

**Rochester's
Finest Clothing**

We invite a careful inspection of our new line outside fabric, lining, and most important of all, the new concave shoulders and perfect fitting neck. The new cut shows the only front ever made that will not break. It fits right, stays right and we guarantee it to be right.

We can show you a lot more about our clothing that you will find in no other make; besides, it don't cost you any more than the ordinary kind. If you have never bought a Rochester Hand-Tailored Suit you've missed something. "Come in and see."

PERSONAL MENTION

Ernest Pierce of Towanda was in town last night on business.

Mrs. George Rice of Elmira is visiting her mother on Miller street.

M. W. Biesecker, of the Globe store, is in Scranton today transacting business and buying new winter goods.

Mrs. Harry Crossley of Sparta, Ill., is spending the winter with her parents, Mr. and Mrs. A. E. Winlack of South Elmer avenue.

Christopher Drake, a son of ex-Sheriff Homer B. Drake, is moving from Massachusetts to Sayre, where he has a position as foreman in the new shops.—Towanda Review.

D. F. Cullen of Miller street, general foreman for the J. G. White company, has finished work on the new reservoir for the Lehigh Valley and on Sunday went to Wilkes-Barre to accept a position with the same company.

**INTRICATE PROBLEM
CONFRONTS LEHIGH**

Unable to Transport Big Gap Riveter Recently Built at the Bethlehem Steel Works

The officials of the Lehigh Valley are confronted with a problem that will not only take time to solve but which will have a tendency to retard work in the boiler department of the new shops. Some time ago an order was placed with the Bethlehem steel works for what is known as a gap riveter. The machine weighs 95 tons and is capable of producing a hydraulic pressure of 150 tons to the square inch. The jaws of the huge machine are 17 1/2 feet in length and it is the custom to cast them in two pieces and then bolt them at the back end. By casting them in this manner they are able to stand the immense strain and are less liable to break. The riveter is now ready for shipment, but it appears that through an oversight the jaws have been cast in one solid piece, and it is said there are no cars in the country capable of carrying its minimum weight. Therefore the officials are up against it.

In the new shops a pit 25 feet square and 10 or 12 feet deep, over which to set the riveter, has been excavated, but from the way matters look now it will be some time before it will be put to this use. Whether the officials will arrange some way in which to ship the big machine to this place, or whether they will order a new one built is as yet unknown.

THE "WIZARD OF OZ"

Local play-goers are eagerly awaiting the coming of that most emphatic of modern successes, "The Wizard of Oz." No musical extravaganza of recent origin has so completely taken America by storm; to say it is a hit is putting it mildly. Scream after scream of laughter, round after round of applause, encore after encore, reward the work of the immense force of people engaged in this representation. Such scenery and such costumes as are disclosed in "The Wizard of Oz" are rarely seen even in these days of ultra elaborate productions. Such a bevy of pretty girls, who are visual delights each and every one, could only be congregated by a stage disciplinarian like Julian Mitchell. Such an amusing pair of four-footed favorites as the comical lion and the skittish cow could only have been secured by pillaging the foreign school of great European pantomimist.

HEAVY FREIGHT TRAFFIC

The Lehigh Valley is handling the largest amount of freight on all its divisions in the history of the road. The amount of freight passing through Sayre is enormous. On the lower divisions the coal crews are obliged to assist in hauling the freight, and it is not believed that conditions will become normal until after the holiday season.

KILLED AT OWEGO

Arthur Howe, a young man residing in Owego, was killed on the Erie tracks at that place yesterday afternoon. His body was frightfully mangled and it was with considerable difficulty that he was identified. Howe was struck by the Erie flyer, whose approach he failed to notice. The coroner will hold an inquest.

IMPORTANT MEETING

This evening an important meeting of Local Union 386, P. D. & P. of A. will be held and all the members are requested to be present as the delegate leaves to attend the general assembly before the next meeting. The trustees will also meet this evening at 7 o'clock sharp to audit all accounts. A. L. Strigere, R. S. and G.

**LARGE CROWD
IN ATTENDANCE**

Bazaar Given in the Church of The Epiphany Promises to be a Grand Success

The basement of the Church of the Epiphany was filled to overflowing last night it being the opening night of the bazaar given by the ladies of the parish. The Packer band rendered a delightful concert, supper was served to over 300 persons, the various booths were well patronized and the venture promises to be a most magnificent success. The bazaar will continue tonight and tomorrow night and those who attend are promised a most enjoyable time. Supper is served from 6 until 8:30 o'clock and it would be hard to find a more pleasant place to spend an evening.

LAST NIGHT'S SHOW

The Garside Stock Company opened a week's engagement at the Loomis last night, presenting "Won by a Struggle," a four act melodrama. The house was crowded to its capacity and the large audience was well pleased. Several high class specialties were introduced, including the Esterbooks, a musical trio, and Woodford's educated animals, dogs, ponies and monkeys. The Esterbooks are exceedingly clever, while the trained animals do some wonderfully clever tricks. The trained monkey is without doubt the best that has ever been seen in this section. The company as a whole give an evening of pleasing entertainment and crowded houses should greet them all the week.

JUST IN TIME

It is reported that a man residing at Nichols beat and pounded his wife on Thursday last, and after binding her with a rope carried her to the Lackawana tracks on which he placed her about twenty minutes before the arrival of a fast train. She screamed and two men in the vicinity went to her assistance and pulled her from her perilous position just in time to prevent her being ground to pieces.

GRATEFUL RESIDENTS

Street commissioner Field, acting on the instructions of the borough council, has removed the street lamp from the corner of Packer avenue and Wilbur avenue and placed it at the corner of Hospital Place and Wilbur. The residents of Hospital Place are exceedingly grateful for the favor and say that the light will be the means of saving many from serious troubles.

GONE TO BUFFALO

Chief Walsh is in Buffalo today and expects to return this evening with his son Maurice who has been receiving treatment for an injury to his eye. The eye is reported to be considerably better, and although the sight is destroyed the eye ball will be saved and the danger to the other eye has also passed.

MEMORIAL TO L. M. HALL

At a meeting of Bradford county bar yesterday afternoon, a beautiful memorial upon the late L. M. Hall, Esq., was presented and ordered filed of record. Court was adjourned for the remainder of the afternoon out of respect to the memory of the deceased.

HAND BURNED

Harry Park of Athens fell from one of the stokers in the Lehigh power house this morning. His shoulder was bruised, and one hand severely burned by coming in contact with a steam pipe. The injury was treated at the hospital.

**FIREMEN'S RELIEF
UNION MEETING**

Will be Held December 4, and All Members of the Department will be Asked to Participate.

A meeting of the Firemen's Relief Association was held last night at which several important matters were discussed, among them being the proposition to hold a union meeting on December 4th in which the entire fire department of Sayre will be invited to participate. Messrs. Crance, Farrell and Wilson were appointed a committee to make arrangements for the meeting. The meeting will be held for the purpose of getting the members of the department together so that the workings of the Relief Association can be explained to them. As matters stand it is contended that only a few of Sayre's firemen fully understand just what the benefits of the relief consist of and it is intended at this meeting to stimulate interest. A spread will follow the business session and everything will be done to provide plenty of entertainment.

At the meeting held last night the money from the borough amounting to \$125.57 was received and placed in the hands of the treasurer.

A. E. Thomas, who was injured last summer on the Packer avenue bridge while running to a fire, was paid his claim in full, which amounted to \$120.
