## REFORM CRUSADE

### JUST COMMENCED

Result of Tuesday's Election Was the First Blow Towards Purifying Bradford County's Politics

Athens—How was it done? This is the question that came from all sides yesterday as the people began to realize that a popular verdict had been given at the polls and that Job Griffin had been elected sheriff of Bradford county without intrigue or assistance from corrupt politicians. Slowly as the conviction pressed itself upon the people there came an almost unanimous regret that an organized effort had not been made to defeat the whole ticket and end at one bold stroke the reign of bossism that has so long cursed the body politic of Bradford county.

As it is, we are assured that behind the blow there rests an avenging hand that is sure to assert itself and that the crusade of reform has but just commenced. When the proper time does come the power of the intelligent voter who has been sitting idly by the fireside on former elections, will be seen and felt and we will have a full vote at our elections.

Job Griffin was modestly sitting by his fireside at the farm all yesterday forenoon, showered with congratulations, which continued when he appeared on the streets of this village. The people can rest assured that he will fill the office by integrity and fidelity and to the best interest of the taxpayer.

### MIDSHIPMAN BRANCH'S DEATH.

All Participants Will Be Tried by Court Martial.

WASHINGTON, Nov. 9.—Secretary Bonaparte states that the recent occurrence at the Annapolis Naval academy resulting in the death of Midshipman Branch will be thoroughly investigated.

Admiral Sands, the superintendent at the naval academy, has telegraphed Secretary Bonaparte that Lieutenants Eitch and Noyes of the cadet battalion had been reduced to the ranks for participation in the unfortunate affair by which young Branch lost his life.

The department will undoubtedly recommend the trial by court martial not only of the survivor of the prize fight, but of the timekeeper and the referee, both cadet officers, and perhaps of the cadet officers who permitted the men to withdraw from the supper line last Sunday evening to engage in the fatal encounter. It was stated at the department that while the naval authorities have ample machinery for any action necessary they will not throw any obstacle in the way of an investigation which the local authorities might desire to make.

### Bonds Were Left in a Basket.

WASHINGTON, Nov. 9.—A suit has been instituted in the supreme court of the District of Columbia to determine the ownership of \$375,000 worth of bonds left by the late Caleb C. Willard. After Mr. Willard's death the bonds were found in a basket on which there was a tag saying they were the property of Willard's wife and daughter, to whom the executor declined to deliver the bonds. The suit filed is intended to compel such delivery.
