**HUSBAND THOUGHT
WIFE SHAMMING**

And While He Was So Thinking, Woman's Condition Becomes Serious.

Because her husband believed that she was shamming, a certain Sayre woman hovered between life and death for nearly five hours on Saturday night, suffering from the effects of a quantity of laudanum which she had evidently taken with suicidal intent.

The husband it appears is in the habit of going out nights. He is a good fellow and does nothing worse than to visit certain places where the dice are shaken for the cigars. His wife, however, objected to his absence from home, and when he left his house on Saturday night she followed him. He went to a certain hotel and was soon engaged in rolling the ivories for the drinks. While thus employed his wife sent a messenger into the hotel for her husband. The latter left the game and went to the door. The moment he appeared the woman raised a small vial to her lips and drank the contents, at the same time declaring that she had taken laudanum. The husband refused to believe it, and instead of getting frightened proceeded to laugh at her. They went home together, and as the woman showed indications of being dopy her husband helped the matter along by dancing her up and down the room, still thinking that she was feigning. For an hour or more he continued to walk her about but finally the husband became alarmed. It soon became a difficult matter to keep her on her feet and she showed every evidence of having taken some powerful drug. Thoroughly alarmed the husband sent for a physician and when the latter arrived he gave the woman an emetic. The contents of the stomach were expelled, but there was no smell of laudanum. The woman, however, continued to grow worse and for four hours she was in a critical condition, the drug having become thoroughly absorbed in her system. After heroic work on the part of the doctor she was revived, and today is pronounced out of danger.

Woman and Child Burned to Death in Fire Near Towanda

**DRUNKEN ORGIE
PRECEDES FIRE**

The Inmates of the House Were Stupefied by Alcohol When the Flames Broke out

Mary Shaylor, a dissolute character, and Henry Whitmiller, an eight-months-old babe, were burned to death in a fire which consumed the home of William Ackley in Towanda township at an early hour yesterday morning. The Shaylor woman was almost completely incinerated, while the child was so badly burned that it died five hours after having been removed from the burning building.

Ackley's home was situated just outside of the borough of Towanda and for some time has been a resort for disreputable characters. For some time the nights have been made hideous by the drunken orgies of those who congregated there.

Saturday night a party consisting of Mr. and Mrs. William Ackley, their son Will, aged 24 years, their daughter, Mrs. Charlie Whitmiller, their granddaughters, Florence Johnson and Louise Whitmiller, both young girls of 6 or 7 years, their grandson, Henry Whitmiller, Jerry Decker, aged about 45, a relative of the Ackleys, Delbert Vanderpool, George Vanderpool, Joseph Vanderpool, Peney Johnson, Levi Parker, a miner at Barclay, and Mary Shaylor, gathered at the Ackley home. In the early part of the evening Will Ackley, the son, and Mary Shaylor secured a half dollar and left the house. Nothing more was seen of them until after the fire. The remainder of the party drank alcohol and danced. Neighbors say that they heard a noise in the house until 2 o'clock, but after that it was quiet. About 4 o'clock a man residing in the vicinity of the Ackley home saw flames issuing from the windows of the bedroom down stairs. He rushed into the house and saw a child sleeping on a couch and surrounded by fire. He grabbed the child and took it to a place of safety. Later it was removed to its father's home where it died. In the meantime a crowd of neighbors had gathered about the burning building. Suddenly a man's body fell from one of the upper windows and struck the ground. It was Will Ackley. His face and hair were singed and his shoulder had been broken by the fall. He was picked up and said that Mary Shaylor was in one of the rooms upstairs. No attention was paid to the woman but the men directed their efforts toward saving two other children which were in the house. Their efforts were successful. Jerry Decker was also in an upstairs room and he jumped from a window. He was found to be severely burned and was removed to the home of James Ackley and placed under the care of a physician.

A Red Hot Contest Has Been Arranged for Thanksgiving at the Athens Driving Park

Arrangements have been completed for another red hot foot ball game at the Athens driving park on Thanksgiving afternoon. The Sayre-Athens combination and All Elmira will be the contesting teams and lovers of sport are assured of a first class game. The local aggregation is showing up with the goods. On Saturday they put the All Ithaca bunch out of business, notwithstanding that the latter team is a strong one. The Elmira aggregation has a fine record and will come here Saturday prepared to wipe the local contingent off the face of the earth. The game will be called at 3:30 o'clock.

