WIELAND CO.**
THE BIG STORE WITH LITTLE PRICES
SAYRE, PA.

Store Closes Daily at 6 P. M. Except Saturday Evenings, L. V. R. R. Paydays and Two Evenings Succeeding

Almost all our patrons speak very freely of this store as unusual. While we believe the compliment well expressed, (this pride is certainly pardonable) we still are enthused to make each succeeding day deservedly better.

We study your interests, thereby improving our own.

**Our Pre-Inventory Sale Ends
January 31**

We have about 20 ladies' suits on hand, previously advertised at one half to one third off. To close out we offer an additional 10 per cent to this already deep cut and brings many at less than half price.

**Clean-Up Sale---Ladies' and
Children's Coats**

An additional 10 per cent will be made on all garments sold from our remaining stocks. This means less than cost to us, and you get them in all colors, styles and values at from \$1.57 up. They are all marked in plain figures and the discount will be figured when sale is made. At about half price, and better.

Furs---Neck Pieces and Muffs

No two alike, embracing too many sorts to enumerate, but all marked at sharply cut prices. You get any one at about half price.

Sweeping Reductions

On Flannelette night gowns, skirts, kimonos and bath robes. We must have room for early spring goods. 37c up.

"The Big Store" Teems With Clearance Values Throughout

**Carpets, Rugs, Matting,
Linoleum**

Last Monday 9x12 rugs were on our floor; today 9x1. Early buyers get the choice patterns. Sales recently made include a shipment to a party looking in Elmira and Binghamton. They came back and bought of us because we had the stock and named a price that was less. \$14.50 to \$38.50. Small rugs of good make \$1.19 up to \$4.67.

An Innovation and an Invitation

About nine persons out of ten find it hard to furnish the home and pay spot cash for Furniture, Carpets, Rugs, and the heavy house furnishings, as all run into money rapidly. In view of a desire to increase business and publicly grant a request very frequently made by many of our best patrons, we have opened an installment proposition for those desiring to buy their furniture, etc., on the installment plan, thereby enjoying its use without charge of interest or the employment of solicitors. And reasonable payments only are expected.

Our policy of cash buying and cash selling cannot be departed from on other lines, or in other departments of this store, as the small margins upon which we operate would not justify our naming the prices we do were we to do a general credit business. Under this policy, with the advantage of buying, you have and always will get the same goods for less money or more goods for the same money than you get at small stores. Is not this reasonable reasoning?

Grover's
SOFT SHOES FOR TENDER FEET

There are hundreds of women in this borough that need no introduction to the celebrated Grover shoes. The COMFORT and SATISFACTION they have had in wearing them, will "speak louder" than anything we can say. To this class of women we will simply say we are carrying a complete assortment. To those not familiar with the Grover we wish to say for many years the makers of the Grover Shoe have devoted their attention to the design and manufacture of Soft Shoes for Tender Feet, and every year shows a large and increasing number of those who find comfort in them.

Ladies whose feet are naturally tender, or have been made over-sensitive by wearing ill-fitting shoes, will find the Grover specially designed to give relief and comfort to tender and tired feet.

Is absolutely perfect. It can always be improved if you know how. It is our business to suggest and supply improvements in the

We would like to try our skill on your house. A cheerful home furnace, a steam or hot water system, a fine lavatory, a "NATURO" closet or a porcelain tub in place of the old copper tub you now have, may be what you want.
