One Leg Shy

Athens—We noticed a number of Athens youths hopping on freight cars around the station evenings. We quote the following which these boys will consider: "Will hopped a freight car, Did it 'on the fly' Now he's always hopping, He is one leg shy." It is a serious matter, but boys will not learn until they are crippled for life.

Telephone Improvements

Athens—Taking into consideration the number of telegraph and telephone poles being transported by wagon every day from here we are of the opinion that Ridgebury and Smithfield townships are being girdled with lightning dispatchers and it will not be long before we can whisper in the ear of all the farmers in that region.

Athens Won

Athens—The foot ball game between A. H. S and Waverly Saturday drew out a large crowd. The game was hotly contested and resulted in a victory for Athens in a score of 23 to 0. The Waverly girls failed to capture the Athens colors.

Dedicatory Services

Athens—The dedicatory services at Odd Fellows' hall Thursday afternoon will be public. The evening meeting is for members of the order only, at which time the secret work of the 3rd degree will be exemplified.