INSTALLING NEW ORGAN

The new Esty organ, which was recently purchased for the Methodist church at this place, has arrived and is being installed in the church today. **NIGHT WATCHMAN
TELLS FAKE STORY**

Fails to Ring Time Recording Clock and in Order to Square Himself Claims to Have Been Knocked Down by Robbers

This morning a story was circulated to the effect that last night a night watchman employed in a certain Sayre establishment had been knocked down, rendering him unconscious, and while thus in a helpless condition the perpetrators of the deed had thoroughly ransacked the place over which the watchman had charge and had secured considerable booty. Diligent inquiry elicited the fact that while there was some foundation for the rumor, that it was simply a story originated by the nightwatchman who had fallen asleep at his post and had failed to ring up a time recording clock. He said that during the night he was knocked down by masked men and that shortly after the men left him he became unconscious. This morning a man employed at the establishment examined the night watchman but there were no marks to indicate that he had been roughly handled. His story is believed to have been a fake as nothing in the building had been disturbed.

A NEW DEPARTURE

The Lehigh Valley Railroad Company announces that on and after December 1 a demurrage charge of one dollar per day will be made upon each car of coal for water shipments remaining unloaded 72 hours after its arrival at Perth Amboy. It is further stated that owing to contemplated changes in storage facilities at Perth Amboy no specific allotment of space will hereafter be made to any shipper, and a charge of ten cents per month will be made for storing coal when storage space is available. This is a radical departure from the established policy and will seriously affect most of the shippers using the Perth Amboy docks. The Lehigh Valley has bins for storing 200,000 tons of coal and has heretofore permitted shippers to store coal in the bins for an indefinite period without charge.

**SAYRE-ATHENS TEAM
SHUT OUT ITHACA**

Saturday's Foot Ball Game was Witnessed by a Large Crowd and was a Red Hot Contest.

The foot ball game between All-Ithaca and Athens-Sayre teams Saturday on the Tioga Point grounds at Athens was one of the best and hottest contested games of the season. There was an immense crowd out and the proceeds will be very encouraging to the management. The Athens-Sayre team won by a score of 5 to 0. Campbell and Park were not able to play, which greatly weakened the home team, but they expect to be on hand for the Thanksgiving game. Gallinger made the touch down for Athens-Sayre, but he is nursing a lame shoulder as the result of the hard tussel. He will be able to play in the Thanksgiving game. The Ithaca boys are not quite satisfied with the result and are trying to arrange for a return game to be played at Ithaca next Saturday.

FORMER RESIDENT DEAD

Phoebe Munn, relict of Alanson Munn, died at the home her son Kizer Munn in Lestershire, N. Y., last Saturday, aged about 70 years. The family formerly resided in Litchfield and were among the early settlers in that region. The funeral will take place from the West Sayre church tomorrow afternoon at 1:30 o'clock, conducted by Rev. Mr. Howard, a former pastor of the deceased. Rev. M. B. Wood will officiate in case Mr. Howard cannot be obtained.

**FORMER SAYRE MAN
GETS LONG SENTENCE**

Norman Ackley, Charged With Highway Robbery, Sent to the Penitentiary for 7 Years and 6 Months

Norman Ackley, a former Sayre resident with a decidedly unsavory record, was on Saturday last sentenced to 7 years and 6 months to the Eastern penitentiary by Judge Fanning at Towanda. Ackley pleaded guilty to the charge of highway robbery committed at the county seat during the progress of the Bradford County fair. A lumberman from Laquin visited the fair and also imbibed freely of intoxicants. At night he lay down near the New York & Susquehanna tracks. When he awoke his pocketbook containing a sum of money and a check for \$24 were missing. The following morning a man answering Ackley's description attempted to cash the check at one of the banks in Towanda. Later Ackley was arrested at Wilkes-Barre. At the same time a warrant was issued by the late Justice John R. Murray, charging Ackley with attempting to defraud a boarding-house keeper John Brundage of the Brundage house, was the complainant.
