Whiteman Goes to Auburn Prison.
BUFFALO, N. Y., Dec. 11.—Alonso J. Whiteman was taken to Auburn prison today to begin a term of eight years for defrauding the Fidelity Trust company of Buffalo by means of forged and raised papers. This according to Whiteman, is the first time that a conviction on a criminal charge against him has stood the test of appeals to higher courts, although his name has figured in many sensational cases.

Report on Organized Militia.
WASHINGTON, Dec. 11.—General F. C. Alsworth, military secretary, in his annual report on the militia of the United States says it is estimated that about 75 per cent of the organized militia would respond to the call for troops to repel invasion or suppress insurrection against the authority of the United States, the percentage being the same as that estimated for the preceding year.

Pulp Mill Destroyed; Loss, \$38,000.
SKOWHEGAN, Me., Dec. 11.—A fire probably caused by an overheated connection in the shafting destroyed the large mill of the Skowhegan Pulp company, while the adjoining factory of the Maine Spinning company was badly damaged by water. The losses will aggregate \$38,000.

MARONEY IN TROUBLE

Waverly—A man named John was arrested early Sunday morning for being drunk and disorderly. He was given a hearing and a fine of \$5 was imposed. In lieu of the \$5 he was to have five days. He appeared to have more days than dollars, so he is still in durance vile.

BOYS STOLE CANDY

Waverly—Two boys, one of them a negro, entered Tozer's confectionery store Friday evening and stole about two pounds of candy that was on the counter. No one was in the front part of the store at the time, but Mr. Tozer soon discovered the loss, and going upon the street captured one of the boys, but allowed him to go after taking him as far as the town hall.

THE LOST IS FOUND

Waverly—The young man over whom the Elmira papers were lamenting because he had gone to Sayre on Thanksgiving and had been led astray by the wicked youth of that burg, has been returned to his native heath, and it is hoped that under the benign influence that prevails in all parts of that city he may be brought back to the path of rectitude. The young man's name is Jas. Moylan, and he left a wife in the Queen city. The wife's brothers came to Waverly yesterday and secured a warrant for the delinquent spouse. He was located in South Waverly and induced to walk over the state line, where he was captured by Chief Brooks. He was then taken to Elmira, where it is hoped he will remain, and never again be exposed to the temptations of this section.

BOILER WAS DRY

Waverly—The boiler which heats the First National bank became dry Sunday morning about 1 o'clock. There was a hot fire under it, the drafts having been left on the night before. The condition of things was first discovered by Will Turney who smelled something burning and saw steam issuing from the registers. It was thought for a time that there was danger of a fire, but no damage was done except to the boiler, which was so badly burned that it will be necessary to put in new flues.
