**HOSPITAL CLASS
DAY EXERCISES**

Held in the Presbyterian Church Last Night and Were of An Appropriate Nature—Smoker Followed Given by Dr. C. H. Ott

Hospital Day was appropriately observed at the Presbyterian church last night at which time a graduating class of nurses, consisting of Misses Florence Wells, Mary Morrison, Ethel Bucknell, Jennie MacKenzie and Anna P. Avery received their diplomas, having completed the required course at Sayre's well and favorably known institution.

The exercises were well attended and nearly every seat in the church was filled. McGuffie's orchestra of Waverly furnished the music and the opening selection was followed with prayer by Rev. F. T. Cady. Dr. C. H. Ott, surgeon in chief, read the surgical statistics for the past year, and was followed by M. H. Sawtelle, treasurer of the board of trustees, who gave the financial report.

Dr. Charles P. Noble, of Philadelphia, surgeon in chief of the Kensington hospital for women, delivered the address to the graduating class. It was highly interesting and contained much valuable information as well as good advice.

Henry Streeter, Esq., of Towanda, president of the hospital board of trustees, presented the diplomas. His address was most appropriate and listened to with great attention.

Miss Emily McCreight, director of the training class, presented the class with medals and after a selection by the orchestra the exercises were concluded.

One of the pleasing features in connection with hospital day was the smoker given by Dr. C. H. Ott at his home immediately after the conclusion of the exercises at the church. Doctors to the number of fifty or more were present from Waverly, Sayre, Athens, Towanda, Wyalusing, Laceyville, Dushore, Rome and other places and a most delightful time was enjoyed by all present. There were no set speeches but the conversation of the evening was of a highly interesting nature and Dr. Ott was voted a royal host. During the evening a spread was served by Doctors Fish, Johnson, Spencer, Betowski, Andrews and Evans. The first four named physicians were formerly connected with the hospital staff of surgeons and the two latter are at the present time the senior and junior internes.

On the whole hospital day was most appropriately observed and will long be remembered by those who participated in the event.

"HUMAN HEARTS"

With all the hue and cry about the immorality of the stage, certain plays of the type of the Old Homestead, Shore Acres, Human Hearts, etc., continue to grow in popularity. Instead of receiving adverse criticisms from the pulpit, the management of this play continually receive letters from leading clergymen throughout the country praising it for its heart interest and the beautiful moral story it tells, making an evening well spent for all who see it. The old adage that "a good man should marry none but a good woman" was never more truly illustrated in fiction than in Human hearts. No dramatic author has ever given to the stage a more idyllic character than Tom Logan, a big, whole-souled son of the soil, one of "nature's own noblemen," who has fallen into the snare of a city adventuress and is only saved from ruin and destruction through the prayers of a loving mother, a little child, and the love a pure, innocent girl, the sweetheart of his boyhood days. At the Loomis Monday, October 30.

**THE BLACK DIAMOND
STOPPED SUDDENLY**

Decidedly Peculiar Accident Happened Yesterday to the Engine Drawing the Pride of the Lehigh.

A decidedly peculiar accident, and one which may never be satisfactorily explained, occurred to the engine which drew the westbound Black Diamond yesterday afternoon. The train left Pittston on schedule time and had just nicely attained a speed of about forty miles an hour when the wheels of the engine reversed and the train came to a stop within its own length. So sudden was the stop that the passengers were thrown violently from their seats, though none were seriously injured. An effort was made to start the engine but the big machine refused to move an inch. A careful inspection was made but the trouble was not found and it was necessary to get another engine to pull the disabled one to a siding. The train reached Sayre considerably over an hour late as a result of the mishap.

What caused the engine to so suddenly refuse to work is a mystery, as none of the train's crew seemed able to advance any reason therefor.

**WOODMEN PREPARING
TO INITIATE CANDIDATES**

Susquehanna Degree Team Will Do the Work, Which Will be Followed by a Feast

Sayre Camp, No. 11,300 Modern Woodmen of America, is making preparations for a banquet to follow the regular meeting of the order Saturday evening next, at which time the degree team of Susquehanna camp will be present to initiate twelve candidates. The degree team will be assisted by the state deputy, and all the officers of the Susquehanna camp will also be in attendance.

