## TENDERED FAREWELL TO RETIRING PASTOR

Appropriate Services Mark the Leave Taking of the Rev. Ira W. Bingham, Pastor of the Baptist Church

Last night in the auditorium of the Baptist church a farewell reception was tendered to the Rev. Ira W. Bingham, who for the past five years has been pastor of the church and who during these years has endeared himself not only to his congregation but to every resident of Sayre who has had the pleasure of forming his acquaintance. Mr. Bingham expects to leave on Tuesday next for his new charge at Norwich, and the best wishes of all go with him.

The reception held last night was for the purpose of giving the congregation and others an opportunity to shake him by the hand and wish him godspeed. The church which had been tastefully, in fact beautifully decorated, was crowded with members of the congregation and friends of the departing pastor. The exercises of the evening were opened with an anthem by the church choir and was followed with an invocation by Rev. J. Petrie. The address of welcome was made by Rev. E. M. Beysler, pastor of the Lutheran church. Following Mr. Beysler's remarks Miss Sabra Porter gave an excellent reading, after which Rev. J. F. Warner, pastor of the Methodist church, and Rev. E. C. Petrie, pastor of the Presbyterian church, delivered addresses. Appropriate remarks were also made by Rev. Frank Allen of Athens and the Rev. Geo. A. Briggs of Waverly.

After a solo by Miss Peckens the farewell address to the retiring pastor was made by E. H. Creighton on behalf of the congregation. Mr. Creighton spoke in a feeling manner and during the course of his remarks expressed the sincere regrets of himself and congregation that Mr. Bingham was to leave this field of labor. At the conclusion of his remarks Mr. Creighton presented Mr. Bingham a purse of gold as a slight token of the esteem in which he is held by the members of the church.

Mr. Bingham delivered a heartfelt response and assured those of whom he was taking leave of his affection and his future concern for their welfare.

Following Mr. Bingham's response the congregation retired to the parlors of the church where excellent refreshments were served by the ladies of the congregation.

Mr. Bingham will preach his last sermon at the church tomorrow evening. "Let Brotherly Love Continue" has been chosen as his subject, and after the services a farewell communion will be held and he will extend the farewell hand of fellowship to those who have not received it.

The Rev. H. H. Dresser will preach at the Methodist church tomorrow evening.

The preliminary surveying work for a trolley line between Ithaca and Elmira has been completed. The line will be thirty-seven miles in length.

Fresh eggs are now demanding exceedingly high prices and it is said there are several local people who will go into the poultry raising business on a large scale next spring.

Both Binghamton and Elmira received a visit from Sara Barnhardt. At the former place she appeared in the Stone opera house, while at Elmira the noted actress changed cars.

## FELL FROM ENGINE, DISLOCATED JAW

Round House Employee Met With a Decidedly Novel Experience Yesterday Afternoon

Joseph Mackin, an employe of the round house, was taken to the hospital yesterday afternoon suffering from a slight concussion of the brain and a dislocation of both sides of the jaw. Mackin was on the running board of an engine repairing the boiler, when in some unknown manner he slipped and fell to the concrete floor a distance of seven feet. He landed on his head and sustained a contused wound of the scalp. Several fellow employes went to his assistance and found him able to walk. He was assisted to the hospital and at the time it was not thought that his injury was much more than a trifling matter. As he entered the hospital, however, the surgeons noticed a peculiar condition of the man's lower jaw. It hung way down, causing the mouth to open wide and there was an unusual expression to the countenance. An examination developed the fact that both joints which held the jaw in place had been dislocated. It is presumed that the severe jolt which he received when he struck the concrete floor caused the dislocation.

## WILL ADDRESS THE BUSINESS MEN'S ASS'N

State Organizer Will Be Present at Meeting on Wednesday Evening—All Members Requested to Be Present

J. W. Rittenhouse, state organizer for Business Men's associations, will be present at the meeting of the Sayre Business Men's association which is to be held on Wednesday evening next at their rooms on Desmond street. He is well qualified along this line and it is earnestly hoped that all the members of the organization will be present.

### A CHANGE AT LAST

The balmy, spring-like weather with which this region has been blessed for several days has at last changed and the present indications now are that we will have a near approach to winter. Yesterday afternoon shortly before 2 o'clock a wind and rain storm of short duration came up from the west and since then the thermometer has fallen a few degrees. Today the weather report says that we are to have colder weather.

