BRAVE PLAGUE ALONE

President Decides to Visit New Orleans.

WILL RETURN BY SEA ON CRUISER

No Cabinet Member Will Make Trip. Party to South Will Disband at Little Rock—Talk on Rate Legislation.

WASHINGTON, Oct. 3.—The president has determined to brave yellow fever and go to New Orleans.

It is officially announced that he will leave here Oct. 18, go to various southern points and reach the Louisiana metropolis on the 29th. He will spend a day there and will then take a cruiser of the Colorado type and return to Washington, arriving here on Oct. 30. He will thus avoid any infringement of the quarantine laws of the southern states.

No cabinet member will make the trip, nor will Mrs. Roosevelt accompany her husband. The official party will disband at Little Rock, and only Secretary Loeb will go with the president to the Gulf.

Mr. Roosevelt has started work and passed a busy time seeing many callers and considering multitudinous details.

The president and Senator Foraker talked on rate legislation briefly, and there was good natured but rather spicy collision on the subject of the senator's Ohio speech. The chief executive made it clear that he dissented from Mr. Foraker's utterances and did not see the difficulties in rate legislation which Mr. Foraker had emphasized.

Scores of congratulations on the success of the peace conference were received, and the president talked over the conference with some of his callers. An Ohio delegation, headed by Senators Dick and Foraker, wanted the president to attend the dedication of an equestrian statue of General Sheridan at Somerset, Sheridan's old home, but Mr. Roosevelt had to decline. Secretary Taft and General Chaffee will be invited.

Among other callers were Secretary Hitchcock and Senators Heinway, Burkett and Fulton. Burkett of Nebraska also talked over railroad rate matters with the president at length. He said the president held the same opinion as of old on that subject. Mayor Behrman of New Orleans says that the arrangements for the reception of the president will be pushed with enthusiasm and that he felt confident that the president would find himself as safe in New Orleans on Oct. 29 as if he were then in his own home.

If he desires to do so during his brief stay the president will be permitted to visit the Emergency hospital, which Dr. White and his associates of the marine hospital service regard as perhaps the place in the city most certainly proof against the danger of infection.

It is expected that when he comes the president will desire to visit Dr. White and learn from him personally something about the struggle that has been so successfully carried on, and Dr. White will take that opportunity to extend an invitation to the president to visit the hospital.

Five New Cases at Pensacola. PENSACOLA, Fla., Oct. 3.—Five new cases of fever are reported here and one death. Bergh Did Not Know. WASHINGTON, Oct. 3.—Robert S. Bergh, American consul at Gothenberg, Sweden, who was recently called upon by the state department to explain published charges that he had been guilty of disrespect to the king of Sweden in failing to hoist the flag over the consulate at the recent visit of King Oscar to Gothenberg, has satisfactorily explained the episode. Mr. Bergh said that he was quite unaware of the presence of King Oscar in Gothenberg until he had left the city.

CINCINNATI, O., Oct. 3.—Certificates of deposit, notes and securities apparently belonging to some person in Brandon or Evansville, Minn., and valued at considerably over \$50,000 were picked up on the street here by Raymond Schlie, aged fifteen years. The securities were turned over to the Western German bank, and the officials are trying to find the owner.

Former Mexican Governor Dead. EL PASO, Tex., Oct. 3.—Dr. Mariano Ramaniego of Chihuahua is dead here. He was twice governor of the state of Chihuahua, Mexico, and was a general in the Mexican army in the war against Maximilian. At the time of his death he was a member of the Chihuahua legislature.

DESERVED LIFE SENTENCE.

Scathing Words From Judge to Carlton, the Bigamist.

NEW YORK, Oct. 3.—There was a dramatic scene in Judge Aspinall's court, Brooklyn, when Frederic E. Carlton was sentenced to nineteen years in Sing Sing prison.

Carlton appeared unmoved. His lawyer made a strong plea for clemency declaring that the prisoner was suffering from diabetes and that his four trials were rushed through in one day a thing heretofore unknown. "A long sentence," he said, "will mean a life sentence."

District Attorney Clarke then gave a history of Carlton's marriages and said he had tried to murder Schwab. Judge Aspinall in passing sentence mentioned the disappearance of two of the prisoner's wives, on whose lives he had collected \$5,000 in insurance.

"These women," said the judge, "were either done away with or left to the cold mercies of the world. If I were able I would send this man to the electric chair. I believe he gave strychnine to Schwab, the victim whom he robbed, and am convinced that only the latter's strong constitution saved him."

Turning to Carlton, the judge said: "You are a villain and it would be a good thing for you to go to prison and die there. I don't care whether you have diabetes or what you have. The community should be protected against you."

"On the first indictment of bigamy for marrying Marie Gorman I suspend sentence in order to give you the full limit on the other three indictments."

"On the second, for marrying Mary T. Smith, five years in Sing Sing."

"On the third, for grand larceny, ten years in Sing Sing."

"On the fourth, for marrying Lulu Kittinger, four years in Sing Sing. My only regret is that I cannot make it twenty-five years."

Speaking to an officer, the judge then said: "Take him away."

