TAFT TO RUN CANAL

Secretary of War Will Inspect Panama Situation.

WILL THEN REPORT TO CONGRESS.

Considered In View of Bond Issue to Pay For Work on lathmian Waterway.

WASHINGTON, Oct. 7.- The management of the isthmian canal affairs will remain under Secretary Taft, who will go to Panama in November to in vestigate the situation there and thor oughly inform himself of the conditions in the canal zone.

The decision to keep the control of the canal in the war department in stead of transferring to the state de partment was definitely reached in discussion that followed the cabine meeting. Now that the work is to pro ceed under his direction, Secretary Taft will proceed to Panama, go over the situation in detail and return to Washington about the time congress

The secretary has had conflicting re ports regarding the progress of the work, the sanitation, the facilities for the officials and laborers, and he desires to have personal knowledge which will enable him to decide what should be done and what recommendations shall be made to congress.

The secretary of war will take up the subject of the canal finances and decide as to what recommendations should be made to congress respecting the issue of bonds which have been provided for by congress. Secretary Taft will give every feature of the canal administration his careful personal
