### Are You Troubled With Eye Strain?

W. H. Baird, Formerly of Philadelphia, Has Opened An Exclusive Up-to-Date Optical Parlors at 229 Broad Street, Waverly.  
He will be pleased to see all those who are troubled with Eye Strain, also those who have not received relief owing to improper treatment elsewhere.  
**Eye Strain Is Not a Disease**  
But arises from mechanical defects in the construction of the eye or its controlling muscles. Relief in such cases can only be had through application of suitable glasses made to correct all existing defects. I make a special study of eyesight testing in all its branches and can assure a perfect correction wherever it exists.  
**I Recommend Glasses**  
Only when positively needed and clearly promising good results. Considering the character of the work I do my charges for a thorough examination of the eyes and glasses are not properly adjusted. If you call at my optical parlors I will gladly readjust them free of charge. Remember the place, Cor. Broad and Clark streets.
