**THE OLD RELIABLE PIANO AND MUSIC HOUSE—D. S. ANDRUS & CO.,**

**A Beautiful Piano for Christmas**

For several weeks past D. S. Andrus & Co. have been planning this great sale of ONE HUNDRED HIGH GRADE UPRIGHT CABINET GRAND PIANOS for our Sayre store. This extraordinary sale comes when it is seasonable and just when the thought of gift-giving is at its height. These pianos are direct from the factory and are the biggest bargains D. S. Andrus & Co. have ever made. We want to dispose of every one of these pianos before January 1st. To accomplish this we have marked the prices so low that the manufacturers would be surprised if they became acquainted with the price. However, we purchased them for spot cash and that enabled D. S. Andrus & Co. to own the piano and at the same time receive a larger discount. These magnificent pianos will be sold on our EASY PAYMENT SYSTEM, by which any family of moderate means can own a piano. You pay a small sum down; the piano is placed in your home; you play while you pay a few dollars each month, and before you hardly realize it the piano is your own property. Think of the enjoyment a beautiful piano adds to your home! Just at this holiday when festivities and family gatherings abound, the pleasure of home-coming would be increased a hundred fold by the presence of any one of these artistic pianos. You cannot afford to be without a piano at the price we are asking. Every piano is guaranteed and must be as represented, for D. S. Andrus & Co. tolerate no misrepresentations. Pianos will be sold on one year's trial. This will prove whether you will like the piano. Nothing could be fairer. We almost forgot to say that the patron does not have to pay interest; nor does he have to sign any contract that is sent to manufacturers, at whose mercy you would be in time of trouble. The contract you sign stays right with us. Just a word about D. S. Andrus & Co. You have heard about them—for the firm has become a household word in this vicinity. Honesty, reliability and square-dealing has characterized their every act of business for the past forty-five years. They stand back of every piano or organ they sell. They are no "fly-by-night" concerns. They are at Sayre to stay. Just read over these few bargains—they are genuine.

This Style Organ Only \$75. 50c a Week Buys It

<p><b>PIANO OPPORTUNITY NO. 1</b></p> <p>Words cannot convey to you the marvelous musical possibilities of this beautiful upright piano. Whether you are ready to buy a piano now or not, you should not miss seeing this piano. It was bought to sell for \$350. The case is handsomely carved and finished; the tone pure and melodious. Everything about the piano is mechanically perfect. D. S. Andrus &amp; Co. will sell it to one of the first hundred purchasers at the Sayre store for only \$247.</p>	<p><b>PIANO OPPORTUNITY NO. 2</b></p> <p>There are but few pianos made that are better constructed and will give more permanent satisfaction than the piano that the manufacturer had priced at \$325. It is magnificently cased; possessing a wonderfully sweet tone; in action easy and responsive; will stand exacting criticism, especially from competitors. However D. S. Andrus &amp; Co. have made a special low price to the fortunate one of the first hundred to be sold in Sayre, and that price is only \$223.</p>	<p><b>PIANO OPPORTUNITY NO. 3.</b></p> <p>For those who are extremely particular about what piano adorns their home, we are making a sacrifice on a piano that the mere mention of the name would be immediately recognized as among the piano leaders of today. The original selling price is \$300. It is an adornment for any home—king, prince or potentate. Exquisitely carved, artistically designed; singing tone, pure and sweet. D. S. Andrus &amp; Co. will let this one go to some one of the lucky first 100 Sayre buyers for only \$197.</p>	<p><b>PIANO OPPORTUNITY NO. 4</b></p> <p>Here is a piano that it is impossible to wear out. It will meet the criticism of the most exacting musician. The piano has a most imposing appearance, and was purchased to sell for \$275. It must be heard and seen, for words again fail us to describe its merits. The tone, action and volume are all that could be desired. D. S. Andrus &amp; Co. are so anxious to obtain one hundred new patrons in Sayre and vicinity that they have marked the price of this one only \$165.</p>
