Finest Clothing**

We invite a careful inspection of our new line outside fabric, lining, and most important of all, the new concave shoulders and perfect fitting neck. The new cut shows the only front ever made that will not break. It fits right, stays right and we guarantee it to be right. We can show you a lot more about our clothing that you will find in no other make; besides, it don't cost you any more than the ordinary kind. If you have never bought a Rochester Hand-Tailored Suit you've missed something. "Come in and see."

PERSONAL MENTION

J. W. Bishop went to Auburn today on business.

Mr. and Mrs. Henry House and Mrs. J. H. Rounds of Center street, are visiting relatives at Ithaca.

E. J. VanDevester, representing the American Type Founders, transacted business in Sayre today and was a pleasant caller at The Record office.

Those who claim to know say that the fine weather which is now being enjoyed is of the real Indian summer variety, and that it is scheduled to continue until the 10th of December.

LAYING NEW PIPE

A water pipe is being laid from the main to the Church of the Redeemer. The pipe will furnish the water to operate a motor which will be attached to the new pipe organ which is to be installed in the church in the early part of next January.

**LEHIGH VALLEY
RAILROAD NOTES**

Doings on the Great Iron Highway That Will be Read With Interest

The frightfully mangled remains of an unknown Slav were found scattered along the Lehigh Valley tracks at Hazelton yesterday by two young men. It is presumed that the man was struck by a train while passing over a crossing, and that later his body was run over a second time. Pieces of his flesh were found along the tracks for several rods, which gives rise to the belief that his body was dragged for a considerable distance. The dead man is about 25 years of age, but there was nothing in his clothing to indicate who he was.

Although the Lehigh is seriously handicapped by not having a sufficient number of cars to handle the coal trade, they are making up for it in the passenger service. During the past month travel has increased to a noticeable extent and nearly every train is carrying a capacity cargo of human freight. Between now and Christmas travel will increase and the road's capacity in this department of the service will be thoroughly tested.

The trainmen are complaining of a gang of hoboes who stone passing freight and passenger trains. Near Penn Haven at a watering station the hoboes congregate in droves. They make life miserable for the railroad men and the Lehigh officers will be instructed to take care of them.

Recently a number of new snow plows have been added to the Lehigh Valley equipment, and the road is now in excellent shape to battle with "the beautiful" during the coming winter. The plows are operated by compressed air which is generated by steam from the engine shoving the plow.

A signal tower has recently been erected in the eastbound yards at this place, and a number of cross-overs have also been put in. One of the late additions to the yard equipment is a "ram car" used for switching cars.

The stone ballasting on the western end of the Pennsylvania division has been completed, but east of this place the work is still going on.

SAYRE COUPLE MARRIED

James W. Martin, a well known Lehigh Valley engineer, and Miss Pearl V. Merrithew, both of Sayre, were united in marriage at Towanda yesterday morning at 11 o'clock. The ceremony took place at the parochial residence of the Catholic church in that place, and Rev. J. J. Coroner was the officiating clergyman. Mr. and Mrs. Martin left immediately after the ceremony for New York and on their return they will reside in Sayre.

TO REOPEN OLD BRANCH

The Lehigh Valley is making preparations to reopen the old Highland branch of the road, which has been abandoned for several years. The reopening of the branch will give the company a better outlet for coal lands, which were purchased with the Coxie interests. Eight miles of new track will be built which will connect the old branch with the main line at Bear Creek Junction.

I. O. O. F. TO HAVE CHARGE

The local lodge of Odd Fellows will have charge of the funeral of the late John R. Murray, whose death occurred yesterday morning. The funeral will be held from the family home on South Elmer avenue at 2:30 o'clock tomorrow afternoon, and during the funeral hour the business places in Sayre will be closed as a mark of respect to the deceased.

**SHIRT FACTORY CO.
COMMUNICATED WITH**

Letter Sent to Phillips Brothers, Asking Them to Come to Sayre and Look the Town Over

Today preliminary steps were taken to induce Phillips Bros. the shirt manufacturers of Pottsville, Pa., to remove to Sayre. As stated in a recent issue of The Record Sayre has been called to the attention of this firm as being a desirable place in which to locate, and it is thought that if the proper steps are taken they can be induced to at least come here and look the ground over. Yesterday W. C. Graves, a representative of the Philadelphia Daily Press, visited The Record office and stated that he knew the firm and that they were giving Sayre consideration. He insisted that a little effort on the part of the business men would be productive of results. Accordingly today a letter signed by a number of business men was written and mailed to the firm at Pottsville. The letter contained a brief description of Sayre, its size, inhabitants, resources, railway facilities, etc., and requests that the firm or its representatives come here and make an investigation. The factory operated by this firm is a large one and would be a valuable acquisition to Sayre.

THE "WIZARD OF OZ"

No extravaganza has taken so deep and firm a hold upon popular favor as "The Wizard of Oz" and no two characters have established themselves so strongly and deservedly in public favor as the Scarecrow and Tin Woodman who will endure in the memory of every spectator who has witnessed these delightful comedy creations. The five score other favorites in "The Wizard of Oz" may rest assured that they will be cordially and demonstratively welcomed here on the early appearance here of this exhilarating extravaganza.

