Frantz-Gleason

Waverly—St. Johns church in South Waverly was the scene Wednesday evening of a pretty wedding ceremony in which Miss Alice Gleason became the bride of George A. Frantz of South Pennsylvania avenue. Father E. J. O'Reilly officiated, and the church was filled with friends of the families of the contracting parties. Both bride and groom are well known young people and very popular among their acquaintances.

Following the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. Wm. Gleason of Fulton street. Dainty refreshments were served. Mr. and Mrs. Frantz left for a wedding trip, after which they will make their home in Waverly.

Attends Nixon Funeral

Waverly—Assemblyman Edwin S. Hanford left on Erie train No. 1 yesterday afternoon for Westfield, N. Y., the home of the late Speaker Fred Nixon, where he will attend the funeral of this well known New York state politician. Assemblyman Hanford was an especial friend of the speaker of the Assembly. A special train from New York was run over the lines of the Central, carrying a large number from the metropolis and from Albany to attend the funeral.

N. P. L. Directors Meet

Waverly—The National Board of directors of the N. P. L. are holding a quarterly meeting in the home offices in the temple. Routine business of the usual nature is being transacted, the affairs of the order again showing substantial gains.

A late session was held last evening in order to allow some of the directors to attend the funeral of Speaker Nixon today at Westfield.

Pleasing Play

Waverly—Maud Hillman and her well chosen company succeeded in drawing out a good audience to the Loomis opera house last night. The pretty play, "Home, Sweet Home," pleased those who saw it. The company will play again tonight and tomorrow night.

Rousing Camp Fire
Waverly—The company of veterans of the Civil war, their wives and friends, which gathered at the Tenth New York cavalry camp fire last evening filled G. A. R. hall, and a most entertaining program was enjoyed by all. The camp fire was presided over by Col. Benjamin Bonnell, president of the association.

The Haydn quartette of male voices, rendered "Tenting on the Old Camp Ground," and among the speakers were Judge Dawson of the Sayre Times, who, it developed, is a veteran of varied experience and fought the Red Skins in California. The president of the meeting also called upon Postmaster Genung, who did homage to the boys in blue. Comrade Barnum of W. C. Hull Post, who during the war commanded colored troops, spoke of the loyalty of his native Bradford county, Pa., which, according to statistics, supplied a soldier for every nine inhabitants.

Another interesting speaker was Secretary Tudor of the Association, also a Pennsylvanian, who has served in the Assembly of that state. He was particularly eloquent and referred to the number of veterans who have been promoted in the government service to positions of trust and responsibility without betraying the trust, in this age of official corruption, he spoke in praise of the chief executive and the sturdy fight he is making for political and civil purity.

As the hour was late President Bonnell, in a few well timed remarks, closed the meeting, all joining in the singing of America.

What Veterans are Doing

Waverly—The main events of today's program in the three days reunion of the Tenth New York Cavalry will be the business meeting this afternoon at which officers for the ensuing year will be elected and the next meeting place decided upon; also to night, in G. A. R. hall will be enjoyed the reunion banquet, served by the ladies' aid society of Waverly camp No. 88, Sons of Veterans.

Members of the old Tenth have come all the way from Michigan and Massachusetts to be present at this reunion and the "boys" are as full of life apparently as they were forty years ago.

Two Views of a Girl in Haddam
A girl in Haddam went to a baseball game and surprised her escort by her knowledge of the game, says the Haddam (Kan.) Clipper. The young man had ventured to say: "Baseball reminds me of the household—the plate, the batter, the foul and the fly." "And it reminds me of marriage," she added. "First, the diamond, where they are engaged, the struggle and the hits, when the men go out, and finally the difficulty they have in getting home."

He Ought to Know.
Wyle—Why, you don't know what hard work is.
Mack—I don't, eh? Did you ever try to win an heiress?—Judge.

Five Philadelphia Politicians Under Arrest.

ACCUSED OF CONSPIRACY AND FRAUD

Former Director of Public Safety Under Mayor Ashbridge, Abraham L. English, and Four Others Held For Hearing.

PHILADELPHIA, Oct. 13.—The administration of Former Mayor Samuel H. Ashbridge was brought into the local political turmoil here when warrants were sworn out for the arrest of Abraham L. English, who was director of public safety during the term of Mayor Ashbridge, and four others charging them with conspiracy to cheat and defraud the city in connection with the execution and carrying out of a contract for the erection of a smallpox hospital which is one of a group of buildings forming the new municipal hospital.

The other accused men are John W. Henderson and Henry E. Baton of the contracting firm of Henderson & Co., Philip Johnson, a former city architect and brother-in-law of Israel V. Durban, leader of the local Republican organization, and James D. Finley, a cousin of Durban's and a former inspector at the new municipal hospital. Henderson, Baton and Finley entered bail in \$5,000. Former Director English and Architect Johnson were out of the city, but friends of the latter entered bail for his appearance. Close friends of English said he will also appear at the hearing.

The warrants were sworn out at the instance of Mayor Weaver and are based on the results of an investigation covering a period of several weeks. The investigation was made by W. Bledlyn Powell, city architect, assisted by several other experts. No one identified with the prosecution will make a statement relative to the manner in which the city is alleged to have been defrauded. The warrants implicate "others to the deponent, now unknown," and there is much speculation as to the identity of the unknown men.

The contract for the smallpox hospital was awarded to the Henderson firm by Director English in 1903, the firm's bid being \$142,700. The building was completed a year ago. Architect Johnson had a contract with the city and entered a commission of 5 per cent on the cost of the hospital.

In connection with the arrests James Gay Gordon, private counsel for Mayor Weaver, requested that in the absence of District Attorney John C. Bell, who recently broke his leg in an elevator accident, the first and second assistant district attorneys appear at the hearing today, but they declined. They asked Mr. Gordon in case the accused are held for court to assist them in preparing the cases for trial.

Asked Forgiveness For Her Slayer.

WILMINGTON, N. C., Oct. 13.—Because he believed that she was responsible for domestic troubles between himself and his wife, leading to their separation several months ago, Thomas A. McCraw, aged forty-five, an upholsterer and harness maker, his mind inflamed by liquor, went to the family home in this city and shot and killed his mother-in-law, Mrs. Mary E. Wright, while she was preparing dinner. The woman fell back in the arms of her daughter, Mrs. McCraw, and died half an hour later, pleading that her son-in-law be not hanged for the sake of his three little children. McCraw was arrested at the scene of the tragedy a few minutes later with the revolver in his hands.

Good Reason For Divorce.

MARSHALLTOWN, Ia., Oct. 13.—Because, as the plaintiff alleges, her husband has not bathed for twenty-two years and, it is said, brags of the fact Mrs. Phoebe Naumann, wife of a farmer, filed a petition for divorce. She asks the custody of seven minor children and \$8,000 alimony, or one-third of the defendant's property.

John D. Rockefeller at New York.
NEW YORK, Oct. 13.—John D. Rockefeller, Mrs. Rockefeller and Miss Spellman, her sister, have arrived here in their private car, attached to the Cleveland and New York special over the Lake Shore road. They will spend the winter in New York. Mr. Rockefeller and his family went to Cleveland on June 17 for the summer.