Victory For Higgins in Connecticut. NEW HAVEN, Conn., Oct. 3.—The little town elections in Connecticut were greatly complicated by the entire state voting on the question of adoption of two constitutional amendments and of the electors in the Third congressional district choosing a successor to Frank B. Brandegee, who in May last was elected United States senator by the general assembly. In the latter instance Edwin W. Higgins, a lawyer of Norwich, Republican, was elected to congress over Charles F. Thayer, mayor of the same city, who had the Democratic nomination, the majority, with a few towns missing, being about 1,800.

Negroes Start Auto Car Line. NASHVILLE, Tenn., Oct. 3.—The Union Transportation company has been organized by the negroes of Nashville and will put in operation today five automobiles for the purpose of transporting negro passengers to various parts of this city. Some of the leading negroes of Nashville are interested in the venture and claim to have ample capital. Ever since the "Jim Crow" street car law went into effect the colored population has been greatly dissatisfied and negro travel in cars has greatly decreased.

"The Crossing" at Cleveland. CLEVELAND, O., Oct. 3.—Winston Churchill's "The Crossing" made its play by Winston Churchill and Louis Evan Shipman, was produced for the first time upon any stage at the Euclid Avenue Opera House here last night. The most fashionable audience that has filled the theater in many years was on hand to give the play a good send-off, and the piece scored an immense success. Mr. Blair, Miss Bert, Miss Houk, Mr. Lawrence and others of the company made individual hits.

Three Hundred Were Dismissed. DAYTON, O., Oct. 3.—Three hundred employees of the National Cash Register company were dismissed here. Following the decision to refuse the demands of the Typographical union for an eight hour day in the printing department, the company ordered all employees to report in the assembly hall a few hours before closing time to listen to addresses by the company officials on the labor situation. The men discharged are those who failed to attend the meeting.

CARACAS, Venezuela, Oct. 3.—The Venezuelan authorities have received information from the officials of the French Cable company that, pending the arrival here of its commissioners, the company consented to the closing of its Caracas and coast offices and to the other arrangements made by the government. ROBBED TO WIN BET

Leonard, Who Stole \$359,080, Makes Unique Confession.

HIS GIRL BELIEVES HIM INNOCENT

Obtained Securities With Forged Check and Mailed Them to Owner to Show How Easy Wall Street Could Be Fooled.

NEW YORK, Oct. 3.—Henry Leonard, twenty-four years old, a ten dollar a week messenger for Halle & Steiglitz, brokers, of 30 Broad street, is the man who robbed the National City bank of \$359,080 in securities belonging to Pearl & Co., bankers and brokers, on Wednesday last.

Leonard lives at 586 East One Hundred and Thirty-sixth street. He looks younger than he really is and is the last person one would suspect of engineering the scheme to which he confessed.

He was held by Magistrate Pool in \$50,000 bail for examination and taken back to headquarters. On going out he said to a questioner, "I did it on a bet."

One of the strangest parts of the young man's story told to the police was his assertion that he had committed the theft just to show how easy it was to fool the National City bank clerks.

Both Captain McCauley and Albert Steiglitz believe that he got the securities for the one and only purpose of showing how easy it was to accomplish such things in Wall street.

Park Commissioner Henry C. Schrader of the Bronx last evening came to the defense of Henry Leonard, the young Wall street clerk who has confessed to the theft of \$359,080 of securities from the National City bank. Leonard has been paying attention to Mr. Schrader's daughter, Lulu.

Commissioner Schrader when asked about the case said: "There is no engagement between Leonard and my daughter Lulu as far as I know, but he called her frequently. I believe he is thoroughly honest and will aid him in any way I can. I do not believe that he did this thing with the least thought of dishonesty."

Miss Schrader was very positive of Leonard's innocence of any criminal intent in obtaining the securities.

Father Sent Poisoned Candy. DAVENPORT, Ia., Oct. 3.—George Fouk, aged five, and Mammie, aged eight, were poisoned at Davenport's Soldiers' home by candy which, it is claimed, was sent to them by their father, Jonathan Fouk of Marion, Ia. The candy was received with other presents from their father, and when the two young children ate it they became very ill. The boy almost died before medical aid could be given him. Half a dozen other children who ate of the candy became ill.

Mrs. Loeb Seriously Ill. WASHINGTON, Oct. 3.—Secretary McCall of the department of commerce and labor, who has been ill with an affection of the stomach, is reported somewhat improved. Senator Heyburn of Idaho, who has been ill for some days, continues to improve. The condition of Mrs. Loeb, the wife of the secretary to the president, remains unchanged. She is still seriously ill.

Olenstead made a confession in which he disclosed the location of the counterfeiters' headquarters under the Ohio river bank below Central City. A quantity of metal for making the bogus coins and several molds were found.

Printers Strike at Minneapolis. MINNEAPOLIS, Minn., Oct. 3.—Following the strike at St. Paul, a printers' strike is on here. BURGOMASTER AT BELMONT.

Whitney Colt, 1 to 29 Favorite, Captured Half of Matron Stakes.

