The Dryden Herald office was entered by thieves one night last week, but it is not learned that they secured any booty. The thieves proved to be four boys, who had also entered other business places in town where they secured several articles of value but no money.

VALLEY MEN NOW AFTER SHORT DAY

Grievance Committee Meets and a Ten Hour Day Will Probably Be Demanded

Representatives of the Brotherhood of Lehigh Valley trainmen are holding their annual conference in Wilkesbarre this week and while no statements have been made regarding the business that has been transacted, yet it is admitted on all sides that these men are there for the purpose of arranging the yearly schedule of wages and hours of labor. There is no mistaking the principal demand, for this craft, like those in the employ of the other railroads is desirous of securing the ten hour day, and to make the latter general.

While there are a great many who work about that number of hours at the present time, yet the railroaders, according to statements made, will not be satisfied until it applies to all classes.

The present schedule does not expire for two months, and the reason that the meeting is held so far in advance is to have all the demands in presentable shape before a request is made for a conference with the officials. The main points in the dispute will be taken up with Superintendent McGuire, and if he is not in a position to settle all of them the committee will seek a meeting with Superintendent Pindell and General Manager Cutter.

IN THE SUNNY SOUTH

J. C. Rockwell's "In the Sunny South" company gave a very pleasing performance at the Academy of Music last night to a good house. The company is composed of talented singers and dancers, and some clever comedians which kept the audience in roars of laughter. It is a worthy successor to "A Trip to Coontown," which met with such success some time ago. The entertainment will be repeated for the balance of the week with a matinee on Saturday.—Halifax Herald, Friday, June 30, 1905.

STOLE SLOT MACHINE

Some time during last night a miscreant whose identity is unknown carried away a shoe string machine located in front of Beloud's shoe store. The machine is a penny in the slot affair and it is presumed that the thief or thieves have carried it to some out of the way place, extracted the pennies, and abandoned it. This is the second robbery of the kind to occur here during the past winter.

REPUBLICANS VICTORIOUS

With One Exception Entire Ticket Elected at Yesterday's Contest

WILLIAM CROSS IS THE NEW BURGESS

Defeated A. D. Stevens, the Democratic Candidate, by a Majority of Thirty-Four—The Result in the Wards

The municipal election which was held in this borough yesterday was probably the hottest contest that has ever been witnessed in Sayre, resulting in the election of William Cross, the Republican candidate for Burgess, who defeated A. D. Stevens, his Democratic opponent, by 34 votes. The contest waged fierce almost from the moment the polls opened in the morning until they closed at 7 o'clock last night. The vote was the largest ever cast in Sayre at any election, 1,148 electors having exercised their right of franchise. While the principal interest centered in the contest for Burgess there was also a hot fight on for the office of tax collector. J. L. Plumstead, Republican, defeated B. L. Lewis, Democrat, by a substantial majority, while W. T. Carey and Sereno Nelson are elected justice of the peace, to serve five years each. Mr. Nelson led the field and polled more votes than any other candidate on the ticket. John B. Babcock, Republican, will be the next borough auditor, having defeated E. O. Pealer, Democrat, by a handsome majority.

Sayre has never before witnessed an election like it. While everything moved along without disturbance of any kind it was evident that the party workers were straining every nerve to get the vote out. That they succeeded the result will show for itself.

The polling places in the first, second and fourth wards were surrounded by a crowd all day long and the business streets of Sayre presented an animated scene. Even in a presidential election there has never been shown such interest as at yesterday's contest. One commendable feature of the contest was an entire absence of bitter feeling. The fight was waged by both parties, so far as the heads of the ticket were concerned, on strictly legitimate lines, and now when the smoke of the battle is clearing away, not a single scar that would mar those who participated in the fight is visible.

The contest was settled in the good old American way and everybody will be satisfied. The election of Mr. Cross will be acceptable to the whole community, and his Democratic opponent is entitled to a share of the glory for the magnificent fight he made.

The result of the contest for ward officers was a victory for the Republican candidates with the exception of John H. Pritchard, who was defeated for councilman in the third ward. Aside from this it was a decisive victory for the entire Republican ticket. The Democrats, however, are to be congratulated upon the excellent fight they put up, and they go down to defeat emblazoned in glory.

The result in the borough is as follows:

Table with columns: BURGESS, JUSTICE OF THE PEACE, COLLECTOR OF TAXES, AUDITORS. Lists candidates and vote counts for each position.

Table with columns: FIRST WARD, SECOND WARD, THIRD WARD, FOURTH WARD. Lists candidates and vote counts for each ward.

STUART ROBINSON DIES AT HOSPITAL

He was the Nine-Year-Old Son of Ex-Sheriff Robinson and Had Undergone An Operation for Appendicitis

Stuart Robinson, son of Mr. and Mrs. S. F. Robinson, of Athens died at the hospital this morning at 9:45, aged about 15 years. He underwent an operation for appendicitis about three weeks ago and seemed in a fair way for recovery until this morning. The first message received by his parents this morning was that he had passed a favorable night, but an hour later another message was received summoning his parents to his bedside, as it was feared he was dying.

The deceased was a young man of fine character and had a promising future. He was born at Bentley's Creek, but more recently has resided in Towanda, until his parents a few months since moved to Athens to reside. No arrangements as yet been made for the funeral.

BRAKEMEN INJURED

A number of Lehigh Valley brakemen narrowly escaped serious injury at Delano an early hour yesterday morning, the engine of their train crashing into their cabooses while shifting cars. James Mulligan of Hazelton sustained slight lacerations of the head, but will not be incapacitated from duty James Kennedy, also from Hazelton, was severely injured about the chest and will be confined to his home for a few weeks at least. The other members of the crew received a severe shaking up.

MAKING A PROTEST

It is said that some of the brake men on the Lehigh are protesting because of the slack time. They claim that a large number of new recruits have been employed recently and that the time has been divided among them all, thus discriminating against the old and faithful employes.
