The residents of Center street are up in arms at the conduct of a couple of families in that part of the town. Yesterday afternoon these parties again "showed light," and for several hours the air was blue with their profanity and vulgarity, two fights being on the program. Something ought to be done to stop these carousals as the morals, not only of the street, but of all that section of the town, are seriously threatened.

That Road Is Coming

Hon. Mial Lilley, representing the Athens, Sayre & South Waverly Trolley company, assured the council at their meeting last night that all the company was waiting for was the franchises, and as soon as they were granted operations would begin.
