PROGRESS IN PHILIPPINES.

Governor Wright, Home For Short Hours, Interviewed at Memphis. MEMPHIS, Tenn., Dec. 8.—General Luke E. Wright, governor of the Philippines, who is at his home here for a short rest, when interviewed said that the primary object of his visit was to be present in Washington when the bids for the construction of railroads in the islands were opened.

Conditions in the Philippines were never more hopeful than at present. There were practically no disturbances, and the great mass of the people were prosperous and contented.

Great progress was being made in all of the islands, especially in Luzon. Sanitary regulations had done much to improve the general health, and the young natives were quick to assimilate American ideas. The proposed railroads would be of great value in developing the country, for which a great future was predicted.

Speaking of commercial interests, General Wright said: "Last year we cut our imports of rice from \$11,000,000 to \$7,000,000, and this year we take off \$4,000,000 more and next year will be exporting. Our exports of other products are rapidly increasing."

"Miss Roosevelt's visit was creative of good feeling toward the United States, for the people down there regarded it as a kind of official recognition of their status as American citizens. They want this status emphasized by the extension to them of commercial reciprocity, so that they will have a chance to make a living. That is only natural, and it is strongly hoped down here that the present session of congress will bring them relief."

WAS PRESIDENT'S COMRADE.

Ex-Captain of Rough Riders Dies Suddenly in New York. NEW YORK, Dec. 6.—Captain Woodbury Kane, clubman, society leader, member of the rough riders and a great friend of President Roosevelt, died suddenly at the Hotel Algonquin here.

Heart disease was the cause of death. Captain Kane was a brother of S. Nicholson Kane and last spring married Nellie Harcourt Elliott, the divorced wife of Duncan Elliott.

Captain Kane's death was a great shock to his many friends in this city. He was generally supposed to be in the best of health. The marriage of Mr. and Mrs. Elliott was more or less of a surprise to society when it occurred last March. It took place at Aliken, S. C., but when it was discovered that a marriage in that state between parties either one of whom is divorced is not legal a second ceremony was performed by a justice of the peace at Augusta, Ga.

Captain Kane was a son of the late De Laucey Kane, whose wife was a granddaughter of William B. Astor. This made Captain Kane a cousin of W. W. Astor and John Jacob Astor.

Mrs. Kane was a celebrated beauty when she made her debut in 1880.

National Red Cross Meet.

WASHINGTON, Dec. 6.—The American National Red Cross held its first annual meeting here, with Secretary Root, president of the board of incorporators of the Red Cross, as its presiding officer. The meeting was largely attended by representative men and women prominently identified with Red Cross work from all sections of the country. The reports received show that thus far branches have been established in fifteen states, in the District of Columbia and in the Philippines, and in many of the states subordinate societies have been organized. President Roosevelt upon the motion of Mrs. John A. Logan was elected an honorary member of the American National Red Cross.

Power to Enjoy.

You may think, in looking out upon the world, that the great difference between people is that some have many things to enjoy and others very few; when you know them better you will find that a great difference is that some have great power to enjoy and others very little.—Rhonda Williams.