In connection with the festivities on Saturday evening it is quite likely that a camp of the Royal Neighbors of America, which is an auxiliary to the regular order, will be organized.

The Sayre Camp of Modern Woodmen was started only a short time ago and has already gained a large membership.

**TOWANDA YOUNG
MAN'S DEMISE**

Frederick N. Betts, Respected by All, Died Tuesday Morning After Long Illness

The death of Frederick N. Betts occurred at his home in Towanda yesterday morning after a long illness. For a number of years the deceased was an efficient clerk in the First National bank at Towanda where he gained a large circle of friends by his strict integrity and kindly treatment of all. Some years ago he became afflicted with eye trouble and had to give up his position in the bank. Recently a tumor developed at the base of the brain which resulted in his death.

Mr. Betts was a man of considerably more than ordinary intelligence. He was a thirty-second degree Mason and had held many offices in that organization. Besides his parents he is survived by four brothers, Dr. Edward Betts of Philadelphia, W. Kirk and Paul C. of Powanda, Noble of Chicago, and one sister, Miss Alice of Towanda.

GAME RESULTED IN A TIE

The game of foot ball between the Orioles of this place and the Towanda high school team, which was played on the latter's grounds at Towanda yesterday afternoon, resulted in a tie. The score stood 6 and 6 and it was a hard fought contest. Those who witnessed the contest say that it was a case of getting down to business from the first to the last.

**COUNTERFEIT COIN
SHOVERS ARRESTED**

Three Men Arrested at Moravia Yesterday Believed to Be Same Ones Who Operated in Sayre Some Weeks Ago.

Three men, two of whom are believed to be the same ones who circulated counterfeit coins in Sayre some weeks ago, were arrested in Moravia, N. Y., yesterday by secret service men in the employ of the government. The men were apprehended at a hotel in Moravia just as they were about to seat themselves at the dining table. There were four in the party but one of them made good his escape. He eluded the officers and it was believed that he had taken a south-bound Lehigh Valley train, coming in the direction of Sayre. The local police watched the trains but were unsuccessful in finding anyone answering the description of the man wanted.

Yesterday afternoon Chief Walsh received a telephone communication from the secret service men at Moravia in which the latter gave a complete description of the men under arrest and it corresponds exactly to the men who worked off several spurious coins here. The two men came to Sayre one morning and went to the Wilbur House, where they gave "Josh" White, the colored porter, a decidedly bad imitation of a silver quarter. Next the men went to the Utopian barber shop where they offered what purported to be a silver half dollar in payment for a shave. The proprietors of the shop, however, refused to take the piece and the men left. A day or two after their visit several bad coins came to the surface which eventually fell into the hands of Chief Walsh. The latter notified the government officials and a secret service man from Scranton was sent to Sayre and while here he obtained a good description of the men. Since then the officer has been on the trail of the men and it is now believed they have been rounded up.

NUPTIAL EVENTS

The marriage of Henry Geiss and Miss Winifred Lewis was solemnized at the parochial residence of the Catholic church, last night at 6 o'clock, the Rev. J. L. Shanley officiating. The groom is one of Sayre's well and favorably known young men while the bride is the estimable daughter of Mr. and Mrs. B. L. Lewis of this place. Mr. and Mrs. Geiss immediately left for New York on a short wedding trip.

Today at noon a quiet wedding took place at the home of Mr. and Mrs. J. W. Bishop, when the latter's sister, Miss Nan Wells was married to Mr. T. Alfred Wickham of Tioga, Pa., by the Rev. F. T. Cady. Only relatives were present, those from out of town being Mrs. E. H. Wells, Misses Lavina and Mary Wells, Mr. and Mrs. M. C. James and Miss Hahn of Meschoppen, Mr. and Mrs. Robert Laning of Towanda, Col. and Mrs. J. H. Horton and Mrs. G. R. Trowbridge of Buffalo, Mr. and Mrs. William Kennedy of Auburn, Mr. L. W. Wellington, Miss Wellington, Mr. and Mrs. B. W. Wellington of Corning, N. Y.