### EXTENDED CALL

Rev. Ira Hotaling of Bath, N. Y., has received a call from the congregation of the Baptist church at this place, to succeed the Rev. Ira W. Bingham, who leaves for Norwich on Tuesday next. Mr. Hotaling has not as yet made any decision in the matter, but the members of the church expect to hear from him in a few days. He is highly spoken of and if he concludes to accept the call the church will doubtless have an excellent pastor.

### OLD LEHIGH MAN DEAD

William Seaboldt, the well known retired Lehigh Valley station agent, is dead. He was 73 years old and death was due to general debility. For a period of 33 years he was the station agent for the Lehigh at Lehigh and was known and respected by nearly every man on the road. His funeral will occur from his home in Lehigh on Monday next.

## DISASTROUS WRECK NEAR BURDETTE

Rear-End Collision on the Lehigh Ties Up the Main Line—Ten Cars Derailed and Badly Damaged, but No One Is Injured

A rear-end collision which has completely tied up the main line of the Lehigh Valley occurred on the Burdette hill at 12 o'clock last night. An east bound freight train crashed into the caboose of another train, derailling ten cars. Three of the derailed cars were completely demolished. Both tracks are blocked and no trains have been able to pass the point since the collision. The cause for the wreck is unknown, as only meagre details have been received at this place. The wreck is an expensive one, but no one was injured. The wrecking crew went from this place to clear away the debris. It is thought that the tracks will be cleared so that traffic can be resumed some time this evening.

### ICE MEN WORRY

The local ice men are beginning to worry and when the subject of ice is mentioned they shake their heads doubtfully. Until within the past few days they have had great hopes that the weather would undergo a radical change, but as the days pass hope has given way to depression and doubt, and they now look for an open winter. The first of the new year is at hand and the river is still open, and there is little likelihood of its freezing to the proper thickness; therefore the situation is not at all encouraging. Failure of the ice crop will mean lack of employment for many men who rely upon it at this season of the year for a livelihood, to say nothing of the increase of cost that will of necessity follow a shortage in the crop.

### CHANGES ON THE LEHIGH

R. W. Baxter, formerly Supt. of the Pennsylvania division of the Lehigh, and recently superintendent of the Wyoming division has been transferred to the Buffalo division. John Maguire has been appointed to fill the position made vacant on the Wyoming division by Mr. Baxter's transfer.

Mr. Maguire has been President Thomas' assistant up to the time of receiving the appointment.

He was superintendent of the Erie for fifteen years before he became identified with the Lehigh.

John Keith, who is succeeded by Mr. Baxter as superintendent of the Buffalo division will go to Jeddo, Pa., as superintendent of the Marble coal interests. The changes go into effect the first of the year.

### LEFT TO BOROUGH COUNCIL

The rules governing the election of officers of the Sayre fire department require that they shall be elected during the second week in December, and it seems that this rule is part of a borough ordinance. For some unknown reason the election did not take place during that week, and the terms of the present incumbents expire the first of the year. Just what will be done in the matter is rather uncertain but it is thought that the borough council will take some action at the meeting next Monday night.

### HOSPITAL NOTES

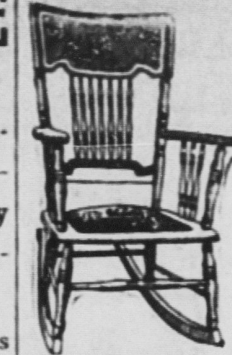

Mrs. Estella Everson of Burlington and Anson Wright of Athens were operated on today.

Mrs. W. W. Irvine, who resides near Towanda and Miss Nellie Childson of Towanda were admitted today.

There will be a reception to the members and a sacramental service at the Methodist church at 10:30 o'clock tomorrow morning.

The Rev. J. F. Warner will preach to the members of the W. C. T. U. at the Milltown chapel tomorrow afternoon at 2 o'clock. The members are all requested to be present and wear their white ribbons.

### SEVERELY JOLTED

Congressmen and politicians generally were somewhat jolted recently by a statement coming from the postoffice department to the effect that the policy of the administration would be to retain fourth class postmasters in office as long as they conducted their offices properly and gave satisfaction to the community. Also that no changes would be made in presidential offices where the incumbent had given good service. It is said that many of the congressmen are greatly pleased over the ruling as it relieves them from much embarrassment.
