Never Saw Anything to Equal It. That is what a Rochester lady said of Dr. Rand's Celery Remedy. "My nerves were worn, my blood weak, and I felt all run down, with no appetite. I tried Dr. Rand's Celery Remedy, and it did me so much good that I continued to take it, and I never felt better in my life." It is composed of roots, herbs and celery. Get a free package of this great herb medicine, and try it to-night. Large packages 25 and 50 cents. H. L. Gillespie and Child, Waltman & Young, Sayre.

**THE OLD RELIABLE PIANO MUSIC HOUSE--S. D. ANDRUS & CO., SAYRE, PA.**

**NOW IS THE TIME TO SELECT THAT CHRISTMAS PIANO**

What is more acceptable as a Christmas gift than a beautiful piano? What affords more genuine pleasure? What adds more decoratively to the home? The dollars you invest in a good piano really yield big dividends in the substantial form of solid satisfaction and entertainment. The refining influence of a piano is felt by every member of the family. It encourages culture; it advances the artistic temperament. D. S. Andrus & Co. are going to make it possible for every family in Sayre and vicinity to own a high grade, Cabinet Grand Upright Piano almost at your own price. By a good stroke of business D. S. Andrus & Co. were able to secure one hundred (100) of these magnificent pianos for their Sayre store. These were purchased before the raise and happened just at the holiday season. As it is the policy of D. S. Andrus & Co. to sell only pianos of real merit and recognized worth, the purchaser may rely absolutely on these pianos. The selection can be made now and will be delivered at the will of the purchaser, saved until Christmas eve or day. D. S. Andrus & Co. do not want one of these pianos in stock by January 1, 1906. To do this the price has been marked so low, that it is almost ridiculous. Remember, you do not have to pay cash. The D. S. Andrus & Co. EASY PAYMENT SYSTEM will help you. All we want is a small payment down and a few dollars per month until the piano is paid for. The best of all, you pay no interest and have the enjoyment of the piano while paying for it. Here are our four leaders but there are others besides them. It costs nothing to have a look and we are delighted to show them:—

<p><b>\$223 FOR A \$325 PIANO</b></p> <p>Music lovers go into ecstasies over this piano, for its melodious singing tone is known all over. It is an honest piano all the way through. The case is colonial in style, and tone, action and appearance all that could be desired.</p>	<p><b>\$247 FOR A \$350 PIANO</b></p> <p>Here is a piano that is exquisite in every detail. It is a leader wherever sold. Its sweet tone, its easy action, its carvings all go to make up one of the rarest of instruments. It is really worth more than the price asked, but someone is going to get a bargain.</p>	<p><b>\$165 FOR A \$250 PIANO</b></p> <p>Yes, we mean just what we say, and can guarantee the piano. If it is not as represented after one year's trial your money will be refunded. This piano is beautiful enough for almost any home; it is sweet and pure in tone and will stand a lifetime of service.</p>	<p><b>\$197 FOR A \$300 PIANO</b></p> <p>Only an exceptional purchase could allow us to quote so low a price on such a high grade piano. Its tone is full, mellow and resonant with melody. This would make a great investment if for no other purpose. The architecture is really beautiful. See it.</p>
