"The relations between Britain France and the United States today are so close, their aims so similar, their territories and fields of operation so clearly defined and so different that these powers might properly unite in inviting other nations to consider the question of such a league as has been sketched. It is a subject well worthy the attention of their rulers, for all the modes of hastening the end of war this appears the easiest and the best. We have no reason to doubt that arbitration in its present optional form will atinue its rapid progress, and that in tself contains the elements required finally to lead us to peace, for it cou quers wherever it is tried, but it is one the less gratifying to know that there is in reserve a drastic mode of promptly banish war."

Hudson County Trolley Line.

NEW YORK, Oct. 17.-The Hudson Street Railway company was organ-zed here with an authorized capital of \$3,000,000 to build and operate street rallways in Hudson county, N. J., in connection with the tunnels now being built under the Hudson river. The offi-M. G. McAdoo, president; Andrew Freedman, vice president; K. B. Conger, secretary; William C. Kinney,

The prin- District of Columbia with George W. cess was placed in a sanitarium, Philip Beavers and others on the charge of and Mrs. Hugh Ti declaring her insane and obtaining a verdict from physicians to that effect. Prince Philip challenged Count Mattachich, and the two met in a riding scademy in Vienna in 1808. They exchanged four pistol shots, without effect, and then took swords. The prince was wounded in the first sally. The ailegation of forgery against the count was baseless, and he was finally vindicated and freed, but the princess was kept in strict confinement.

Count Mattachich never gave up his purpose of securing the release of the princess, and the opportunity came in August of last year. She was then confined in a private madhouse at Bad

Elster, in Saxony, With the aid of a devoted woman friend, Fraulein von Dabauer, Louise's lady of honor in happier days, who remained loyal to her throughout, Count Mattachich effected the release of the princess. They fled from Austria. The sanity of the princess was established. Then Philip at last determined upon a fivorce, and the princess filed a conn-
