PERSONAL MENTION

T. H. Leahy has returned from a business trip to New York.

Mrs. Simon Glazier left for Chicago yesterday to spend a few weeks visiting friends.

Attorneys C. C. Yocum and Mercereau and M. H. Sawtelle are in Towanda today on business.

Mrs. William Gasner of Monawk street entertained a number of Elmira friends over Sunday.

Frank Cole and Frank VanRipper leave tonight for Atlanta, Ga. They will spend several days at Baltimore and Washington, D. C.

John Brennan, Thomas Gattner, F. P. Murphy and Harry Shores are serving as jurors at the session of court being held in Towanda this week.

Mrs. Chas. DeHolden of Olive street, and Mrs. E. J. Carner of Keystone avenue leave on the evening train for Philadelphia to spend the holidays.

**GARFIELD ROBBED
FELLOW PASSENGER**

Committed the Crime in a Lehigh Passenger Train, and When Confronted with Charge Confessed.

A man who gave his name as Arthur Garfield was arrested yesterday by Special Officer Jesse Doty of the Lehigh Valley detective force, on a charge of having robbed an Italian on passenger train No. 2. It is alleged that Garfield left Buffalo on Saturday night, accompanied by the Italian. At Hazelton the Italian reported that he had been robbed of \$40. Officer Doty was notified and found that the man described by the Italian as having taken his money had left the train at Geneva. It was surmised that he would take a later train east, and yesterday Officer Doty was on the lookout. He found the man on train No. 8 and placed him under arrest. The prisoner was taken to Towanda and at first denied any knowledge of the robbery, but later he was put through the sweating process by Constable Guy Hollon and admitted having a twenty dollar bill secreted in a double pocket which he had taken from the Italian. He was arraigned before Justice Orcutt and was held for ninety days to await requisition paper from New York state.

HOTEL KEEPER DEAD

Hiram Baker, proprietor of the Baker House at Chemung, died Friday afternoon after a three days' illness. He was 61 years old and was a son of the late Henry Baker, a generation ago sheriff of Chemung county. He is survived by two children, Henry, an employe of the Lehigh shops at this place, and Hiram J., of Chemung. Two sisters, Mrs. Josephine Flood of Newark, N. J., and Mrs. Henry Carpenter of Elmira, also survive. The funeral was held in Chemung yesterday afternoon the interment taking place in the cemetery at that place.

MR. ROSS PROMOTED

Friends of Andrew Ross, formerly trainmaster of the Pennsylvania division of the Lehigh with headquarters at this place, but who left here last spring to accept a similar position with the New York, New Haven and Hartford Railroad company, will be pleased to learn that he has been promoted to assistant superintendent of the New York division of the latter road. The promotion was made recently and Mr. Ross has entered upon his new duties.

PAY-DAY THURSDAY

The Lehigh Valley will pay its employes in this section their monthly wages on Thursday next. For some days there has been much speculation as to the date of pay-day, some maintaining that the company would not pay before the 20th, but this morning the matter was set at rest by the official announcement that the pay checks would be distributed on Thursday.

FIFTY COUPLES ATTENDED

Upwards of fifty couples attended the subscription dance given by Harvey Gray in Eighmey's hall on Saturday evening. It was the fourth of a series and the event was a most enjoyable one. Mr. Gray will give another dance Saturday evening next. The Loomis opera house will furnish the music as heretofore.

APPOINTED CAR DISTRIBUTER

A man named Hockslider, formerly car distributor of the D. S. & S., has been appointed to a similar position with the Lehigh. Mr. Hockslider succeeds F. S. Mitten, who has accepted the position of chief clerk in the train dispatcher's office at this place.

**THE NEW STATE
BRIDGE AT ULSTER**

Was Inspected Saturday and is Pronounced One of the Finest in the State.

The state bridge inspectors, accompanied by the county commissioners, made a thorough and complete inspection of the new state bridge at Ulster Saturday. The structure was pronounced one of the finest in the commonwealth, and it is understood that the inspectors will make a favorable report. They left the bridge open for public travel and expressed themselves as well pleased with the manner in which the work was done. The people on both sides of the river at Ulster greet the opening with great joy. Since January 23, 1904, when the county bridge was carried away by high water, travel over the river has been attended with great inconvenience, and merchants and business men in the town have suffered greatly. The opening of the new bridge will be of vast benefit to Ulster, and therefore the citizens of the town rejoice. The bridge is a massive one and worth going miles to see. It is by all odds the finest structure of its kind in Bradford county and will compare favorably with other fine bridges in the state.

