DANISH KING DEAD.

Christian IX., Father of Sovereigns, Dies Suddenly.

FIVE KINGDOMS IN DEEP SORROW.

George of Greece His Son, Alexandra, Queen of England, and Dowager Empress of Russia His Daughters.

COPENHAGEN, Denmark, Jan. 30.—Christian IX., the aged king of Denmark, dean of the crowned heads of Europe, father of King George of Greece, of Queen Alexandra of Great Britain and Ireland and of the Dowager Empress Maria Fodorovna of Russia, grandfather of King Haakon VII. of Norway and related by blood or by marriage to most of the European rulers, died with startling suddenness at the Amalienborg palace here. The accession of his successor, Prince Frederick, his eldest son, who will be known as Frederick VIII., was proclaimed today.

The following bulletin was issued: "After his majesty had brought an audience to a conclusion he appeared to be quite well, but later gave evidence of illness and was compelled to retire to bed, where he passed away peacefully, the symptoms indicating heart failure."

Even those who realized the increasing feebleness of the king were unprepared for the sudden end.

The death of King Christian has plunged five of the courts of Europe into the deepest mourning and brought a sense of personal loss as well as of sincere grief to every one throughout the kingdom of Denmark, reaching even to the humblest cottages, evidence of which are shown everywhere. It has cast a pall over the palaces of the monarchs of Great Britain, Russia, Norway and Greece as well as over the court of Denmark.

The quick taking away of this distinct personality who has for so long been a center of interest not only in his own country, but throughout the civilized world, almost paralyzed the community and unnerved the business world of Denmark.

Every flag in the city is at half mast, all the places of amusement are closed, and the people walk the streets as though they were passing through the chamber of death itself.

King Christian appeared to be in his usual health and after taking breakfast held a public audience, which it has been his custom to do. The reception was largely attended, and his majesty conversed freely and affably with a number of officials and other persons.

When the function was over the king, though appearing to be slightly fatigued, attended luncheon with the members of his family, among whom were the dowager empress of Russia and his brother, General Prince Hans.

During the meal his majesty complained of indisposition and was assisted to his bedroom by the dowager empress and Prince Hans. A court physician was quickly summoned, but by the time he arrived the king had collapsed. The physician used prompt restoratives, but his efforts were useless, and King Christian expired almost without uttering a word in the arms of the dowager empress and in the presence of the court physician and Prince Hans.

Just as the king breathed his last Crown Prince Frederick, who had been summoned, entered the room, and the other members of the royal family arrived shortly afterward.

Christian IX., king of Denmark, was known as the first gentleman in Europe. For forty-two years he has reigned over the Danish kingdom, succeeding to the throne on Nov. 15, 1863. At the time of his death he was the oldest reigning sovereign in Europe. Had he lived until April 8 he would have been eighty-eight years old, and even in his last years in spite of his great age his figure was as energetic and active as that of a man of forty. He was in reality the grandfather of European royalty.

The queen of England, who was the Princess Alexandra, is his daughter, and all his six children play a large part in ruling the destinies of Europe.

King Christian IX. was born on April 8, 1818. He was the fourth son of Duke Wilhelm of Sleswick-Holstein, Sonderburg-Glücksburg, and the Princess Louise of Hesse-Cassel. He succeeded to the throne on the death of King Frederick VII., a ruler who had endeared himself to the Danes.

Kaiser Canceled Court Ball. BERLIN, Jan. 30.—Emperor William on hearing of the death of King Christian promptly sent his condolences to Copenhagen and canceled the court ball which was to have taken place tomorrow evening.

Decision Against Ex-Governor. ST. LOUIS, Jan. 30.—Decision in favor of judgment for \$2,179.79 was rendered by Judge Hough in the circuit court in the case of Mrs. Elizabeth W. Platt and four of her children against former Governor David R. Francis and other members of the firm of D. R. Francis, Bro. & Co. and Charles H. Platt, her son, for the recovery of \$134,000 worth of stocks and bonds alleged to have been hypothecated with the Francis firm by Charles R. Platt.

President Entertains. WASHINGTON, Jan. 30.—President and Mrs. Roosevelt gave a large dinner party at the White House last night, followed by a musicale, to which a large number of guests were invited. Those at the dinner included the Brazilian ambassador and Mrs. Nabuco, Senator and Mrs. Taffero, Senator and Mrs. Overman, Senator Crane, Senator and Mrs. Caffery, Senator Hamer and Senator and Mrs. Warner.

