SLIGHT FIRE

Waverly—A slight fire occurred this morning at the residence of H. W. Mosier on Moore street. Very little damage was done, only a few shingles being burned around the chimney. The department responded quickly when the alarm sounded, but had considerable difficulty in locating the blaze, and when they reached the scene of the fire it had been entirely extinguished.

THE VILLAGE OFFERS WATER CO. \$105,000

Resolution Passed by the Board of Trustees—A Census of the Village Is Also Authorized

Waverly—The board of trustees of this village held a meeting last night at which time the report of Consulting Engineer Vermule in regard to the value of the water works was received. The report was considered in executive session. After the report had been thoroughly examined the board passed a resolution offering the water company the sum of \$105,000 for the water works system.

Another resolution was passed in accordance with the village law that a census of the village should be taken, and president Tucker was authorized to employ five enumerators at \$2 per day until the work is completed.

COLLEGE GIRLS ENTERTAINED

The Misses Jessie and Pauline Angell, Vassar students, at their home at 414 Chemung street, assisted by other alumni and students of Vassar, entertained the college girls of the valley from 4 until 7 o'clock yesterday afternoon.

Part of the entertainment consisted of stunts by the individuals or by the representatives of each college collectively. Much amusement was derived from this source. The yells of the various institutions were given and it is said that the conglomeration of noise produced was such as to fill the spirits of the aborigines with envy.

STOLE BOXES

Waverly—Someone stole two boxes valued at \$3 each from Baker's mills in South Waverly last night. The boxes were about three feet long, a foot deep, and are divided into five compartments.

World's Highest Garden.

At a height of 6,000 feet, near the summit of the Petit St. Bernard is situated Queen Margherita's Alpine garden, which is the highest garden in the world. It was started on a small scale nine years ago by Abbe Chonoux, who lives in a house nearby, and soon after the queen, who is an ardent Alpinist, visited it. Her majesty took a great interest in the scheme and obtained Alpine plants and lichens from all parts of the world, many of which she planted herself.

Living Among the Pines. SCOTTSVILLE, Va., Dec. 29—President and Mrs. Roosevelt are living in the little shooting lodge among the pines, while men who accompanied them are in a white cottage near by. The president enjoyed a hunt in the woods of Albemarle county.

First Electric Mill. England's first spinning mill to be worked by electricity has been started at Pezlebury, Manchester. It contains 80,000 spindles and has no chimney.

Range of the Eye. A person six feet in height standing on level ground can, with average eyesight, see objects on the same level for a distance of three and a quarter miles.

"UNCLE JOSH SPRUCEBY"

The theatre going public will hail with delight the good news that our old friend "Uncle Josh Spruceby" is to visit us soon. This company, which has made an exceptionally strong impression wherever it has appeared, has many friends here who will await their coming with interest. The organization this year is better than ever, all the old favorites being retained and new ones being added, and now takes rank with the best dramatic companies touring the country. The play is one of those homely New England dramas with a beautiful story running through it. Comedy, pathos and sensation abound. Strict attention has been paid to detail, and a full new set of scenery has been painted for this season. Undoubtedly a big crowd will attend to welcome "Sally," "Dutchy," "Out-O-Sight," "The Hayseed Band" and "Uncle Josh" himself. No theatrical season is complete without the joys afforded by "Uncle Josh" and his fellow "Reubens." The elegant orchestra, so long a feature of this company, is still retained and as usual is still a source of delight. At the Loomis Tuesday, January 2nd.