HE CAUGHT THE TRAIN

A disciple of Blackstone, who had evidently slumbered too long in the arms of Morpheus in the early hours of the morning, rushed into the Lehigh Valley station this morning just a moment previous to the departure of No. 8 for the south. The exponent of law carried his collar and necktie in his hand, his vest was unbuttoned, and when he reached the station he was gasping for breath. He explained that it was necessary for him at all events to be in Towanda this morning, and as he had overslept he preferred to finish his morning toilet in most any place rather than to miss the train. He caught the train all right and in the meantime furnished no end of merriment for his friends.

DIED AT THE HOSPITAL

Mrs. Wilson Jenkins, 32 years old and a resident of Laquin, died at the hospital yesterday morning following a short illness. She was admitted to the hospital on Friday and Saturday morning underwent an operation. Death was due to a complication of troubles. She is survived by her husband and three children, one of the latter being an infant only a few weeks old. The body was removed to J. W. Grumme's undertaking rooms and later sent to her father's home at Canton, where the funeral will take place.

ARE SELDOM RELIABLE

Papers that published the story written in advance of the Mary Johnson hanging found it necessary to make corrections. Mrs. Rogers failed to carry out the program as mapped out by the "special friends" and the afternoon papers which published detailed stories of the event on the day the hanging occurred found that they had been giving their readers details that were decidedly yellow. Stories of happenings written in advance are seldom reliable and in the end reflect on the paper publishing them.

MRS. KATE OPER

Mrs. Kate Oper, a Hungarian woman, aged 48 years, died at the hospital early this morning. She was taken to the institution yesterday in a critical condition and underwent an operation. She resided on Thomas avenue and is survived by her husband. Undertaker O'Shea has charge of the funeral arrangements, which as yet are not completed.

**CABOOSE AND TWO
CARS WRECKED**

Rolled Down Embankment Near North Hector Early This Morning--No One Injured

A caboose and two empty gondola cars were derailed on the Lehigh near North Hector this morning. The caboose and the two cars turned completely over and rolled down an embankment, but fortunately no one was injured. The train consisted of a number of empty gondola coal cars and was in charge of Conductor Wm. Brougham of Sayre. The details of the derailment are meagre but it is reported that a coupling between a car and the caboose became disarranged, throwing the caboose and the cars from the rails. The crew of the train occupied the caboose and the train was speeding down a steep grade at the time of the accident. The fact that no one was injured is regarded as little short of a miracle. The wrecking crew from this place went to the scene of the wreck.

MR. KASPER'S NEW PLACE

Sayre is to have a new and strictly up-to-date oyster and chop house. It will be located on the lower floor of the Richards block on Desmond street, and John R. Kasper, who has conducted a restaurant for some years near the corner of Lockhart and Desmond streets will be the proprietor, he having for the past six weeks been busy assembling the necessary equipment to give to the people of Sayre a place in which to purchase all kinds of sea food, served to order, that will equal if not surpass those found in the larger cities.

The room has been thoroughly cleaned and remodeled, and the transformation is so complete that those familiar with its old surroundings will hardly recognize it. A large broiler, manufactured by Buzzini & Co., of New York, has been installed in the front, and edibles of every description will be prepared in the presence of the customer. The broiler is the first of its kind to be used in Sayre, and those who have never seen one operate could spend an hour with profit by visiting the place. Eight tables will be provided in the dining hall, and in the rear of the hall an alcove has been arranged for the accommodation of parties who desire exclusion. The place has been provided with everything that is necessary for a first class oyster and short order house, and will be in charge of a competent man. All kinds of sea foods will be on sale and will be prepared in any manner that the customer desires. Steaks and chops, with side dishes, will also be on the bill of fare, but tickets purchased at Mr. Kasper's old restaurant will not be good at the new one. He will open the new place on Thursday morning next, and persons who are desirous of witnessing the operation of a strictly high class oyster and chop house should drop in for a moment. At the end of the sea food season Mr. Kasper will convert the place into a regular dining hall, which will be conducted in a first class manner.

ERECTED FINE BUILDING

H. O. Hansen, Sayre's well known contractor, has recently completed a fine new school building at Spencer, N. Y., the building having been opened for use Monday last. The building is up to date in every particular and the residents of Spencer are more than satisfied with the work. The Spencer Needle says that the contract was followed in every detail and pays Mr. Hansen a fine compliment on the excellent work done by him and his men.