ASSASSIN SCORE AGAIN.

General Griaznov Killed by Bomb at Tiflis, Transcaucasia.

ST. PETERSBURG, Jan. 30.—A Tiflis (Transcaucasia) dispatch says that General Griaznov, chief of staff to the viceroy of the Caucasus, has been killed by a bomb. The assassin is held by the police.

A report from the chief of police at Vladivostok recounts the origin of the murder and states that it was due to the arrest of a doctor and a Jewish agitator who has a great deal of influence with the people.

A meeting was called at which the revolutionists decided to liberate the prisoners. The mutineers demolished a building in which arms and munitions were stored, seized the rifles and endeavored to compel the commandant to grant the prisoners' release. The artillery men of the garrison were greatly enraged against the mutineers and seized six soldiers of a wavering regiment, held them as hostages and threatened to execute the six men unless their regiment refused to join the revolutionists and co-operated in crushing the mutiny. The American embassy has not received anything from the consul at Vladivostok for several weeks.

Advices from Gomei say that the disorders there, which were the outcome of the old racial feeling, have been subdued and that the fire has been extinguished after destroying sixty-one stores and thirty-seven houses. Seventeen other stores were demolished by the mob.

A battalion of infantry and a machine gun company have arrived to restore order there and in the surrounding country, where the peasants have risen and are committing excesses. Much complaint is made of the conduct of the Cossacks of the garrison at Gomei during the recent rioting. It is said that they took the part of the mobs, prevented the firemen from extinguishing a fire and even drove off the policemen who were protecting the fire hose. The fire was not extinguished until after the arrival of troops from Moghilef. The governor is conducting a rigid investigation of these complaints.

FUNK THREW THEM DOWN. Mediums Are on the Wrong Track, Says New York Doctor.

NEW YORK, Jan. 30.—Dr. I. K. Funk of this city "threw down" spiritualistic mediums hard when a dispatch from Boston was shown to him announcing that Dr. Richard Hodgson had sent a communication to Dr. Funk regarding the latter's wife from the spirit world through the mediumship of Rev. Frederick A. Wiggin, pastor of Unity church in the Hub.

"I do not know Mr. Wiggin," said Dr. Funk. "He is apparently mixed in his revelations. My wife died from entirely natural causes about thirty-five years ago."

"The Boston 'revelation' was evidently intended to apply to the circumstances of my mother's death, which occurred fifty years ago. She was fixing a window, and, in stepping off upon a chair, ran a needle in her foot, which resulted fatally to her."

"I do not attach any value to that alleged revelation from Dr. Hodgson through Dr. Wiggin, inasmuch as the circumstances of my mother's death were published in the newspapers a year or so ago."

"At that time some other medium—Mrs. Pepper, I think it was—gave out the 'revelation' that my mother had died as the result of fixing a window."

"I did not attach any value to Mrs. Pepper's 'revelation' either, because she may easily have obtained the facts as to my mother's death from some of the bureaus of information which I am told are constantly collecting for the mediums concerning whom 'revelations' are to be delivered."

"No, the mediums are on the wrong track, so far as I am concerned. They will have to do better than that to convince me."

Ask Mercy For Middy Haas. WASHINGTON, Jan. 30.—President Roosevelt was urged to exercise executive clemency in the case of John Paul Miller, the Annapolis midshipman who was convicted of hazing at the Naval academy. The request was made by Senator McCreary of Kentucky and John W. Miller of Lancaster, Ky., the young midshipman's father. The midshipman was convicted of hazing in the form of "automobiling," and Senator McCreary and Mr. Miller urged the president to save the young man from dismissal from the academy. The president made no promises, but indicated an intention to let the verdict stand.

Brown Is a Great Gun. NEW YORK, Jan. 30.—Two shots from the Brown six inch wire gun attained a muzzle velocity of 3,410 feet a second, the greatest velocity ever obtained from any gun of equal caliber, at the government proving grounds at Sandy Hook. An idea of the tremendous speed of the projectile fired by the Brown gun may be had when it is remembered that in the civil war the muzzle velocity obtained from the largest guns averaged only about 1,500 feet per second.

ANNIHILATES TIME.

Victor Demogoe Is Crowned Speed King of the World.

MARVELOUS SPIN ON DAYTONA SANDS

Noted French Chauffeur Makes Two Miles in 58 4-5 Seconds—Lured Wreath From Miss Simrall For Victor.

