Deceased, owing to her advanced age, had been in feeble health for some time past, but had been confined to her bed for only about a week previous to the time of her death.
She is survived by one son, John who is employed in the railroad offices at Sayre, and two daughters Mary, a school teacher at this place, and Mrs. George Adams of Geneseo, N. Y. One brother resides in California.

JOHNSON DROVE HORSE INTO DITCH

Animal Was Extricated After Some Trouble But No Damage of Consequence Was Done

Waverly—An accident that terminated very fortunately occurred last night on Pennsylvania avenue. Some excavating had been done near the Presbyterian church for the purpose of laying pipes. The ditch extended nearly across the street and was unprotected by any railing. A red light had been placed at the curb and another at the outer end of the ditch. These two lights furnished the only warning. The driveway was only six feet wide and on the west side of the street. Cyrus Johnson, who resides on Howard street, was driving down the avenue and drove directly between the two lights, the horse falling into the ditch. The harness was removed after considerable difficulty, the ditch partially filled at one end and the animal climbed out. No damage was done except some slight strain which the horse received.
