SHOP EMPLOYEE INJURED

Arthur Donovan, an employe of the boiler shop, went to the hospital this morning suffering from an extensive laceration of the scalp which he received while placing a steam chest on an engine. In some manner the smoke stack of the engine became detached and fell from its position, striking Donovan a glancing blow on the head cutting a gash in the scalp some inches in length. Several stitches were required to close the wound.

CHARGED WITH SERIOUS CRIME

John Shoemaker and Mrs. Huldah Andrews Arrested Here on Complaint of Latter's Husband Who Alleges That Both Have Committed Adultery

John Shoemaker, a man well along in years, and Mrs. Huldah Andrews, wife of E. L. Andrews of Canton, were arrested here this morning by Officers Walsh and Voegel on a charge of adultery. The man and woman were at the Lehigh Valley station when taken into custody.

The complainant in the case is E. L. Andrews, husband of Mrs. Andrews. He is a resident of Canton and alleges that about a year ago his wife left him and has for some time been living at Windfall, this county. Yesterday he learned that she had come to Sayre in company with Shoemaker. Upon learning this he at once came to this place and this morning appeared before a local justice and swore out a complaint charging his wife and her male companion with adultery. Yesterday, Mr. Andrews alleges, that his wife and Shoemaker went to the Brundage house and registered there as man and wife, giving their place of residence as Galeton, Potter county, this state. This morning he went to the hotel and learned that while the man and woman took dinner at the Brundage house they did not stay there last night, the proprietor telling them that he had no vacant rooms.

A warrant was issued for the arrest of the couple and placed in the hands of Spencer Brougham, but while he was looking elsewhere Mr. Andrews came upon them at the station.

When arraigned for a hearing both defendants pleaded not guilty and demanded a hearing, which was fixed for this afternoon at 4 o'clock.

Mrs. Andrews is a middle aged woman, neatly dressed, and while in court wept bitterly, stoutly declaring that she had not been guilty of the crime charged, and also accusing her husband of driving her from his home.

Cox Brothers & Co. have also rewarded Harvey E. Sweeney, who for years has been the paymaster for the Coxes, for his faithful services by presenting him a check for \$5,000 as a New Year's gift.

ESTIMABLE WOMAN DIED LAST NIGHT

Mrs. R. B. Camp of Olive Street Expired at Her Home After a Short Illness

Mrs. R. B. Camp of No. 206 Olive street, died at her home last night between 5 and 6 o'clock after a few days' illness. Death was due to asthma and heart failure. She had not been feeling well for several days but it was not thought that her condition was alarming until a few minutes previous to her death. Her husband came home from his work at Samuel's jewelry store and found her sitting in a chair in a helpless condition. He summoned Dr. L. B. Dennison immediately but before the latter arrived Mrs. Camp expired in her chair.

The deceased was 66 years old and had been a resident of Sayre for many years, and a woman of most estimable character. She was a devout member of the Methodist church and a host of friends will sincerely mourn her demise. She is survived by her husband and four daughters. The latter are Mrs. Utey Teed of Sayre; Mrs. Anthony Hawk of Meshoppen; Mrs. Richard Annar of VanEtten, and Mrs. Frame of Philadelphia. The funeral arrangements which are in charge of J. W. Grumme's undertaking establishment, are not yet completed.

DISTRIBUTED THREE THOUSAND DOLLARS

Black Diamond Legion Held a Large Pay-Off Last Night

The Black Diamond legion of Sayre held a public pay-off in their rooms last night and dividend checks aggregating nearly \$3,000 were distributed among the following members: C. Barber, L. Bailey, T. Bailey, Emma Casterline, W. H. Gould, W. H. Troutman, A. J. Brainerd, Dana Havens, Michael Hayes and Fred Balch. This is the third dividend that Mr. Balch has received, while Mr. Hayes was paid the second time.

Checks were distributed by District Deputy E. F. Mercereau, after which the drill team gave an exhibition drill which was greatly appreciated by the large audience present. A fine literary and musical program was also rendered and refreshments were served.

While the pay-off was taking place in Sayre a similar event occurred in Towanda, where a large number of members of the order received checks.

MAY CAUSE TROUBLE

There are two loose planks on the sidewalk on the north side of the Packer avenue bridge, and unless the same are attended to those who are charged with the responsibility of keeping the bridge in repair are likely to encounter trouble. Smoke and steam issuing from engines passing underneath the bridge throw the planks from their places and leave holes which in the dark pedestrians are liable to step into and sustain serious injuries.