ORMOND, Fla., Jan. 30.—Victor Demogoe of France was crowned speed king of the world on the Daytona sands after driving his gasoline car two miles in the marvelous time of 58 4-5 seconds. Demogoe maintained a speed of 123 miles an hour to make this record.

The two mile a minute race closed the automobile tournament for this season. The competition in this event had narrowed down to Mariott in the steamer and to the big 200 horsepower French car, whose driver should drive. Demogoe was finally selected.

On the first trial Mariott went first, but the best he could do was 1 minute 3 seconds. Demogoe brought the crowd to its feet by reducing the time to 1 minute and 2 5/8 seconds. Referee Morrill decided to give each car a trial to see if the time could be brought within the minute. Mariott came first again and this time faster. He made the two miles in 59 3/5 seconds. It seemed impossible that the clumsy looking French car should reduce this, but the Florida Times-Union \$1,000 trophy was lost to America a few minutes later when the course in 58 4-5 seconds, the fastest speed ever attained by an automobile.

Demogoe was crowned with a laurel wreath by Miss Mary Simrall of Ormond, Fla., while several thousand persons cheered. An automobile parade followed, and this ended the tournament. Summaries:

Thirty mile championship, American cars, all powers, won by Mariott, 40 horsepower steamer, time 28 minutes 38 2-5 seconds; second, Christie, 110 horsepower gasoline, time 87 minutes 84 1/2 seconds. Kulick did not finish.

Fifteen mile open championship, won by Lucia, 110 horsepower gasoline, time 10 minutes; second, Hilliard, 80 horsepower gasoline, time 11 minutes 56 3/5 seconds. Cedrino did not finish.

Ten mile open championship, won by Lucia, 110 horsepower gasoline, time 6 minutes 18 3-5 seconds; second, Mariott, 40 horsepower steamer, time 7 minutes 35 3-5 seconds.

Five mile open handicap, won by Lucia, scratch, 110 horsepower gasoline, time 8 minutes 15 2-5 seconds; second, Hilliard, one minute handicap, 80 horsepower gasoline, time 8 minutes 4-5 seconds.

Two mile open trial, first set, won by Demogoe, 200 horsepower gasoline, time 1 minute 2 2-5 seconds; second, Mariott, 40 horsepower steamer, time 1 minute 3 seconds.

Second set, won by Demogoe, time 58 4-5 seconds; second, Mariott, time 59 3-5 seconds.

One mile middleweight championship, won by Guy Vaughn, 100 horsepower gasoline. No time given.

Pirates, Hidden Out, Won. NEW ORLEANS, Jan. 30.—Pirates, ridden out to the last ounce to beat Samuels and St. Valentine were the winners of the day at the Fair grounds. The favorite of the day was the defeat of Eucetheon, a well backed favorite in the fifth race. Val Ness, ridden by Jack Martin, beat the barrier, led all the way and won easily. Eucetheon being used up in an attempt to recover lost ground and catch up with him.

Upsets at City Park Steeplechase. NEW ORLEANS, Jan. 30.—The short course steeplechase at City park was attended with the usual mishaps. Archibald fell off Charwind, the favorite, as he landed at the seventh jump, and Judge Nolan's rider shared the same fate. T. Powers, who rode Lionel, broke a stirrup leather and pulled up, while Minnie Adams, who made a show of her company, Berry Hughes and Careless were the winning favorites.

Equorum Rex at Oakland. SAN FRANCISCO, Jan. 30.—Equorum Rex made a great stretch run in the fourth race at Oakland, overtaking Watchful, the early pacesetter and winning by a length. The odds were 15 to 1 on the winner. Watchful looked a winner at the head of the stretch, but could not withstand the fast rush of Equorum Rex.

Big Coup on Hand Maiden. LOS ANGELES, Cal., Jan. 30.—Hand Maiden, winner of the two-year-old race at Ascot, was the medium of a big coup. Backed from 15 to 1 to 8 to 1, she won easily. Moutezuma, at 20 to 1, was another long priced winner in the mile and a sixteenth event. Favorites were successful in three races.

Kid Sullivan Beaten. BOSTON, Jan. 30.—Dave Deshier of Cambridge defeated Kid Sullivan, the Baltimore boxer, at the Douglas Athletic club, Chelsea, last night, although the latter stayed to the end of the fifteen round contest.

With the Kaiser's Own Design. PARIS, Jan. 30.—Vice Admiral Siegel, the German naval attaché here, has presented President Loubet with a copy of Emperor William's synoptic tables of the European fleets with the emperor's own designs for warships.

