was obtained. But, sir, when we came to examine it was found in the state affair. it was found to be a ties edged Sword. It cont was found to be a the eager a status, the trained the names, of members of congress and of gentlemen high in office—if cut, sir, to the right and the left, on both sides of the house, and the committee thought it was not best to publish it. is it related to the private affairs of private gen-tlemen. I did then, sir, argo with as much zeal as I had employed to oppose the original proposition, that the list of the "doomed men" should be furnished the house and the country; but I was not voted by the committee. Well, sir, what was not voted by the committee? Well, sir, what then? Why, sir, on my return to this city, and this house, I made a report on my own responsibility for the minority of the committee, and to it, I did append that very list of members of congress and of gentlemen high-in office, who are indebted to the bank or had applied for loans; but that, sir, was a two edged sword, it ent to the right and to the left, on both sides of the house, and was not permitted to go to the country for it

we understand, took place on the canal near Potts. grove, during a scuffle for the right of precedence through the locks. The decreased lingered a few days and died, while the defendant porsued his course. The sffair will be tried at the Court of Over and Terminer for this county, an February

If France and Eugland can make the neces ry arrangements, a war with Russia will take place, and the designs of Russia on Turkey will be promptly checked. It is an alliance not au-ticipated by the Emporer Niciolas, but it may be brought about. Hence any probability of any repture with the U. States. England must rein in Russis, or there will be eventually many difficulties in the English possessions in India.—N.

Hurrah for our Side.—The editor of the New Orleans True American thus ex-

The United States afraid of France! Pahaw! The United States can stand against the combined world.

An English Earl at a ball at Portsmouth, was struck with the appearance of a lady-was introduced and enchanted in a breath-nude love during the country dance, and on office during sup-per.—"I should have been very happy," and the lady, "but I have seven deadly reasons against so saying, she beckoned a gentleman near; This is my husband, Captain Coffin, and the futher of my six little Coffins."-Boston Post.

The Rev. Mr. HAMILTON has been dismissed from the pastoral charge of a church in Gloucester, (Mass.) on the ground of interference in-politics, & suffering himself to be a candidate for representative, at the late election in that State.

CHANCE.

"Tis priesteraft all," the impious atheist cries. "The world was made by chance—the Bible lies!" Tis useless such assertion to repel; But what if chance has also made a hell?

Motto Extra. The Methuen Falls Gazetje has this motto over the head of its editorial columns: Wo'll gaily chase dull care away,

And banish levery sorrow,— SUBSCRIBERS pay your debis to-day, And we'll pay ours to morrow!

MARRIED.