Nor must one overlook the two four-footed fun-makers, the grotesque lion and the frolicsome cow, who have so enchanted all the youngsters privileged with a visit to "The Wizard of Oz." The two clever pantomimists who encase themselves in the skins of the king of beasts and the cow are without equals as past masters of silent drollery. Without them "The Wizard of Oz" would be almost like "Hamlet" with the Melancholy Dane left out.

This attraction will appear at the Loomis on Monday next.

AGRICULTURAL SOCIETY

The regular annual meeting of the Bradford County Agricultural Society will be held in the grand jury room of the court house at Towanda on Monday, December 4, 1905, at 1 o'clock p. m., for the purpose of electing officers for the ensuing year and the transaction of such other business as may regularly come before the meeting.

GAVE ENJOYABLE PARTY

Mrs. V. A. McBride, of No. 114 South Riverside street, gave a party to a number of her friends on Tuesday evening, the occasion being her 52nd birthday. A most enjoyable time is reported by those present and dancing was indulged in until the hour grew late.

NOTICE

The regular monthly pay meeting of the stockholders of Sayre Building and Loan Association will be held Thursday evening, November 23 at 7 o'clock.

FORTIETH ANNIVERSARY

Mr. and Mrs. G. M. Angier gave a dinner party last evening to a number of friends, it being the occasion of their fortieth wedding anniversary.

**LEHIGH ENGINEER
FRIGHTFULLY INJURED**

Struck in the Face by an Overhanging Running Board Which Had Become Detached From Top of Passing Freight Train

Steven Milheim, one of the Lehigh Valley's best engineers, met with what is believed to have been a fatal accident yesterday afternoon in an unusual manner near Lehighilton. Milheim was running a fast freight and had his head out of the cab window when he was struck full in the face by the running board on a box car of a passing freight train. The running board had jarred loose and the end was hanging over the side of the car next to the other track. Milheim's train came rushing past at a high rate of speed, when the hanging board struck him in the face, frightfully bruising and lacerating the mouth and nose into an unrecognizable mass. He fell to the floor of the cab in an unconscious condition and later a piece of the jaw bone was found lying on the floor. He was rushed to the hospital but it is feared his injuries are of a serious nature.

The injured engineer is well known in Sayre and the story of the accident was reported here today, although many of the details are missing.

GRIDIRON GOSSIP

Ideal foot ball weather.

Charles White will play with the Athens-Sayre team the remainder of the season.

The team had good practice last night and all are expected to be out again this evening at 7:30.

All-Ithaca promises to put up the real article Saturday and as this is what Athens-Sayre boys have been wishing for, a good game may be expected.

Arrangements are being made with the several railroads to have reduced rates from Elmira, Owego, Towanda and intermediate points to Athens for the Thanksgiving game.

Word has been received that J. C. Schenck has entirely recovered from his recent illness and in all probability will take part in the Elmira vs. Athens-Sayre game on Thanksgiving day.

MAY RETURN HOME

Mrs. William Yontz of Welles avenue went to Danville this morning to see her husband who has been in the asylum there for the past year. Mr. Yontz, who was formerly an employe of the Lehigh at this place, has improved recently and it is thought his wife will bring him home with her when she returns.

BAZAAR CLOSED

The bazaar given in the basement of the Church of the Epiphany by the ladies of the parish closed last night. There was an other large attendance last night and a handsome sum was received. The affair was a most successful one and reflects great credit upon its managers.

LEHIGH OFFICIALS HERE

A special car attached to No. 157 with General Manager M. B. Cutter and a large party of Lehigh Valley officials on board arrived in Sayre shortly after 11 o'clock this forenoon. The party is on a tour of inspection. This afternoon they visited the new shops and tonight will go on west.

**THE H. A. KAUFMAN
BANKRUPTCY CASE**

Herman Levy of Scranton Was Appointed Temporary Receiver in U. S. Court Yesterday

In the United States supreme court at Scranton yesterday Herman Levy of that place was appointed temporary receiver in the H. A. Kaufman bankruptcy case. At the time Kaufman filed his petition Attorney H. Stanley Winlack of this place was appointed temporary trustee, but with the appointment of Mr. Levy the trusteeship of Mr. Winlack ceases. Levy represents a large number of creditors, and he arrived in Sayre today to take charge of the store and stock. He has engaged the services of Officer Spencer Brougham to watch the building until after the first meeting of creditors when a permanent receiver will be named and he will probably proceed to close out the stock.

CANTON STORE ROBBED

A man who gave his name as Frank Jones is under arrest at Canton charged with having burglarized the clothing store of Baker, Ronan & Co. in that place. The robbery was committed early Tuesday morning and the thief secured a number of suits and overcoats besides ransacking the money drawer. The large safe in the store was unmolested. Jones has been working near Canton and had been in the store several times. He registered at the hotel in Canton on Monday night but did not occupy the room to which he was assigned. He disappeared from town and this led the authorities to believe that he was guilty of the robbery. He was arrested at Roaring Branch.