Promoter of Atlantic Cable Dead. PARIS, Jan. 30.—Julius Desprey, one of the first men in this country to take part in the promotion of cable communication between Europe and America, is dead. He was eighty-three years old.

HAPPY COUPLE IN NEW YORK.

Miss Roosevelt and Mr. Longworth Greeted With Cheers.

NEW YORK, Jan. 30.—Displaying that democratic spirit for which her father is famous the world over, Miss Alice Roosevelt, who arrived in this city with her fiancé, Representative Nicholas Longworth from Philadelphia, visited her bank, went to Sherry's and, without other escort save Mr. Longworth, attended to several errands about town before going to luncheon with Mrs. Cornelius Vanderbilt in her private apartments in the Hotel St. Regis.

The trip to Sherry's from the ferry at West Twenty-third street in an electric hansom included an encounter with a traffic squad policeman. The hansom had proceeded north to Eighth avenue, to Twenty-fifth street and then east. As the vehicle was about to turn into Fifth avenue a mounted policeman galloped up and motioned the driver to turn back.

"You can't pass this way. Go up to Twenty-sixth street," he shouted. "I've special people," said the driver. "Never mind, rules is rules," returned the policeman.

At this juncture Mr. Longworth leaped out of the hansom and said: "You are perfectly right, officer. We'll go to Twenty-sixth street."

The turn was made, and at the next corner the hansom entered Fifth avenue and proceeded to Sherry's.

Laughing and apparently as happy as it falls to the lot of mortals to be, Miss Roosevelt and Mr. Longworth were greeted by a crowd of cheering people at many points. Camera flashes were everywhere.

Miss Roosevelt was dressed in a greenish brown tulle made suit trimmed with gilt braid and buttons. On her hat was a bird of paradise plume, and she wore a boa and muff of silver fox fur.

Miss Roosevelt and Mr. Longworth attended the presentation of "Faust" at the Metropolitan Opera House last night. They were members of a party occupying the boxes of Mrs. Robert Goetz and Mrs. Oplau Goetz.

SCAPEGOAT, SAYS VAN SCHAICK.

"Government Had to Put Blame on Some One and Chose Me."

NEW YORK, Jan. 30.—"The United States government has singled me out as a scapegoat," declared Captain William H. Van Schaick, who has been sentenced to ten years' imprisonment for neglect of duty in connection with the burning of the steamboat General Slocum.

It was in the counsel room of the Tombs that the captain made the statement. He looked very haggard and old and said that he had not slept a wink all night.

"I'm merely the victim of circumstances," Captain Van Schaick continued. "But I don't hold the owners of the Slocum to blame. They've always treated me fairly. But the United States government had to find a scapegoat, so they took me."

"I tell you when a man has had as good a record as I have had all my life it's desperately hard to be up against a thing like this. They convicted me because they said I didn't have a fire drill on the boat. Why, most of my men had only been aboard the Slocum nine days. Some of them had only been aboard five. In the little time I had I did the best I could, and I fixed up the 'station bill' as well as possible."

The "station bill" is the list posted up by the captain assigning to each man his particular station in case of fire.

"But even if I'd had a well drilled crew," the captain asserted, "it would not have made any difference, the fire spread so rapidly. Two and a half minutes after the alarm of fire was sounded I had benched the boat. At first everybody criticized me for benching the Slocum where I did. But let me tell you that benching her just at that spot was the best thing I ever did in my life. Not 5 per cent of the seafaring men in these parts knew that sand spit off North Brother Island. They all know about it now. If I hadn't been aware of that sand spit's existence there wouldn't a soul aboard the Slocum have been saved."

Seventeen Girls Stabbed in St. Louis. ST. LOUIS, Jan. 30.—While turning from Grand avenue into the entrance of a Reptonport high school here Bertha Rude, a thirteen-year-old school girl, was apparently accidentally collided with by an unknown young man and a few minutes later she found she had been stabbed in the hip. The knife cut through her clothing, but did not penetrate the flesh. This makes the seventeenth girl mysteriously stabbed on the streets within the past two weeks, but marks the first case of stabbing during the daytime. No arrests have yet been made.

Midshipman De Saussure on Trial. ANNAPOLIS, Md., Jan. 30.—The court martial took up the case of Midshipman Richard L. De Saussure of Charleston, S. C., a member of the third class, today. Midshipman William T. Boyd, Jr., of Peoria, Ill., a member of the second class, has been put under arrest on the charge of hazing, and his trial will commence immediately upon the conclusion of that of Midshipman De Saussure. Midshipman Boyd belongs to the football squad and is considered one of the best boxers in the academy.