NEW YORK, Oct. 3.—H. P. Whitney's Burgomaster, favorite at the prohibitive price of 1 to 20, easily won the colts' half of the Matron stakes at Belmont park. Penrhyn was second and Belleaux, stable companion of Burgomaster, was third. The time, 1:12 1/5 for six furlongs straight, equals the track record. The Whitney entry so overwhelmingly outdistanced the two-year-olds against them that it was a foregone conclusion before the race that the stable would win. Burgomaster, carrying top weight of 124 pounds, took the lead at the start and making all the pace won by two and a half lengths.

Mr. Whitney scored his second victory in the third race, the Matron stakes for fillies, when Perverse, the 4 to 5 favorite, won, making a new track record for six furlongs by stepping the distance in 1:11 4/5. Early and Offen made the race for about five furlongs, when Lyne sent Perverse to the front and won in a drive by one length from Early and Offen, who in turn was six lengths before Duenna.

Belouin, the split favorite with Von Tromp in the Jerome handicap at one mile and five sixteenths, created a new world's record for the distance when he came home a winner in 2:10 3/5, which is two and two-fifths seconds faster than the best previous record, made by Otrich last year at Morris park under ninety-three pounds. Belouin carried 111 pounds. Only three horses started in the handicap, with Belouin and Von Tromp both at 11 to 10, while St. Bellane was backed down from 15 to 1 to 7. Belouin and Von Tromp ran head and head for half a mile, when W. Fisher sent St. Bellane up on the rail and was soon in front. Shaw on Belouin pulled back and allowed St. Bellane to make the pace to the stretch, where under a hand rule he sent Belouin into the lead and won easily by two lengths. St. Bellane was eight lengths in front of Von Tromp. Summaries:

TAFT'S RECORD TRIP

Secretary of War and Tourist Party at Capital.

FILIPINOS MAKE ABLE LEGISLATORS

American Consular Service in Orient Needs Most Improvement—Better Pay and Proper Equipment Advocated.

WASHINGTON, Oct. 3.—After an absence of more than three months Secretary of War Taft has returned to Washington, establishing on the home-ward trip a record from Yokohama to Washington of fourteen days and arriving two days ahead of scheduled time.

Of the original members of the congressional party only one, Senator Foster of Louisiana, returned to Washington with the secretary. The other members went home by different routes or stopped on the way across the continent, and only Colonel Clarence Edwards and several members of his immediate party arrived with him.

At the station to meet Secretary Taft were General Bates, the acting chief of staff; General Oliver, acting secretary of war; Mr. Crowell of New York, the chief fiscal agent of the isthmian canal commission, and other officials. Secretary Taft appeared to be hearty and vigorous and cordially greeted those who met him. He made a quick trip to his home and then proceeded to the war department. There he expressed gratification that the long journey was over and that it had been accomplished without mishap to any of the party.

In discussing briefly his trip the secretary said that the natives of the Philippines have reached the point where they can participate in legislation with profit to themselves and that it will be a good education for them. There are, he added, a sufficient number well qualified to compose one branch of the legislative body.

Speaking of the consular service in China, he said he had made no statement since reaching this country which he meant to be construed as a reflection upon the personnel of the consular service and declared that if any such impression had been created he desired that it be corrected. The American consuls, he explained, are poorly paid, inadequately equipped with clerical help and occupy buildings not in keeping with the dignity of the country they represent.

One European country, he stated, had ten times as many men in their consular service in Shanghai as the Americans. It is a wonder, he added, that this country is able to secure such able and capable men as it has in the consular service in the orient, men who are working hard and conscientiously when they are paid such low salaries.

He pointed out that an ambassador received but \$17,500, where it costs him \$25,000 to live. Mr. Taft said provision should be made for better pay of officers in the consular service.

Secretary Taft dined with President and Mrs. Roosevelt at the White House last night. The secretary spent the evening there and detailed to the president the results of the party's tour of the Philippines and the orient.

Secretary Root also dined at the White House last night, as did also several of the president's friends, including Commissioner of Corporations Gardner.

Must Catch Him First. HOUSTON, Tex., Oct. 3.—Plans have been completed to burn Monk Gibson who murdered Mrs. Condit, on the public square of Edna. Bentley, brother of Mrs. Condit, the murdered woman, stated that it was the request of his father and mother that the man be pleased with not to turn the negro until they arrived, and they wanted all the citizens of Edna and Jackson county to be accorded the privilege of seeing it.

Secretary Shaw at Richmond, Va. RICHMOND, Va., Oct. 3.—Secretary of the Treasury Shaw in a speech at a Republican mass meeting in the Academy of Music in this city last night discussed tariff issues, declared that all that the party claims for any tariff law is that its principle is perfect, that it will be amended in due time, but that the principle will never be amended under a Republican administration. L. L. Lewis, the Republican nominee for governor, presided at the meeting.

Gift From the German Emperor. WASHINGTON, Oct. 3.—Captain Hebbinghaus, naval attaché of the German embassy, called by appointment at the White House and presented to the president a valuable collection of engravings illustrative of the life of Frederick the Great, the gift of the German emperor.
