A MESSAGE TO THE PUBLIC

We have had the pleasure of doing business now almost a year on a strict cash bisis. The results have been satisfactory to ourselves, and by this system we have been able to be eminently fair with you on the price of every article purchased of us. You have not PAID CREDIT STORE PRICES, nor the items of lost accounts, bookkeepers, collectors, etc., incident to a credit store policy.

We shall not deviate from this plan in the future, except we have opened an installment proposition for those desiring Furniture, Carpets, Rugs, Matting and upholstery, on no other grounds, than upon request of many friends and patrons thus making it possible to have the use of house furnishings and pay for them on We know nothing that should stand in our way of supplying you with more goods. We carry the assortments and you get the prices. We urge comparison.