Saved Five Safes. NEWPORT, R. I., Jan. 30.—It was learned that Paymaster Grey Skipworth of the naval training station saved five safes in his office, which was burned, with other buildings, on Coasters Island. AFTER RAILROADS.

Congress Wants Report on Pennsylvania Merger.

A STREET NAMED AFTER WHEELER

Resolution in House Asking For Details of Alleged Combination of Trunk Lines—Northern Securities Up Again.

WASHINGTON, Jan. 30.—The basis for what may be another Northern Securities prosecution was laid in the house of representatives, the subject being the reputed control of the Baltimore and Ohio, Chesapeake and Ohio, Norfolk and Western, Northern Central and Philadelphia, Washington and Baltimore railroads by the Pennsylvania company and the Pennsylvania railroad.

On Jan. 18 Mr. Gillespie (Dem., Tex.) introduced the following resolution, which was referred to the committee on interstate and foreign commerce: "That the president is hereby requested to report to the house all the facts within the knowledge of the interstate commerce commission which show or tend to show that there exists at this time or heretofore within the last twelve months has existed a combination or arrangement between the Pennsylvania Railroad company, the Norfolk and Western Railway company, the Baltimore and Ohio Railroad company, the Philadelphia, Baltimore and Washington Central Railway company and the Chesapeake and Ohio Railway company, or any two or more of said railroad companies, in violation of the act of July 2, 1890."

No action having been taken upon the resolution by the interstate commerce commission, Mr. Gillespie called it up yesterday as a privileged matter under the rules and asked that it be passed.

Mr. Payne (Rep., N. Y.), expressing himself as being in sympathy with the purposes of the resolution, suggested that it be amended by the inclusion of the words customary in such resolutions, "if not incompatible with the public interests," which Mr. Gillespie readily accepted.

Mr. Dalzell said that the president was not the head of an executive department within the meaning of the rule and that a resolution asking for information from the interstate commerce commission, confessedly not privileged, could not be made privileged by addressing it to the president.

Mr. Dalzell moved to reconsider the vote by which the resolution was adopted. On motion by Mr. Gillespie this was laid on the table, 122 to 95. So the resolution goes to the president for his action.

A tribute to the memory of General Joseph Wheeler was paid in the house by the amendment of a bill under consideration so as to name one of the streets of the city of Washington Wheeler street. In taking this action Mr. Sherman (N. Y.) spoke in words of praise of the memory of the dead general.

Proceeding under the call of committees, the house took up the Littlefield bill, requiring all corporations engaged in interstate commerce to make annual returns to the commissioner of commerce and labor. A point of order that the bill was not on the right calendar was fatal to further consideration.

When Mr. Littlefield asked unanimous consent for consideration Mr. Mann queried, "Can you ask unanimous consent on the call of committees?"

Speaker Cannon replied, "Oh, yes, if they are recognized they can ask unanimous consent to bring on an elephant."

A resolution calling on the attorney general to inform the house whether or not he has begun criminal proceedings as a result of the Northern Securities decision was called up, but went over.

Mark Twain in the Senate. WASHINGTON, Jan. 30.—Samuel L. Clemens (Mark Twain) and Colonel George Harvey were in the senate gallery yesterday, the guests of Senator Keon of New Jersey. They remained about ten minutes. Mr. Clemens showed special interest in Senator Tillman's speech. Speaker Cannon, Mr. Clemens and Representative Hepburn of Iowa engaged for half an hour in an exchange of pioneer experiences along the Mississippi river and in other parts of the middle west.

State College Building Held Up. ITHACA, N. Y., Jan. 30.—Work on the State Agricultural college buildings at Cornell has been seriously interrupted by all the bricklayers and masons being ordered on strike by the building trades council. The trouble is a result of the strike of planing mill men, which has been on for two months.

Where Is John D. Rockefeller? CLEVELAND, O., Jan. 30.—John D. Rockefeller has not been here since September. Inquirers are unable to learn his whereabouts. George Rudd, Mr. Rockefeller's brother-in-law, received a letter from Mr. Rockefeller recently. Mr. Rudd says he does not believe Mr. Rockefeller is in Europe.

Carnation Day in Ohio. COLUMBUS, O., Jan. 30.—Carnation day, in honor of the anniversary of the birth of President McKinley, was generally observed in Ohio. There was a general wearing of carnations. McKinley's favorite flower. About 10,000 were sold here.
