Vandal Burglars Robbed Pratt Institute in Brooklyn.

NEW YORK, Nov. 24—It was reported to the Brooklyn police that vandal burglars had broken into the Pratt institute and carried off \$50,000 worth of jewelry and articles of great value because of their antiquity.

Walter S. Perry, a director of the institution, who has charge of the art department, made the report. He said there had been taken from the exhibition room of the institution a necklace almost priceless in value. It was composed of green stones in the shape of pendants and was worth \$10,000. Another necklace taken was of silver and amethysts. Several silver fobs and turquoise articles are also missing. Much of the loot was the handwork of students of the institution and had a sentimental value that cannot be computed in money.

The Pratt institute is a technical school.

New York Vote Canvas. NEW YORK, Nov. 24—In many of the districts canvassed by the board of county canvassers of New York county discrepancies were found, and the Hearst representatives claim their candidate gained over 150 votes. In the examination of disputed ballots in the Eleventh assembly district it was found that there was a gain of twelve votes for Mayor McClellan, eleven for Hearst and five for Ivins.

Jimenez Organized Panama Police. PANAMA, Nov. 24—The new police system established by an American instructor, George Jimenez, late of the New York police, on lines similar to that in operation in that city went into effect here.