ABOMINABLE CONDITIONS

A most alarming condition of affairs exists in Elmira as the result of the morphine and cocaine habit. So common has the practice of using these abominable drugs become that the district attorney and police department are working to the end that it may be stopped.

A GREAT LOCAL EVENT

"The Christian" and "Shannon of the Sixth," two of Kirk Brown's most famous successes, will be the attraction at the Loomis opera house Wednesday, January 10th. The management can be congratulated on securing Mr. Brown to appear here, as this will give the Loomis patrons an opportunity of seeing for the first time Hall Cain's greatest success, "The Christian," and Edward E. Kidder's masterpiece, "Shannon of the 6th."

"The Christian" will be presented at the matinee and "Shannon of the 6th" at night.

DEPARTED IN HASTE AND IS BADLY CUT

Unknown Man Jumped Through Window of House He Was Visiting With Disastrous Results

Last night an unknown man visited the office of a local physician to receive treatment for a bad laceration of his left arm, which had every appearance of being cut by glass. The man refused to tell the physician his name or how he met with the accident.

Previous to his going to the doctor's office, however, the stranger visited a local cafe and while standing at the bar the condition of his arm was noticed by the bartender. Blood was dripping from the ends of his fingers and the sleeve of his coat was badly torn. The bartender asked the stranger what had happened and in an undertone of voice the latter replied that he had been spending the early part of the evening at a certain house in Sayre when the head of the household returned at a decidedly unexpected hour. As the stranger did not desire an acquaintance with the head of the house, under the circumstances, he thought it best to beat a hasty retreat, and accordingly jumped through a window, carrying with him the window sash, glass and all. A piece of the glass entered his left forearm, cutting a gash several inches in length, and one which required several stitches to close. Who the man is or where he came from no one seems to know.

"DULY INSTALLED"

The local Aerie of Eagles will be glad to learn that they will not be compelled to install their officers on their meeting night which is to occur on the 18th of the present month. A local sheet, intended by those connected with it to be a newspaper, has attended to this important matter for the Eagles and duly installed the entire official staff at the meeting which was held on Thursday evening. The sheet referred to, must have done considerable "investigating" in connection with the matter, but as a matter of fact the entire story was a "mythe." While we think of it there is an old adage which reads something like this: "Clean the filth out of your own door yard before you get deeply interested in your neighbor's."

LEHIGH VALLEY DIRECTORS

The annual meeting of the board of directors on the 19th instant is expected to pass without unusual incident. There will be no change in the board of directors, but at the subsequent meeting of the board for organization it is said that the directorate will be materially changed. Just what these changes are can not at the present time be ascertained, but it is said that there will be several surprises to financial interests. The directors claim to know nothing of the proposed changes, but notwithstanding these evasions, it is asserted that several new faces will appear in the board in the very near future.

OPPORTUNITY TO FIND EMPLOYMENT

Silk Mill Will be Located in Sayre if Sufficient Help to Operate Same can be Secured

F. W. Baer, president of the Lehighton silk mill, together with W. S. Hafford of Lehighton, met last evening in the Business Men's association rooms, with a few of the representative business men of Sayre, in the interest of locating a silk mill here, providing the required help can be secured. Mr. Baer stated he would require one hundred hands to start with, and would in all probability increase that number to two hundred or more, the class of help needed being boys and girls ranging from 14 to 18 years, or older, and women, the wages paid to be \$3.50 and \$4 per week. If help cannot be secured the mill will not be located here, and there is no guarantee that it will be, as some other locality may present more attractive features. The consensus of opinion among the business men present was, that there would be no trouble in securing plenty of help.

The secretary of the Business Men's association would like the names of all boys, girls and women who would like to avail themselves of the opportunity to obtain employment in the mill if it is located here, to enable him to report as early as possible to Mr. Baer the prospects of securing help. Information may be given the secretary in person at the association rooms, or by letter addressed to the Business Men's association.

The third is a partial eclipse of the sun on July 21, not visible in the United States. The fourth is a total eclipse of the moon, August 4, invisible in the United States. The fifth is a partial eclipse of the sun, August 19, not visible in the United States, except in Alaska.
