WIELAND CO.**  
THE BIG STORE WITH LITTLE PRICES  
**SAYRE, PA.**

Commencing Saturday, December 9, This Store Will Remain Open Nights Until Xmas.

The shadow of a coming event, only a few days off, and all the world's full of Christmas plans. Everybody is dreaming about Christmas. The shadow of the Christmas Stocking stretches way out across the hearth, and the strings to everybody's purse is loosed.

We have provided amply for everybody, all ages and all walks in life. It would seem from the throngs and lively buying, during the last week, immediately following our Christmas opening, the 11th, that our Yuletide offerings had been accepted as high authority, and complete selections for Holiday shoppers was to be found here.

52 Sales people busy every moment, from 8 o'clock a. m. till 10 o'clock at night. We advise, however, that you shop early in the day, early in the week. There is an added advantage. Some of the things you might see in a Christmas stocking we could list today but might be gone tomorrow. We have helped the Express Company keep busy handling late purchases and still have others coming. Some of these are broken but are being kept complete for the last practical moment.

Expressions are heard on every hand of the values we give, the assortment we show and shopping at the Big Store puts a community of interests on a par with cities three and more times the size of Sayre. A case of one half gross Ice Skates arrived today and as a result of being late in the season to advertise, they are on sale at manufacturer's cost to us.

Santa Claus will begin taking pictures Monday and continue until Christmas night. A real Santa, dressed like him and looks like him. Pictures 5c and 10c.

L. V. R. R. Excursions Friday and Saturday of each week, of a single fare. This brings your shopping expense to the minimum. This rate holds good from all stations between Tunkhannock and Geneva.
