**MARSHALL FIELD, JR. DEAD.**

Son of Chicago Multimillionaire Succumbed to Self Inflicted Shot.

CHICAGO, Nov. 28.—Marshall Field, Jr., died at 5 o'clock last night at Mercy hospital.

Mr. Field, who was the only son of Marshall Field, the multimillionaire of this city, was accidentally shot on the afternoon of Wednesday, Nov. 22. He was examining a new revolver which he had purchased, when it was discharged, the bullet striking him in the right side, perforating the liver and spleen and injuring the spinal cord.

He was hurried to Mercy hospital, where an operation was at once performed and the bullet removed. The physicians from the first entertained but slight hopes of ultimate recovery, although the patient for two days seemed to hold him own. Yesterday a decided change for the worse took place, and Mr. Field grew rapidly weaker until his death.

### UNRULY PRISONER RESISTED OFFICERS

Waverly Police Had a Troublesome Time With a Belligerent Charge Yesterday Afternoon

Waverly—A member of the Waverly police force went to Ridgebury yesterday afternoon to bring a prisoner to Waverly. The officer expected he would have considerable trouble in landing his charge so he took a deputy along to assist him. They had no trouble in finding the party, and immediately captured and tied him, but he proved a continual source of trouble all the way to Waverly. The prisoner would lie down in the road, refuse to get up, and it was only after a great deal of urging and pounding that he could be induced to move. Once persuaded to get on his feet, however, he started off at a rate of speed that taxed the gait of the officers and assistant.

When the prisoner was not engaged in balking or indulging in foot races with his captors he was trying his utmost to escape from the highway and escape to the tall timber. At last, almost exhausted, the officers landed their charge. They were so perturbed by their experience and rough usage that they decided to kill the wrong doer, and we are informed by good authority, the bloody deed was done today.

### W. S. LEIB DISMISSED

President Removes Assistant Federal Treasurer. VIOLATED CIVIL SERVICE LAW.

After a Personal Talk With Him Roosevelt Issued Order Against Philadelphia Official Who Had Disobeyed Orders.

WASHINGTON, Nov. 28.—The president has removed from office William S. Leib, assistant treasurer of the United States at Philadelphia, on the ground of persistent violations of the civil service law. A hearing on the Leib case was given before the president, the case having been pending for several months. Mr. Leib appeared before the president in person, but he was unable to make a satisfactory defense, and the president decided on his dismissal.

In dismissing Mr. Leib the president addressed to him a long letter reviewing the charges and concluding as follows: "It was your duty so to conduct your office that no possible criticism could come upon you. Instead of so conducting it you have continued exactly the methods that previously obtained, your sister, for instance, having been again temporarily appointed last August as money counter, and notwithstanding the fact that this is a permanent position and that there were two eligibles on the register when you were notified that the appointment must be made from these eligibles you in some manner secured their declinations and thereupon on Sept. 27 again temporarily appointed your sister, and she is in office at this time, so far as the records of the civil service commission show.

"Under these circumstances of persistence in wrongdoing on your part it seems to me that there is no alternative but to remove you from office. You are accordingly hereby removed from the position of assistant treasurer of the United States."

Mr. Leib was appointed assistant treasurer of the United States on March 2, 1902. He makes his home in Pottsville. He is said to be the head of the Schuylkill county political machine.
