### Are You Troubled With Eye Strain?

W. H. Baird, Formerly of Philadelphia, Has Opened An Exclusive Up-to-Date Optical Parlors at 229 Broad Street, Waverly.

He will be pleased to see all those who are troubled with Eye Strain, also those who have not received relief owing to improper treatment elsewhere.

#### Eye Strain Is Not a Disease

But arises from mechanical defects in the construction of the eye or its controlling muscles. Relief in such cases can only be had through application of suitable glasses made to correct all existing defects. I make a special study of eyesight testing in all its branches and can assure a perfect correction wherever it exists.

#### I Recommend Glasses

Only when positively needed and clearly promising good results. Considering the character of the work I do my charges for a thorough examination of the eyes and glasses is moderate. You may be wearing glasses that are not properly adjusted. If you call at my optical parlors I will gladly readjust them free of charge. Remember the place, Cor. Broad and Clark streets.

#### NEW TIME SCHEDULE

As stated in a recent issue of The Record a new winter time schedule will go into effect on the Dehigh Valley on January 1. There will be several changes. Trains 2 and 7 will be taken off entirely and No. 1 will probably arrive in Sayre fifteen minutes later. Train 1 will go around via of Ithaca and the Black Diamond will run on Sundays. After the holiday season the company expects a perceptible falling off in passenger traffic and this accounts for the trains mentioned being abandoned.

#### INDIANS' THANKSGIVING.

Red Men of Reservations Take Great Interest in White Man's Feast Day.

Even our reservation Indians take a great interest in Thanksgiving day. Of course they show their Indian nature in their games and feasting, but at their corn dances with which the day's celebration closes, they offer thanks to the Great Spirit for the harvest, and the resident priest is invited to bless the food provided for the feast.

The Cheyennes and Apaches sometimes give a pony smoke, other tribes are invited to a feast of their best game and vegetables, and on their departure for home the head of each family is presented with a good pony. As there are sometimes several hundred families as guests, you can understand that only wealthy tribes can afford to give a pony smoke, but each tribe in their own way show that the spirit of thankfulness is not a stranger to them.
